COMMISSION REGULATION (EEC) No 267/87

of 28 January 1987

fixing the export refunds on poultrymeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 2777/75 of 29 October 1975 on the common organization of the market in poultrymeat (1), as last amended by Regulation (EEC) No 1475/86 (2), and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 9 of Regulation (EEC) No 2777/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 2779/75 of 29 October 1975 (3), lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas it follows from applying these rules and criteria to the present situation on the market in poultrymeat that the refund should be fixed at an amount which would permit Community participation in world trade and would also take account of the nature of these exports and their importance at the present time;

Whereas if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 (4),

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent and the aforesaid coefficient;

Whereas Commission Regulation (EEC) No 634/86 of 28 February 1986 laying down specific rules on export refunds in the poultrymeat sector following the accession of Portugal and amending Regulation (EEC) No 189/86 (5) established the principle that no Community refund should be granted on poultrymeat products originating in Portugal;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultry meat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

1. The list of products for which, when they are exported, the export refund referred to in Article 9 of Regulation (EEC) No 2777/75 is granted, and the amount of that refund shall be as shown in the Annex herero.

2. The refund referred to in paragraph 1 shall not be granted in respect of exports to Portugal from 1 March 1986.

3. The refund referred to in paragraph 1 shall not be granted in respect of exports of products originating in Portugal.

Article 2

This Regulation shall enter into force on 1 February 1987.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 January 1987.

For the Commission

Frans ANDRIESSEN
