Dear Sir or Madam,

(1) On 15 April 2026, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation, by which the undertakings Hon Hai Precision Industry Co., Ltd. ('Foxconn', Taiwan), and Mitsubishi Fuso Truck and Bus Corporation ('MFTBC', Japan), controlled by Japanese Archion Corporation ('Archion', Japan), will acquire within the meaning of Article 3(1)(b) and 3(4) of the Merger Regulation joint control over the whole of the undertaking Mitsubishi Fuso Bus Manufacturing Co., Ltd. ('MFBM', Japan), currently solely controlled by MFTBC, by way of purchase of shares. ([3])

([1]) OJ L 24, 29.1.2004, p. 1 (the 'Merger Regulation'). With effect from 1 December 2009, the Treaty on the Functioning of the European Union ('TFEU') has introduced certain changes, such as the replacement of 'Community' by 'Union' and 'common market' by 'internal market'. The terminology of the TFEU will be used throughout this decision.
([2]) OJ L 1, 3.1.1994, p. 3 (the 'EEA Agreement').

(2) The business activities of the undertakings concerned are the following:

– Foxconn is a global electronics manufacturer and leading technological solutions provider,

– MFTBC is a manufacturer and wholesale supplier of light- to heavy-duty trucks and buses under the Fuso and Rizon brands.

(3) MFBM will develop, manufacture and supply MFTBC's heavy and light buses.

(4) After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(a) of the Commission Notice on a simplified treatment for certain concentrations under Council Regulation (EC) No 139/2004. ([4])

(5) For the reasons set out in the Notice on a simplified treatment, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.

For the Commission
