C/2024/6669

5.11.2024

**DAVEK NA DODANO VREDNOST (DDV)**

**INVESTICIJSKO ZLATO, OPROŠČENO PLAČILA**

# Seznam zlatih kovancev, ki ustrezajo merilom iz člena 344(1), točka 2, Direktive Sveta 2006/112/ES z dne 28. novembra 2006 (posebna ureditev za investicijsko zlato)

**Velja za leto 2025**

(C/2024/6669)

POJASNJEVALNA OPOMBA

(a) Ta seznam odraža prispevke, ki so jih države članice poslale Komisiji v roku, določenem v členu 345 Direktive Sveta 2006/112/ES z dne 28. novembra 2006 o skupnem sistemu davka na dodano vrednost ([1]).

(b) Za kovance, vključene na ta seznam, se šteje, da izpolnjujejo merila iz člena 344 in se zato v navedenih državah članicah štejejo za investicijsko zlato. Posledično je njihova dobava oproščena plačila DDV za celotno koledarsko leto 2025.

(c) Oprostitev velja za vse izdaje določenega kovanca na tem seznamu, razen za izdaje kovancev, katerih čistost je manjša od 900 tisočink.

(d) Tudi če kovanca na tem seznamu ni, je njegova dobava še vedno oproščena plačila, če kovanec izpolnjuje merila za oprostitev, določena v Direktivi o DDV.

(e) Seznam je sestavljen po abecednem vrstnem redu, po imenih držav in apoenih. Znotraj iste kategorije so kovanci razporejeni glede na naraščajočo vrednost valute.

(f) Apoen na seznamu odraža valuto, prikazano na kovancih. Kadar valuta na kovancih ni prikazana v latinici, je njihov apoen, kadar je mogoče, na seznamu prikazan v oklepajih.
