C/2026/5945

9.11.2026

Prior notification of a concentration

(Case M.12588 – IGNIS P2X / ACCIONA DATA CENTERS / ACCIONA DESARROLLOS Y PROYECTOS RENOVABLES / IGNIS DATA EPTA AND ESTRIBO SOLAR)

Candidate case for simplified procedure

(Text with EEA relevance)

(C/2026/5945)

1. On 28 October 2026, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 [1].

This notification concerns the following undertakings:

— IGNIS P2X, S.L. ('IGNIS P2X', Spain), jointly controlled the IGNIS Group ('Ignis', Spain) and KKR & Co. Inc. ('KKR & Co.' and together with its subsidiaries, 'KKR', United States),

— Acciona Data Centers, S.L. ('ADC', Spain), controlled by Acciona, S.A. ('Acciona', Spain) and,

— Acciona Desarrollos y Proyectos Renovables, S.L. ('ADPR', Spain), controlled by Acciona.

IGNIS P2X and Acciona (through ADC and ADPR, respectively) will acquire within the meaning of Article 3(1)(b) of the Merger Regulation joint control of the whole of IGNIS DATA EPTA, S.L.U. ('SPV DC', Spain) and ESTRIBO SOLAR, S.L.U. ('SPV PV', Spain).

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned are the following:

— IGNIS P2X is a Spanish company active in the development of energy intensive industrial projects powered by renewable energy, including data centres and green hydrogen facilities, and is a joint venture indirectly owned by the IGNIS Group and investment funds, vehicles and/or accounts advised and managed by various subsidiaries of KKR,

— ADC is active in the development, construction and operation of data centres, and the future provision of related data centre services,

— ADPR is active in the development, construction and operation of renewable energy projects, including solar farms. wind farms and energy storage facilities.

3. The business activities of the undertakings SPV DC and SPV PV are the development, construction, promotion, commercialisation and operation of a data centre in Segovia, Spain (for SPV DC), and the development, construction and operation of a photovoltaic plant (for SPV PV) which will supply the energy required by SPV DC.

4. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified treatment for certain concentrations under Council Regulation (EC) No 139/2004 on the control of concentrations between undertakings [2] it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

5. The Commission invites interested third parties to submit their possible observations on the proposed concentration to the Commission.
