## A. **INTRODUCTION AND LEGAL FRAMEWORK**

1. Under Article 10(4) of the Treaty on European Union, 'political parties at European level contribute to forming European political awareness and to expressing the will of citizens of the Union'.

2. In accordance with Article 224 of the Treaty on the Functioning of the European Union, the European Parliament and the Council lay down the regulations governing political parties at European level and in particular the rules regarding their funding. These rules are laid down in Regulation (EU, Euratom) No 1141/2014 of the European Parliament and of the Council of 22 October 2014 on the statute and funding of European political parties and European political foundations ([1]), as subsequently amended.

3. Pursuant to Article 2(4) of Regulation (EU, Euratom) No 1141/2014, a European political foundation is 'an entity which is formally affiliated with a European political party, which is registered with the Authority in accordance with the conditions and procedures laid down in this Regulation, and which through its activities, within the aims and fundamental values pursued by the Union, underpins and complements the objectives of the European political party'.

4. Pursuant to Article 17(2) of Regulation (EU, Euratom) No 1141/2014, a European political foundation which is affiliated with a European political party eligible to apply for funding under Article 17(1) of the regulation, which is registered in accordance with the conditions and procedures laid down in the regulation, and which is not in one of the situations of exclusion referred to in Article 136(1) of the Financial Regulation may apply for funding from the general budget of the European Union, in accordance with the terms and conditions published by the Authorising Officer of the European Parliament in a call for proposals.

5. Hence, the European Parliament is launching this call for proposals with a view to awarding grants to European political foundations ('call').

6. The basic legal framework is defined in the following legal acts:

   a) Regulation (EU, Euratom) No 1141/2014;

   b) Decision of the Bureau of the European Parliament of 1 July 2019, laying down the procedures for implementing Regulation (EU, Euratom) No 1141/2014 of the European Parliament and of the Council on the statute and funding of European political parties and European political foundations ([2]) ('Bureau Decision of 1 July 2019');

   c) Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012 ([3]) ('Financial Regulation');

   d) Commission Delegated Regulation (EU, Euratom) 2015/2401 of 2 October 2015 on the content and functioning of the Register of European political parties and foundations ([4]);

   e) Commission Implementing Regulation (EU) 2015/2246 of 3 December 2015 on detailed provisions for the registration number system applicable to the register of European political parties and European political foundations and information provided by standard extracts from the register ([5]);

([1]) OJ L 317, 4.11.2014, p. 1. Two amendments were published in OJ L 114 I, 4.5.2018, p. 1, and in OJ L 85 I, 27.3.2019, p. 7.

f) European Parliament's Rules of Procedure ([6]).

The European Commission has presented on 25 November 2021 a proposal ([7]) (recast) for a regulation to replace Regulation (EU, Euratom) No 1141/2014 and a proposal ([8]) for a regulation on the transparency and targeting of political advertising. The adoption date of these acts by the Council and the European Parliament is unknown. However, the entry into force of any new regulation may require a technical corrigendum to this call.

## B. **OBJECTIVE OF THE CALL**

7. The objective of this call is to invite registered European political foundations to submit applications for funding from the Union budget ('funding applications') and to determine the nature of eligible costs in application of article 25(1) of Regulation No 1141/2014 and article 205(2) of the Financial Regulation.
