The persons, groups and entities concerned may submit a request to obtain the Council's statement of reasons for including or maintaining them on the above-mentioned list (unless the statement of reasons has already been communicated to them). The persons, groups and entities concerned may at any time submit a request to the Council, together with any supporting documentation, that the decision to include and maintain them on the list should be reconsidered, to the address provided above. Such requests will be considered when they are received. In this regard, the attention of the persons, groups and entities concerned is drawn to the regular review by the Council of the list according to Article 1(6) of Common Position 2001/931/CFSP. In order for requests to be considered at the next review, they should be submitted by 20 March 2025.
