Prior notification of a concentration

(Case M.9585 – Outotec/Metso (Minerals Business))

(Text with EEA relevance)

(2020/C 123/15)

1. On 2 April 2020, the Commission received notification of a proposed concentration pursuant to Article 4 and following a referral pursuant to Article 4(5) of Council Regulation (EC) No 139/2004 ([1]).

This notification concerns the following undertakings:

— Outotec Oyj ('Outotec', Finland),

— Minerals business of Metso Oyj ('Metso', Finland).

Outotec acquires within the meaning of Article 3(1)(b) of the Merger Regulation sole control of part of Metso. The concentration is accomplished by way of purchase of assets.

2. The business activities of the undertakings concerned are:

— for Outotec: minerals processing, metals, energy and water, and services,

— for Metso: mining, aggregates and recycling.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:
