Place of work	Brussels, Justus Lipsius Building
Title of post	Director
Function group and grade	AD 14

DEADLINE FOR APPLICATIONS	**5 September 2025** – 12:00 (noon) Brussels time

We are

The General Secretariat of the Council (GSC) assists the European Council and the Council of the EU and their preparatory bodies in all fields of their activities. Under the authority of the Secretary-General, it provides advice and support to the European Council and the Council and to their Presidents in all areas of activity, including policy and legal advice, coordination with other institutions, drawing up of compromises and drafting, supervising as well as attending to all the practicalities that are necessary for the smooth preparation and running of the European Council and the Council.

The Directorate-General for Organisational Development and Services (DG ORG) is responsible for the overall strategic management of organisational development and services in the GSC. The Directorate-General currently consists of five Directorates (Human Resources, Protocol and Meetings, Buildings and Logistics, Finance, and Safety and Security).

The Directorate 'Buildings and Logistics' (ORG.3) is responsible for providing the material infrastructures (buildings, installations and technical equipment) and logistical services (fitting out, maintenance, removals, transportation) which enable the European Council, the Council, its preparatory bodies and the GSC to carry out their functions in all situations and circumstances, including in extraordinary situations of emergency and crisis. ORG.3 is responsible for an annual budget of approximately EUR 45 million as well as an important number of service contracts and must ensure the purchase of goods and services according to set procedures. In addition, a major renovation project of the GSC campus is under preparation.

The Directorate is currently made up of three Units dealing respectively with Buildings (buildings policy and environmental management, technical management and engineering, and operations and general maintenance), Logistics (equipment and operations, transport services) and Finances (budget implementation and public procurement contracts), plus a General support and procurement Sector attached to the Director.

We propose

The post of Director of ORG.3 is a challenging position in a politically interesting and fast-moving environment, leading a team of over 150 staff members supported by a large number of external contractors in highly varied areas. You will be responsible for the operational, strategic and financial aspects of planning and implementing all the activities of the Directorate.

Under the authority of the Director-General you will manage and coordinate your Directorate and its resources in a professional manner, organise its activities and support and motivate staff in their work. You will ensure the quality of the services and products delivered by the Directorate, as well as effective communication and cooperation within the Directorate, across the Directorate-General and with other GSC services.

You will provide advice to the President of the European Council and to the Council, Coreper and other preparatory bodies and their Presidency, and to the Secretary-General on all aspects of dossiers falling within the Directorate's remit. You will take part in meetings and, where appropriate, briefings and/or negotiations with a view to reaching compromises and finding solutions. In this context, you will assist the Presidency in negotiations and ensure effective communication and cooperation with EU institutions, agencies and other bodies in the areas within the Directorate's remit.

You will define the objectives to be met and contribute to meeting them by establishing the Directorate's work programme and ensuring the appropriate monitoring of its implementation.

You will be able to plan and organise work in a flexible manner, subject to working hours and to the schedule of meetings in the Directorate's field of activity. You and your staff will be able to benefit from the GSC's working arrangements, including teleworking.

Occasional missions abroad, are required, usually within the EU (e.g. Luxembourg or Strasbourg).

We look for

We are looking for a manager with the ability to lead and motivate a large multi-skilled team and who has knowledge and experience in areas within the Directorate's remit and is familiar with the role and functioning of the European Council and Council. Strong stakeholder management skills are essential.

Knowledge and experience in the field of buildings and offices management would be an advantage. Although it is not essential to have an understanding of the budgetary and/or financial rules and procedures in the EU Institutions as well as of the principles governing the awarding and management of contracts in the EU public sector, the jobholder will be expected to develop understanding in that area.

A sound understanding of the environmental challenges would be an asset.

All GSC managers are expected to advise their hierarchy and stakeholders, to manage their staff and financial resources, and to represent the GSC. These expectations are set out in the GSC horizontal manager's profile ([1]).

Furthermore, the jobholder will need to possess:

— the ability to think and plan strategically, to anticipate and identify potential problems and to propose workable compromises and solutions,

— leadership and the ability to promote a strong team spirit and to guide, motivate and empower staff in a multicultural and diverse environment, with a strong emphasis on staff development,

— a sense of diplomacy, knowing when to be flexible and when to be firm and maintaining attention to detail without losing sight of the overall picture,

— the ability to promote and maintain good working relationships with a range of internal and external interlocutors,

— the ability to reach common agreements and goals by providing targeted advice to stakeholders and by effectively and constructively facilitating discussions,

— the ability to organise the overall work of the Directorate so as to meet critical deadlines and ensure a fair distribution of workload within the team as well as succession planning,

— the ability to manage change and support staff through change,

— excellent communication skills, including interpersonal communication skills.

Given that the GSC has a policy of mobility for its managers, who are expected to have broad experience, candidates should be willing and able to work in different areas of activity during their career at the GSC.

Applicants must meet the following requirements on the closing date for applications:

(a) **General conditions**

— be nationals of one of the Member States of the European Union,

SELECTION PROCEDURE

— In choosing the successful candidates the Appointing Authority shall be assisted by an advisory selection board. The advisory selection board will be supported by an assessment centre, run by external recruitment consultants. Reports established by the assessment centre for the same type of post will cease to be valid two years after the date on which the relevant exercises took place or upon termination of the framework contract between the GSC and the assessment centre in question – whichever date is the earliest.

— The advisory selection board will initially evaluate and compare the qualifications, experience and motivation of all the applicants, on the basis of their applications. Based on that comparative assessment, the advisory selection board will shortlist those candidates who, in its opinion, are most suitable to be invited to a first interview. As this first selection is based on a comparative assessment of the applications, the fulfilment of the requirements of this vacancy notice does not guarantee an invitation to the first interview. From among the interviewed candidates, the advisory selection board will pre-select candidates to attend the assessment centre, as well as a second interview with the advisory selection board.

The provisional planning for the selection procedure is as follows:

— it is expected that candidates selected for the interviews will be informed by mid-September 2025,

— the first interviews are foreseen to take place in the second half of September 2025,

— the assessment centre is expected to take place in the beginning of October 2025,

— the second round of interviews is foreseen for the first half of October 2025.

NB: The above schedule is purely indicative and can be modified.
