Commission decision pursuant to Article 6(1)(b) of Council Regulation (EC) No 139/2004 ([1]) and Article 57 of the Agreement on the European Economic Area ([2])

Dear Sir or Madam,

(1) On 29 April 2026, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation, by which SPIE Germany Switzerland Austria GmbH ('SPIE DACH', Germany), controlled by SPIE SA ('SPIE', France) intends to acquire, within the meaning of Article 3(1)(b) of the Merger Regulation, sole control over the whole of ROFA Industrial Automation AG ('ROFA', Germany). The concentration is to be accomplished by way of purchase of shares. ([3])

(2) The business activities of the undertakings concerned are the following:

– SPIE DACH is a provider of technical services for buildings, facilities and infrastructure in Germany and Central Europe. It is solely controlled by SPIE, a European provider of multi-technical services in the areas of energy and communications,

– ROFA provides industrial automation solutions and engineering services primarily for the automotive and warehousing and logistics sectors.

(3) After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of

With effect from 1 December 2009, the Treaty on the Functioning of the European Union ('TFEU') has introduced certain changes, such as the replacement of 'Community' by 'Union' and 'common market' by 'internal market'. (4) For the reasons set out in the Notice on a simplified treatment, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.
