Proposal for a Council Decision

on the position to be taken on behalf of the European Union in the Partnership Council regarding modifications to Annex 3 to the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part

ANNEX

DECISION No xx/202x

OF THE PARTNERSHIP COUNCIL

modifying Annex 3 of the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part (Product Specific Rules of Origin)

THE PARTNERSHIP COUNCIL,

Having regard to the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part, and in particular Article 7(4)(c) and Article 68 thereof,

Whereas:

(1) Pursuant to Articles 7 and 68 of the Trade and Cooperation Agreement between the European Union and the European Atomic Energy Community, of the one part, and the United Kingdom of Great Britain and Northern Ireland, of the other part, the Partnership Council may amend Chapter 2 "Rules of origin" of Title I "Trade in Goods" of Part 2 "Trade, transport, fisheries and other arrangements", and its annexes such as Annex 3, which concerns the Product Specific Rules of Origin indicating the working or processing required to be carried out on non-originating materials in order that the product manufactured can obtain originating status.

(2) The current Annex 3 to the Agreement contain description of HS chapters, headings or sub-headings and product-specific rules of origin that reflect the Harmonised System ('HS') 2017.

(3) Amendments were introduced on 1 January 2022 into the Nomenclature governed by the International Convention on the Harmonized Commodity Description and Coding System ('HS'). The Parties to the Agreement have therefore agreed upon updating Annex 3 to reflect the HS 2022.

(4) Annex 3 to the Agreement shall be modified to reflect changes in the wording of the HS 2022 chapters, headings or sub-headings.

(5) For those chapters of the HS, which now include products from other chapters or headings because of the changes to the HS, the product specific rules of origin were in principle subject to modification to keep the rules unchanged for the products moving to these HS headings. In reality, this was only needed in a few instances (in particular concerning headings 24.03, 24.04, 38.27, 84.79 and 85.24).

(6) In its Decision 1/2023, the Partnership Council provided that Annex 3 of the TCA shall not be amended for products listed in Annex 5 TCA, except when the amendment is due to updates of the Harmonized System. This Decision is therefore compliant with Decision 1/2023 of the Partnership Council.

(7) For the sake of better readability the Section and Chapter headings should appear in bold.

(8) Annex 3 to the Agreement should therefore be modified. Those modifications do not constitute substantive changes to the negotiated rules of origin.

HAS ADOPTED THIS DECISION:

Article 1

Annex 3 to the Trade and Cooperation Agreement containing the Product Specific Rules of Origin is hereby replaced by Annex 3 set out in Annex 1 to this Decision.

Article 2

This Decision shall enter into force 60 days after the date of its adoption.
