(Text with EEA relevance)

(2021/C 93/06)

1. On 12 March 2021, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ([1]).

This notification concerns the following undertakings:

— Infosys Limited ('Infosys', India),

— Certain IT assets, personnel, contracts and liabilities of Daimler AG ('Daimler IT Assets', Germany).

Infosys acquires within the meaning of Article 3(1)(b) of the Merger Regulation control of Daimler IT Assets.

The concentration is accomplished by way of purchase of assets.

2. The business activities of the undertakings concerned are:

— for Infosys: a global provider of digital services and IT consulting to clients across various industry segments.

— for Daimler IT Assets: a provider of IT services (help desk, workplace IT tools, data centre, SAP solutions) for the internal use of Daimler AG, a global corporation that develops, manufactures and distributes automotive products, in particular passenger cars, trucks, vans and buses.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under the Council Regulation (EC) No 139/2004 ([2]) it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.
