COMMISSION DECISION No 1826/83/ECSC

of 1 July 1983

amending Decision No 3483/82/ECSC concerning the requirement for Community undertakings to declare the quantities of certain steel products delivered

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Article 47 thereof,

Whereas Article 1 of Commission Decision No 3483/82/ECSC (1) provides that, with effect from January 1983, undertakings shall send the Commission each month a breakdown of the deliveries which they make to the Member States of the Community;

Whereas Article 2 provides that these monthly declarations shall be modelled on the forms set out in Annexes I and II to the Decision;

Whereas the staistics available do not make it possible to quantify trade high-alloy steel products, in particular wire rod and merchant bars;

Whereas the requirement to submit dclarations laid down in Articles 1 and 5 of Decision No 3483/82/ECSC should therefore be extended to include high-alloy wire rod and merchant bars,

HAS ADOPTED THIS DECISION:
