3. Pursuant to Article 22(1) of Regulation (EU, Euratom) 2025/2445, a European political party which is registered in accordance with the conditions and procedures of the Regulation, represented in the European Parliament by at least one of its members and is not in one of the situations of exclusion referred to in Article 138(1) of Regulation (EU, Euratom) 2024/2509 of the European Parliament and of the Council ([2]) ('Financial Regulation'), may apply for funding from the general budget of the European Union, in accordance with the terms and conditions published by the Authorising Officer of the European Parliament in a call for contributions.
