REGULATION (EEC) No 1930/75 OF THE COUNCIL

of 22 July 1975

laying down special provisions applicable to trade in tomato concentrates between the Community as originally constituted and the new Member States

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament (1);

Whereas in normal circumstances the price for tomato concentrates is substantially higher in the Community as originally constituted than on the world market; whereas this difference in prices could harm the competitive position on the markets of the new Member States of producers in the Community as originally constituted;

Whereas the situation is likely to jeopardize the aims of the common agricultural policy as laid down in Article 39 of the Treaty; whereas, to remedy this, special measures must be taken to safeguard the competitive position on the markets of the new Member States of producers in the Community as originally constituted;

Whereas compensatory amounts should therefore be introduced for tomato concentrates, to be granted or levied in trade between the new Member States and the Community as originally constituted or third countries; whereas, however, it will suffice if such compensatory amounts are applied only where a refund is granted pursuant to Article 3a of Council Regulation (EEC) No 865/68 (2) of 28 June 1968 on the common organization of the market in products processed from fruit and vegetables, as last amended by Council Regulation (EEC) No 1420/75 (3);

Whereas the compensatory amounts should be phased out as the Common Customs Tariff is progressively introduced in the new Member States;

Whereas provision should be made to ensure that the said amounts are accounted for under the arrangements for the financing of the common agricultural policy,

The three reductions shall be such as to reduce the level of the compensatory amounts to 40, 20 and 0 % respectively of the said refunds and shall be made on: 1 July 1976, 1 July 1977 and 1 January 1978.

When each reduction is made, the compensatory amount, based on the level of the export refunds, shall in no case be fixed at a level such as to allow exportation to the new Member States at a price below the special minimum price referred to in Article 2 (3) of Council Regulation (EEC) No 1927/75 (4) of 22 July 1975 concerning the system of trade with third countries in the market in products processed from fruit and vegetables.

1. The compensatory amounts as provided for in Article 1, which are levied or granted in trade between the Member States, shall be regarded for the purposes of the financing of the common agricultural policy as intervention intended to stabilize agricultural markets.

2. Such detailed rules as may be necessary for the application of this Article shall be adopted in accordance with the procedure laid down in Article 13 of Council Regulation (EEC) No 729/70 [1].

Article 8

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*
