Prior notification of a concentration

(Case M.9645 — Platinum Equity Group/Cision)

Candidate case for simplified procedure

(Text with EEA relevance)

(2019/C 409/10)

1. On 28 November 2019, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ([1]).

This notification concerns the following undertakings:

— Platinum Equity LLC (Platinum Equity Group, United States),

— Cision Ltd (Cision, United States).

Platinum Equity Group acquires within the meaning of Article 3(1)(b) of the Merger Regulation sole control of the whole of Cision.

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned are:

— for Platinum Equity Group: group of entities controlled by Platinum Equity LLC specialised in the merger, acquisition and operation of companies that provide services and solutions to customers in a broad range of businesses, including information technology, telecommunications, logistics, metal services, manufacturing and distribution, at global level.

— for Cision: supplier of public relations workflow software, media distribution, media intelligence and related products and services to public relations and marketing communications professionals, at global level.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under the Council Regulation (EC) No 139/2004 ([2]) it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:
