COMMISSION DECISION No 812/85/ECSC

of 28 March 1985

amending for the fourth time Decision No 3717/83/ECSC introducing for steel undertakings and steel dealers, a production certificate and an accompanying document for deliveries of certain steel products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Article 95 thereof,

With the unanimous assent of the Council and after consulting the Consultative Committee,

Whereas :

Commission Decision No 3717/83/ECSC (1), as last amended by Decision No 3579/84/ECSC (2), lists in Annex I the products covered by that Decision.

That Annex was amended for the first time by Commission Decision No 1285/84/ECSC (3). Further amendments should be made in the light of the additional experience gained in the application of Decision No 3717/83/ECSC.

As a result of comparisons undertaken between the nomenclature used in the NIMEXE codes and that used in the quota system, it is apparent that a table of equivalence should be introduced which will in future permit the drawing up of the statistics required by Article 9 of Decision No 3717/83/ECSC on the basis of a regrouping of products according to the product categories under the quota system.

For the above reasons it is desirable to republish Annexes I, III and IV in their entirety together with all amendments made since the publication of Decision No 3717/83/ECSC,

HAS ADOPTED THIS DECISION :

Article 1

Annexes I, III and IV to Decision No 3717/83/ECSC are hereby replaced by Annexes A, B and C to this Decision.

Article 2

This Decision shall enter into force on 1 April 1985.

This Decision shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 March 1985.
