Prior notification of a concentration

(Case M.9798 – BorgWarner/Delphi Technologies)

(Text with EEA relevance)

(2020/C 291/06)

1. On 26 August 2020, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 [1].

This notification concerns the following undertakings:

— BorgWarner Inc. ('BorgWarner', USA),

— Delphi Technologies PLC ('Delphi', GBR).

BorgWarner acquires within the meaning of Article 3(1)(b) of the Merger Regulation sole control of the whole of Delphi.

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned are:

— for BorgWarner: the production of products that help improve vehicle performance, propulsion efficiency, stability and air quality. BorgWarner operates through two business segments: engine and drivetrain,

— for Delphi: the development, design and manufacture of vehicle propulsion systems that optimise engine performance, increase vehicle efficiency, reduce emissions, improve driving performance, and support increasing electrification of vehicles. Delphi's business operates in four segments: fuel injection systems, powertrain products, electrification & electronics, and aftermarket.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:

M.9798 – BorgWarner/Delphi Technologies

Observations can be sent to the Commission by email, by fax, or by post. Please use the contact details below:
