Order of the President of the General Court 29 March 2012 — Gollnisch v Parliament

(Case C-570/11 P(R))

(Appeal — Interim measures — Privileges and immunities — Waiving of the immunity of a Member of the European Parliament — Application for suspension of operation — Interest in obtaining suspension)

Application for interim measures — Conditions for admissibility — Legal interest in bringing proceedings — Request seeking suspension of the operation of a negative administrative decision — Decision of the European Parliament refusing a request for the defence of the immunity of one of its Members — Suspension incapable of altering the applicant's situation — No legal interest in bringing proceedings (Art. 278 TFEU) (see paras 13-15)

Re:

Appeal brought against the Order of the President of the General Court of 30 September 2011 in Case T-347/11 R *Gollnisch* v *Parliament*, dismissing as inadmissible the application for suspension of the operation of a measure.

Operative part

1. The appeal is dismissed.

2. Mr Gollnisch is ordered to pay the costs.
