42. Invites the Agencies to develop a comprehensive strategy of communication addressing the need to make available, in the appropriate form, the results of their work to the general public beyond the presentation of such results to the Institutions, Member States' competent services, specialists, partners or specific beneficiaries; calls on the Agencies, in view of the development of such a strategy, to intensify their co-operation and exchange information on best practice aimed at achieving this goal; expects its competent committees to be duly informed by the Agencies, before the next discharge exercise, on the progress made in devising such a strategy in order to ensure the effective and timely monitoring of their activities;

General points addressed to the ECA and the Agencies

43. Welcomes the ECA's initiative to add a table to its specific reports on the Agencies presenting summary information on the competences, governance, resources available and products/output of the particular agency; takes the view that this enhances the clarity and transparency of the work of these Community bodies, while providing a useful basis for comparison, where appropriate, with a view to helping set up the harmonised framework for the Agencies that Parliament has called for;

44. Invites the ECA and the Agencies to strengthen their co-operation in order to enhance the procedures and technical tools to improve the sound management of all the budgetary and finance issues, with the view to establishing a methodology that prepares the ground for a positive budget discharge from the start of the process; expects to be informed regularly of the progress made and the implementation of best practices;

45. Calls on the ECA and the Agencies to enhance transparency in the "procédure contradictoire" prior to the ECA's final report, so as to avoid any contradiction or ambiguity which could jeopardise the credibility of the whole exercise; in this respect, invites the ECA and the Commission to propose a feasible way of updating information on the improvements made and/or the problems found, from the time when the ECA's preparatory report is first discussed until the time of the decision as to whether to grant discharge, in order to offer the most accurate picture of the situation of the Agencies.
