C/2024/678

22.2.2024

AN CÚIGIÚ TUARASCÁIL BHLIANTÚIL IS FICHE DE RÉIR AIRTEAGAL 8(2) DE CHOMHSHEASAMH 2008/944/CBES ÓN GCOMHAIRLE LENA SAINMHÍNÍTEAR RIALACHA COMHCHOITEANNA LENA RIALAÍTEAR RIALÚ ONNMHAIRITHE TEICNEOLAÍOCHTA MÍLEATA AGUS TREALAIMH MHÍLEATA

(C/2024/678)

RÉAMHRÁ

Cumhdaítear sa tuarascáil seo sonraí ó 2022 maidir le (i) ceadúnais deonaithe agus diúltaithe ó Bhallstáit an Aontais agus (ii) onnmhairiú gnáth-arm ó Bhallstáit an Aontais. Cumhdaítear leis freisin gníomhaíochtaí a bhaineann le cur chun feidhme Chomhsheasamh 2008/944/CBES ón gComhairle ([1]) ([2]), tá faisnéis neamh-uileghabhálach sa tuarascáil maidir le haistrithe táirgí a bhaineann le cosaint laistigh den Aontas a rialaítear le Treoir 2009/43/CE ó Pharlaimint na hEorpa agus ón gComhairle ([3]).

Is é an tSeirbhís Eorpach Gníomhaíochta Seachtraí (SEGS) a thiomsaíonn an tuarascáil, bunaithe ar shonraí a sholáthair Ballstáit an Aontais. Tacaíonn an Mheitheal um Onnmhairiú Gnáth-Arm (COARM) de chuid Mheitheal na Comhairle um Neamhleathadh agus Onnmhairiú Arm le hidirphlé buan i measc na mBallstát maidir leis na comhrialacha lena rialaítear rialú onnmhairithe arm a chur i bhfeidhm go comhleanúnach.

Tá na tríú tíortha seo a leanas tar éis iad féin a ailíniú go hoifigiúil le critéir agus prionsabail Chomhsheasamh 2008/944/CBES: an Albáin, an Bhoisnia agus an Heirseagaivéin, Ceanada, an Mhacadóin Thuaidh, an tSeoirsia, an Íoslainn, Montainéagró agus an Iorua. Tá córas malartaithe faisnéise idir an tAontas agus an Iorua i bhfeidhm ó 2012 i leith.

Chomh maith leis an tuarascáil sin, is féidir sonraí maidir le honnmhairiú arm Bhallstáit an Aontais a cheadú ar líne freisin ([4]). Tá faisnéis sa chóras ar líne maidir le luach, ceann scríbe agus cineál na gceadúnas onnmhairithe arm ó Bhallstáit uile an Aontais, agus maidir le honnmhairí iarbhír ó Bhallstáit an Aontais a thuairiscíonn na sonraí sin. Tairgeann sé léirithe grafacha agus uirlisí éagsúla chun réimse leathan tiomsúcháin anailíseacha a chumadh dóibh siúd go léir a bhfuil suim acu i luach, i dtrealamh míleata agus i gceann scríbe onnmhairithe arm na hEorpa. Cé go ligeann an córas ar líne d'úsáideoirí sonraí a cheadú ar bhealach níos so-úsáidte, is í an tuarascáil in *Iris Oifigiúil an Aontais Eorpaigh* an phríomhfhoinse faisnéise i gcónaí.

I. CUR CHUN FEIDHME CHOMSHEASAMH 2008/944/CBES ('Comhsheasamh')

1. Cruinnithe idirphlé pholaitiúil

Thionóil SEGS cruinnithe idirphlé pholaitiúil leis an Iorua agus leis na Stáit Aontaithe in 2022 maidir le saincheisteanna rialaithe onnmhairí arm. Ba fhóram é an t-idirphlé polaitiúil le haghaidh plé tairbheach ar ábhair chomhleasa, mar shampla beartais onnmhairiúcháin maidir le cinn scríbe sonracha, saincheisteanna comhlíonta agus rialaithe agus an Conradh Trádála Arm. Ina theannta sin, d'fhreastail na Stáit Aontaithe ar chruinniú COARM freisin chun saincheisteanna maidir le rialú ar onnmhairiú arm a phlé le Ballstáit an Aontais.

2. Idirphlé le páirtithe leasmhara: Parlaimint na hEorpa, an tsochaí shibhialta agus an tionsclaíocht

D'fhreagair SEGS ceisteanna parlaiminteacha a thíolaic Feisirí de chuid Pharlaimint na hEorpa maidir le saincheisteanna onnmhairithe arm, agus d'fhreastail sé ar imeachtaí i bParlaimint na hEorpa a bhain le honnmhairiú arm Eorpach ([5]).

([1]) Ceangailteach ó thaobh dlí ar Bhallstáit an Aontais.

([2]) Comhsheasamh 2008/944/CBES ón gComhairle an 8 Nollaig 2008 lena sainmhínítear comhrialacha lena rialaítear rialú onnmhairithe teicneolaíochta míleata agus trealaimh mhíleata (IO L 335, 13.12.2008, lch. 99) arna leasú le Cinneadh (CBES) 2019/1560 ón gComhairle an 16 Meán Fómhair 2019 (IO L 239, 17.9.2019, lch. 16).

([3]) Treoir 2009/43/CE ó Pharlaimint na hEorpa agus ón gComhairle an 6 Bealtaine 2009 lena simplítear téarmaí agus coinníollacha aistrithe táirgí a bhaineann le cosaint laistigh den Chomhphobal (IO L 146, 10.6.2009, lch. 1).

([4]) https://webgate.ec.europa.eu/eeasqap/sense/app/75fd8e6e-68ac-42dd-a078-f616633118bb/sheet/74299ecd-7a90-4b89-a509-92c9b96b86ba/state/analysis

([5]) Sampla d'imeacht mar sin ná éisteacht phoiblí 'An Cogadh san Úcráin: Impleachtaí do Bheartais Onnmhairiúcháin Arm ar leibhéal an Aontais Eorpaigh' a bhí ag an bhFochoiste um Shlándáil agus um Chosaint (SEDE) an 29 Samhain 2022. Tá taifead ar fáil ag: https://multimedia.europarl.europa.eu/ga/webstreaming/subcommittee-on-security-and-defence_20221129-1500-COMMITTEE-SEDE.

I gcomhréir leis an gcleachtas roimhe seo, eagraíodh cruinnithe de chuid COARM go rialta le heintitis sheachtracha, lena n-áirítear oifigí na Náisiún Aontaithe (UNODC), eagraíochtaí neamhrialtasacha (mar shampla ICRC, Saferworld) agus cuideachtaí (Taighde Armála Coinbhleachta).

Reáchtáladh fóram COARM-NGO an 16 Meitheamh 2022, arna eagrú ag Saferworld agus arna chomhóstáil ag SEGS. Thug COARM cuireadh freisin d'ionadaithe ó thionscal cosanta na hEorpa chuig a chruinnithe, agus bhí díospóireachtaí aige le rannpháirtíocht meithleacha machnaimh a bhíonn ag obair ar ábhair a bhaineann le trádáil arm (Cuibhreannas AE maidir le Neamhleathadh agus Dí-armáil).

3. **For-rochtain**

In Airteagal 11 den Chomhsheasamh, iarrtar ar na Ballstáit 'a ndícheall a dhéanamh chun Stáit eile a onnmhairíonn teicneolaíocht mhíleata nó trealamh míleata a spreagadh chun critéir an Chomhsheasaimh a chur i bhfeidhm.' Rinneadh rialuithe éifeachtacha náisiúnta ar onnmhairiú arm agus prionsabail agus critéir an Chomhsheasaimh a chur chun cinn i dtríú tíortha roghnaithe trí chur chun feidhme Chinneadh (CBES) 2020/1464 ón gComhairle ([6]) (arna leasú le Cinneadh (CBES) 2022/848 ón gComhairle ([7])), arna chur chun feidhme ag Oifig Chónaidhme na Gearmáine um Ghnóthaí Eacnamaíocha agus Rialú Onnmhairiúcháin (BAFA).

Leanadh d'iarrachtaí for-rochtana an Aontais atá dírithe ar thríú tíortha freisin maidir le huiliú agus cur chun feidhme an Chonartha Trádála Arm, le gníomhaíochtaí arna ndéanamh ag BAFA agus Expertise France faoi Chinneadh (CBES) 2021/2309 ón gComhairle ([8]), agus ag Rúnaíocht an Chonartha Trádála Arm faoi Chinneadh (CBES) 2021/649 ón gComhairle ([9]). Tá tuilleadh sonraí le fáil thíos agus in Iarscríbhinn D.

4. **Athbhreithniú ar Chomhsheasamh 2008/944/CBES ('Comhsheasamh')**

In 2022, lean COARM dá chuid oibre maidir le cur chun feidhme na spriocanna insoláthartha a áirítear sna Conclúidí ón gComhairle ([10]) maidir le hathbhreithniú 2019 ar an gComhsheasamh. In earrach 2022, sheol SEGS bunachar sonraí inmheánach ina bhfuil leathanaigh tíre ina bhfuil faisnéis ábhartha foinse oscailte maidir le cinn scríbe a d'fhéadfadh a bheith ag trealamh míleata na hEorpa.

Is ag oifigigh cheadúnúcháin ó Bhallstáit an Aontais agus ag SEGS amháin atá rochtain ar an mbunachar sonraí. Tá tuilleadh cóineasaithe i gceist leis agus an Comhsheasamh á chur i bhfeidhm ag na Ballstáit. I bhfómhar 2022, tháinig na Ballstáit ar chomhaontú maidir le páipéar inmheánach dea-chleachtais ina bhfuil gnéithe chun córas náisiúnta a fhorbairt maidir le honnmhairí iarbhír a thuairisciú.

I mír 14 de na Conclúidí uaithi, cuireann an Chomhairle de chúram ar COARM athmheasúnú a dhéanamh ar chur chun feidhme an Chomhsheasaimh laistigh de 5 bliana (2024). Cuireadh tús leis an bpróiseas athbhreithnithe in 2022, agus cuireadh trí fhócasghrúpa d'ionadaithe ó na Ballstáit ar bun. Bhí rannpháirtíocht na mBallstát sna grúpaí sin deonach. Phléigh na grúpaí leis na nithe seo a leanas: (i) trealamh míleata arna tháirgeadh go comhpháirteach (ii) tuilleadh comhchuibhithe agus (iii) forfheidhmiú. Táthar ag súil go dtabharfar an t-athbhreithniú chun críche i bhfómhar 2024.

5. **Fógraí diúltaithe agus comhairliúcháin**

Foráiltear leis an gComhsheasamh go bhfógrófar diúltú ceadúnas. Foráiltear ann freisin do phróiseas comhairliúcháin nuair atá athbhreithniú á dhéanamh ag Ballstát ar iarratas ar cheadúnas le haghaidh idirbheart arb ionann é go bunúsach agus idirbheart a dhiúltaigh Ballstát eile roimhe sin. Déantar é sin tríd an gcóras COARM ar líne. Léiríodh cheana féin go dtacaíonn an córas leis an trédhearcacht idir na Ballstáit i leith tíortha sonracha is ceann scríbe deiridh agus úsáideoirí deiridh.

Áirítear i ró (d) de na táblaí in Iarscríbhinn A.I líon na ndiúltuithe ar tugadh fógra fúthu – in aghaidh an chinn scríbe agus de réir chatagóir an liosta mhíleata. Tá líon na gcomhairliúchán arna n-eisiúint agus arna bhfáil ag gach Ballstát, agus líon na gcomhairliúchán in aghaidh an chinn scríbe le fáil in Iarscríbhinní B.I agus B.II. Tá cuideachtaí cosanta sna Ballstáit ar an eolas go ginearálta faoi na srianta ar bheartais onnmhairithe arm, agus de ghnáth staonfaidh siad ó iarratas a dhéanamh ar cheadúnas más eol dóibh gur dócha go ndiúltófar dó.

([6]) Cinneadh (CBES) 2020/1464 ón gComhairle an 12 Deireadh Fómhair 2020 maidir le rialuithe éifeachtacha ar onnmhairiú arm a chur chun cinn (IO L 335, 13.10.2020, lch. 3).

([7]) Cinneadh (CBES) 2022/848 ón gComhairle an 30 Bealtaine 2022 lena leasaítear Cinneadh (CBES) 2020/1464 maidir le rialuithe éifeachtacha ar onnmhairiú arm a chur chun cinn (IO L 148, 31/5/2022, lch. 50).

([8]) Cinneadh (CBES) 2021/2309 ón gComhairle an 22 Nollaig 2021 maidir le gníomhaíochtaí for-rochtana an Aontais mar thaca le cur chun feidhme an Chonartha Trádála Arm (IO L 461, 27.12.2021, lch. 78).

([9]) Cinneadh (CBES) 2021/649 ón gComhairle an 16 Aibreán 2021 maidir le tacaíocht ón Aontas do ghníomhaíochtaí Rúnaíocht CTA mar thaca le cur chun feidhme an Chonartha Trádála Arm *(IO L 133, 20.4.2021, lch. 59)*.

([10]) https://data.consilium.europa.eu/doc/document/ST-12195-2019-INIT/ga/pdf

Dá bhrí sin, ní léiríonn líon íseal diúltuithe cé chomh sriantach nó nach bhfuil an beartas onnmhairiúcháin maidir le cinn scríbe sonracha. Ar an taobh eile, is toirmisc ghinearálta iad trádbhaic arm arna bhforchur ag an Aontas ([11]) chun ceadúnais a dheonú maidir leis na cinn scríbe sin.

6. **Treoirleabhar d'Úsáideoirí**

Is príomhionstraim é an Treoirleabhar d'Úsáideoirí ina dtugtar le chéile an treoir chomhaontaithe maidir le cur chun feidhme fhorálacha oibríochtúla an Chomhsheasaimh agus an léiriú ar a chritéir. Tagraítear dó in Airteagal 13 den Chomhsheasamh. Is é COARM a d'fhorbair é agus déantar é a nuashonrú go tréimhsiúil: rinneadh an nuashonrú deireanach mar chuid den athbhreithniú ar an gComhsheasamh (2019). Ní gníomh atá ceangailteach ó thaobh dlí é, ach d'fhormhuinigh an Chomhairle é. Ba dhíol sásaimh don Chomhairle an leasú ar an Treoirleabhar d'Úsáideoirí sna Conclúidí uaithi an 16 Meán Fómhair 2019 ([12]).

Tá sé i gceist gur oifigigh um cheadúnú onnmhairiúcháin (oifigigh cheadúnúcháin agus oifigigh eile i ranna rialtais agus i ngníomhaireachtaí rialtais ábhartha) is mó a úsáidfidh an Treoirleabhar d'Úsáideoirí, rud a chuirfidh go mór le cóineasú bheartais agus nósanna imeachta na mBallstát maidir le rialú ar onnmhairiú arm ar bhealach pragmatach. D'fhonn tacú le hoibríochtú chritéir an Chomhsheasaimh, cuirtear i láthair sa Treoirleabhar dea-chleachtais arna bhforbairt ag COARM, ag tógáil ar dhea-chleachtais náisiúnta agus ionchur ó pháirtithe leasmhara ábhartha eile á chur san áireamh, lena n-áirítear an tsochaí shibhialta. Is é is cuspóir dóibh comhsheasmhacht níos fearr a bhaint amach i measc na mBallstát agus critéir an Chomhsheasaimh á gcur i bhfeidhm. Baintear é sin amach, mar shampla, trí thosca a shainaithint ar gá iad a chur san áireamh agus iarratais ar cheadúnais onnmhairiúcháin á measúnú. Tá saineolas na n-oifigeach sin maidir le hábhair a chumhdaíonn saincheisteanna réigiúnacha, dlíthiúla, breithiúnacha, teicniúla, forbartha, slándála agus míleata mar bhonn eolais don phróiseas cinnteoireachta.

Is doiciméad poiblí é an Treoirleabhar atá ar fáil ar shuíomh gréasáin na Seirbhíse Eorpaí Gníomhaíochta Seachtraí ([13]). Is é is aidhm d'fhoilsiú na tuarascála trédhearcacht agus tuiscint a chothú maidir le cúiseanna agus tosca is bun le cinntí ceadúnúcháin iarbhír nó féideartha na mBallstát, cé go bhféadfadh sé nach mbeadh na cinntí féin faoi réir grinnscrúdú seachtrach.

7. **Liosta Comhchoiteann Míleata an Aontais Eorpaigh**

Áirítear ar Liosta Comhchoiteann Míleata an Aontais Eorpaigh (CML) na míreanna míleata a dteastaíonn ceadúnais onnmhairiúcháin ó na Ballstáit ina leith, i gcomhréir le hAirteagal 12 den Chomhsheasamh. Is ionann é agus liosta na dtáirgí a bhaineann le cosaint atá i gceangal le Treoir 2009/43/CE ([14]). Cuirtear san áireamh i Liosta Comhchoiteann Míleata an Aontais Eorpaigh na hathruithe ar Liosta Muinisin Chomhshocraíocht Wassenaar a comhaontaíodh ag cruinnithe iomlánacha na Comhshocraíochta. Foilsíodh an liosta comhchoiteann míleata is déanaí de chuid an Aontais atá in úsáid ó foilsíodh é in *Iris Oifigiúil an Aontais Eorpaigh* an 1 Márta 2022 ([15]), tar éis athruithe air a comhaontaíodh ag an gcruinniú iomlánach an 29 Samhain go dtí an 3 Nollaig 2021 ([16]).

8. **Bróicéireacht arm**

I gcomhréir le hAirteagal 5 de Chomhsheasamh 2003/468/CBES ón gComhairle ([17]), tá socruithe ar leith curtha i bhfeidhm ag na Ballstáit chun faisnéis a mhalartú maidir le ceadúnais bhróicéireachta arna ndeonú agus arna ndiúltú. Thairis sin, na Ballstáit sin a cheanglaíonn ar bhróicéirí údarú i scríbhinn a fháil chun gníomhú mar bhróicéirí agus/nó a bhfuil clár bróicéirí arm bunaithe acu, tá socruithe ar leith curtha i bhfeidhm acu chun faisnéis ábhartha ar bhróicéirí cláraithe a mhalartú. Is féidir faisnéis faoi cheadúnais bhróicéireachta a fháil in Iarscríbhinn A.III.

Tugtar faisnéis mhionsonraithe maidir le cur chun feidhme náisiúnta Chomhsheasamh 2003/468/CBES in Iarscríbhinn C.

([17]) Comhsheasamh 2003/468/CBES ón gComhairle an 23 Meitheamh 2003 maidir le rialú ar bhróicéireacht arm a chur chun cinn (IO L 156, 25.6.2003, lch. 79).

II. **AN CONRADH TRÁDÁLA ARM (CTA)**

1. **Rannpháirtíocht in CTA: Comhdháil na Stát is Páirtithe**

Mar a tharla le Comhdhálacha Stát is Páirtithe a bhí ann roimhe seo, bhí páirt ghníomhach ag an Aontas agus a Bhallstáit sa timthriall ullmhúcháin ar fad agus san ochtú Comhdháil de na Stáit is Páirtithe (an 22 go dtí an 26 Lúnasa 2022) inar leagadh béim ar an gcomhar tar éis seachadta, mar théama tosaíochta d'Uachtaránacht na Gearmáine.

Tháinig na Stáit is Páirtithe ar chomhaontú i dtaca le plean struchtúrtha maidir leis an gcaoi chun moltaí treoracha maidir le comhar tar éis loingsithe a fhorbairt roimh Chomhdháil na Stát is Páirtithe 2023. Leag na Stáit is Páirtithe béim ar thoilteanas na dtíortha uile comhoibriú chun teacht ar thoradh níos substaintiúla maidir le huiliú. Ba dhíol suntais é freisin an plé a bhain le cóimheas na dtuarascálacha náisiúnta a thíolactar a bheith ag laghdú, a chomhfhreagraíonn do líon atá comhréireach go hinbhéartach de thuarascálacha a choinnítear faoi rún, rud a bhaineann an bonn d'infhaighteacht faisnéise agus d'iarrachtaí an trédhearcacht a chur chun cinn. Chuir an Chomhdháil in iúl gur cúis imní di an ráta íseal comhlíontachta leis na hoibleagáidí tuairiscithe agus thathantaigh sí ar na Stáit is Páirtithe a dtuarascálacha a chur isteach nó úsáid a bhaint as na sásraí cúnaimh atá ar fáil, lena n-áirítear tionscadail arna gcistiú ag an Aontas. Ba dhíol sásaimh don Chomhdháil an chéad chruinniú den Fhóram um Malartú Faisnéise maidir le hAtreorú (DIEF) mar chéad deis do Stáit is Páirtithe agus do Stáit Sínithe faisnéis a mhalartú maidir le cásanna nithiúla d'atreorú a bhraitear nó d'atreorú amhrasta agus faisnéis nithiúil oibríochtúil a bhaineann le hatreorú a chomhroinnt. Tháinig an Chomhdháil ar chomhaontú maidir le plean soiléir don chéad timthriall eile a bheidh faoi stiúir Phoblacht na Cóiré, a bhfuil dearbhú tugtha aici go mbeidh an Uachtaránacht ag díriú ar ról na tionsclaíochta in aistrithe gnáth-arm idirnáisiúnta freagracha.

Lena rannpháirtíocht ghníomhach san ochtú Comhdháil de na Stáit is Páirtithe (cúig ráiteas ón Aontas agus ceithre imeacht eile) ([18]) tá a thacaíocht sheanbhunaithe do chur chun feidhme éifeachtach an Chonartha Trádála Arm agus d'iarrachtaí éifeachtacha maidir le huiliú á hathdhearbhú ag an Aontas Eorpach. Bhí an tAontas aontaithe agus infheicthe le linn na Comhdhála agus, i mbliana, ghabh 20 tír ar a laghad agus Rúnaíocht CTA buíochas leis an Aontas as a thacaíocht leanúnach atá á cur chun feidhme le sraith de chinntí tiomnaithe ón gComhairle.

2. **Clár Tacaíochta Cur Chun Feidhme CTA AE faoi Chinneadh (CBES) 2021/814 ón gComhairle, agus Cinneadh (CBES) 2021/2309 ón gComhairle**

Sa bhreis ar a theacht i bhfeidhm i mí na Nollag 2014 agus le 113 Stát is Páirtí ann go dtí seo ([19]), tá dúshláin fós ann don Chonradh Trádála Arm maidir lena uiliú agus lena chur chun feidhme éifeachtach ag Stáit is Páirtithe.

Chun cuidiú le haghaidh a thabhairt ar na dúshláin sin, ghlac an tAontas clár tacaíochta cur chun feidhme do thríú tíortha ([20]). Tá an clár seo á chur chun feidhme ag Oifig Cónaidhme na Gearmáine um Ghnóthaí Eacnamaíocha agus Rialú ar Onnmhairiú (BAFA) agus Expertise France. Déantar foráil ann do chúnamh do thríú tíortha, arna iarraidh sin dóibh, chun a gcórais aistrithe arm a neartú i gcomhréir le ceanglais an Chonartha. Tá sonraí na ngníomhaíochtaí ar fáil in Iarscríbhinn D.

3. **Tacaíocht do Rúnaíocht CTA**

Le glacadh Chinneadh (CBES) 2021/649, chomhaontaigh an Chomhairle tacú le Rúnaíocht an Chonartha Trádála Arm ina cuid gníomhaíochtaí atá dírithe ar chur chun feidhme an Chonartha Trádála Arm ([21]). Tá an cinneadh sin i gcomhréir le cuspóir beartais ginearálta an Aontais an creat iltaobhach a neartú, lena n-áirítear i réimse an rialaithe ar onnmhairiú arm. Tá sonraí na ngníomhaíochtaí ar fáil in Iarscríbhinn D.

([18]) Tá na mionsonraí le fáil ar shuíomh gréasáin CTA an ochtú Comhdháil de na Stáit is Páirtithe: https://thearmstradetreaty.org/csp-8.html?templateId=1662140

([19]) Lúnasa 2023.

([20]) Cinneadh (CBES) 2021/814 ón gComhairle an 20 Bealtaine 2021 lena leasaítear Cinneadh (CBES) 2017/915 maidir le gníomhaíochtaí for-rochtana de chuid an Aontais lena dtacaítear le cur chun feidhme an Chonartha Trádála Arm (IO L 180, 21.5.2021, lgh. 151) agus Cinneadh (CBES) 2021/2309 ón gComhairle an 22 Nollaig 2021 maidir le gníomhaíochtaí for-rochtana de chuid an Aontais lena dtacaítear le cur chun feidhme an Chonartha Trádála Arm (IO L 461, 27.12.2021, lgh. 78).

([21]) Cinneadh (CBES) 2021/649 ón gComhairle an 16 Aibreán 2021 maidir le tacaíocht ón Aontas do ghníomhaíochtaí Rúnaíocht CTA mar thaca le cur chun feidhme an Chonartha Trádála Arm *(IO L 133, 20.4.2021, lch. 59)*.

III. **TREOIRLÍNTE TOSAÍOCHTA LE hAGHAIDH COARM DON TRÉIMHSE GO LUATH AMACH ANSEO**

In 2023, déanfaidh COARM, *inter alia*, an méid seo a leanas agus sa bhreis ar a chúraimí buana:

1) leanfaidh sé de na hullmhúcháin don athbhreithniú ar Chomhsheasamh 2008/944/CBES ón gComhairle, a chuirfear i gcrích in 2024 i gcomhréir leis na Conclúidí ón gComhairle an 16 Meán Fómhair 2019. I dtimpeallacht chosanta an Aontais atá ag athrú go tapa, tá COARM tiomanta a áirithiú go leanfaidh beartais onnmhairithe arm de bheith ag luí go maith le timpeallacht slándála agus cosanta níos leithne an Aontais agus le cuspóirí Chomhbheartas Eachtrach agus Slándála an Aontais, lena n-áirítear an Comhbheartas Slándála agus Cosanta;

2) leanfaidh sé de ghné an rialaithe onnmhairiúcháin a bhaineann le forbairtí i réimse chosaint an Aontais a mheas – go háirithe an tSaoráid Eorpach Síochána (féach thíos), agus an Ciste Eorpach Cosanta. I bhfianaise chogadh foghach neamhdhleathach na Rúise ar an Úcráin, tabharfar aird chuí freisin ar iarrachtaí ar atreorú arm agus gáinneáil ar airm a chosc, a mhéid a d'fhéadfadh na gníomhaíochtaí sin teacht faoi shainchúram COARM;

3) rannchuidiú go gníomhach leis an bpróiseas ullmhúcháin agus leis an naoú Comhdháil de Stáit is Páirtithe CTA atá beartaithe do mhí Lúnasa 2023, maoirseacht a dhéanamh ar chur chun feidhme cinntí (CBES) ón gComhairle a bhaineann leis an gConradh Trádála Arm agus clársceidealú agus treoir a ghlacadh maidir leis an obair leantach orthu i gcás inarb infheidhme;

leanfaidh COARM de theagmháil ghníomhach a dhéanamh le grúpaí ábhartha eile chun nascadh le réimsí oibre cóngaracha, lena n-áirítear an Mheitheal um Earraí Dé-Úsáide agus an Mheitheal um an Aontas Custaim. Tá na naisc idir COARM agus oifigigh forfheidhmithe cheadúnúcháin náisiúnta a bhíonn ag déileáil le rialú ar onnmhairiú arm á neartú.

IV. **BEARTA CÚNAIMH NA SAORÁIDE EORPAÍ SÍOCHÁNA**

Le formheas an Chinnidh ón gComhairle lena mbunaítear an tSaoráid Eorpach Síochána (SES) an 22 Márta 2021 ([22]), chruthaigh an tAontas sásra láidir atá tiomnaithe do thacú le comhpháirtithe i gcúrsaí míleata agus cosanta. Tá sé sin ag teacht leis an uaillmhian a leagtar amach sa Straitéis Dhomhanda maidir le Beartas Eachtrach agus Slándála an Aontais Eorpaigh agus mar a forbraíodh a thuilleadh sa Chompás Straitéiseach.

Leis an tSaoráid Eorpach Síochána, cumhdaíonn an tAontas na costais chomhchoiteanna a bhaineann le misin agus oibríochtaí míleata CBSC (colún na n-oibríochtaí), agus is féidir leis tacaíocht a chur ar fáil do chomhpháirtithe a chuimsíonn cúnamh míleata, oiliúint, trealamh (lena n-áirítear airm agus armlón) chun feabhas a chur ar a gcumas géarchéimeanna a chosc agus freagairt orthu, sibhialtaigh a chosaint ar bhealach níos fearr agus, ar an gcaoi sin, an tslándáil idirnáisiúnta agus, ar deireadh, slándáil an Aontais a neartú (colún na mbeart cúnaimh). Níl sa tuarascáil seo ach faisnéis faoi Bhearta Cúnaimh ós rud é nach mbaineann colún na n-oibríochtaí le honnmhairí ítimí faoi Liosta Comhchoiteann Míleata an Aontais Eorpaigh.

Bliain an-ghníomhach a bhí in 2022 don tSaoráid Eorpach Síochána. Aistriú paraidíme do bheartas eachtrach agus slándála an Aontais a bhí i slógadh na Saoráide mar fhreagairt ar an bhfogha míleata gan chúis gan údar a thug an Rúis faoin Úcráin. In 2022, ghlac an tAontas sé phacáiste tacaíochta faoin tSaoráid chun trealamh míleata cosanta dar luach EUR 3,1 billiún san iomlán a sheachadadh chuig Fórsaí Armtha na hÚcráine (UAF) . Tá tacaíocht curtha ar fáil ag an Aontas freisin faoin tSaoráid d'fhórsaí armtha na hÚcráine arna gcur faoi oiliúint le Misean Cúnaimh Mhíleata an Aontais Eorpaigh (EUMAM Ukraine).

Ina theannta sin, mhaoinigh an tSaoráid comhpháirteanna míleata d'oibríochtaí tacaíochta síochána faoi stiúir na hAfraice faoi na bearta cúnaimh i bhfoirm clár ginearálta chun tacú leis an Aontas Afracach (AMISOM/ATMIS, MNJTF, SAMIM). Thairis sin, mhaoinigh an tSaoráid roinnt bearta cúnaimh arb é is aidhm dóibh acmhainneachtaí na gcomhpháirtithe maidir le hábhair mhíleata agus chosanta a neartú i gComharsanacht an Oirthir (an tSeoirsia agus an Mholdóiv), sna Balcáin Thiar (an Bhoisnia agus an Heirseagaivéin, Tascfhórsa Leighis na mBalcán), i gComharsanacht an Deiscirt (an Liobáin) agus san Afraic (tacaíocht do Mhósaimbíc, lena n-áirítear trí imscaradh Fhórsa Cosanta Ruanda, an Nígir, an Mháratáin). Tá líon na mbeart cúnaimh agus a miondealú foriomlán ar aon dul le cineál domhanda na hionstraime.

Bhí uasteorainn airgeadais tosaigh EUR 5,692 billiún ag an tSaoráid i bpraghsanna reatha (EUR 5 bhilliún i bpraghsanna 2018) don tréimhse 2021-2027. I mí na Nollag 2022, ba dhíol sásaimh don Chomhairle Eorpach an comhaontú sa Chomhairle chun inbhuanaitheacht airgeadais na Saoráide Eorpaí Síochána a áirithiú, comhaontú lenar tugadh comhartha soiléir polaitiúil go bhfuil an tAontas tiomanta go buan do thacaíocht mhíleata don Úcráin agus do chomhpháirtithe eile araon.

([22]) Cinneadh (CBES) 2021/509 an 22 Márta 2021 ón gComhairle lena mbunaítear Saoráid Eorpach Síochána, agus lena n-aisghairtear Cinneadh (CBES) 2015/528 (IO L 102, 24.3.2021, lch. 14).

Chomhaontaigh an Chomhairle uasteorainn airgeadais fhoriomlán na Saoráide a ardú EUR 2,287 billiún i bpraghsanna reatha (EUR 2 bhilliún i bpraghsanna 2018). Chomhaontaigh sí freisin, i gcás inar gá, go bhféadfaí EUR 3,5 billiún breise a chur leis an uasteorainn go dtí 2027 ([23]).

Leanann na bearta cúnaimh agus na gníomhaíochtaí a formheasadh cur chuige straitéiseach foriomlán an Aontais i leith tír nó réigiún ar leith agus tá siad bunaithe ar mheasúnuithe críochnúla ar riachtanais, chomh maith leis na hanailísí a leagtar amach sa Chinneadh ón gComhairle maidir leis an tSaoráid Eorpach Síochána agus an creat modheolaíochta comhtháite gaolmhar chun na bearta agus na rialuithe riachtanacha le haghaidh bearta cúnaimh faoin tSaoráid Eorpach Síochána a shainaithint agus measúnú a dhéanamh orthu (14209/20, an 18 Nollaig 2020).

([23]) An 13 Márta 2023, ghlac an Chomhairle cinneadh lena ndéantar an chéad bhreisiú a oibríochtú agus uasteorainn airgeadais na Saoráide a mhéadú go EUR 7,979 billiún (i bpraghsanna reatha, nó EUR 7 mbilliún i bpraghsanna 2018) go dtí 2027.

CUR SÍOS GAIRID AR CHATAGÓIRÍ LIOSTA COMHCHOITEANN MÍLEATA AN AONTAIS EORPAIGH ([24])

ML1 Armáin mhínchró ag a bhfuil cailibre is lú ná 20 mm, armáin agus armáin uathoibríocha eile ag a bhfuil cailibre 12,7 mm (cailibre 0,50 orlach) nó níos lú agus gabhálais, agus comhpháirteanna a saindearadh lena n-aghaidh

ML2 Armáin mhínchró ag a bhfuil cailibre 20 mm nó níos mó, armáin nó armáil eile ag a bhfuil cailibre is mó ná 12,7 mm (cailibre 0,50 orlach), teilgeoirí a saindearadh nó a sainmhodhnaíodh le haghaidh úsáid mhíleata agus gabhálais agus comhpháirteanna a saindearadh lena n-aghaidh

ML3 Armlón agus gairis socraithe aidhnín agus comhpháirteanna a saindearadh lena n-aghaidh

ML4 Buamaí, toirpéid, roicéid, diúracáin, gairis agus lánáin phléascacha eile agus trealamh gaolmhar agus gabhálais ghaolmhara, agus comhpháirteanna a saindearadh lena n-aghaidh

ML5 Trealamh rialaithe lámhaigh, trealamh faireachais agus trealamh rabhaidh, agus córais ghaolmhara, trealamh tástála agus ailíniúcháin agus frithbheartach a saindearadh le haghaidh úsáid mhíleata, agus comhpháirteanna agus gabhálais a saindearadh lena n-aghaidh

ML6 Feithiclí talún agus comhpháirteanna

ML7 Oibreáin cheimiceacha, 'oibreáin bhitheolaíocha', 'oibreáin smachtaithe círéibe', ábhair radaighníomhacha, trealamh gaolmhar, comhpháirteanna gaolmhara agus ábhair ghaolmhara

ML8 'Ábhair fuinneamhachais', agus substaintí gaolmhara

ML9 Soithí cogaidh (soithí barr uisce nó soithí faoi uisce), trealamh speisialta cabhlaigh, gabhálais, comhpháirteanna agus soithí eile barr uisce

ML10 'Aerárthaí', 'feithiclí atá níos éadroime ná an t-aer', 'Aerfheithiclí gan Fhoireann' ('UAVanna'), innill aerfheithicle agus trealamh 'aerárthaí', trealamh gaolmhar, agus comhpháirteanna, mar a leanas, a saindearadh nó a sainmhodhnaíodh le haghaidh úsáid mhíleata

ML11 Trealamh leictreonach, 'spásárthaí' agus comhpháirteanna, nach sonraítear in aon áit eile ar Liosta Comhchoiteann Míleata an Aontais

ML12 Córais armán fuinnimh chinéitigh ardluais, agus trealamh gaolmhar agus comhpháirteanna a saindearadh lena n-aghaidh

ML13 Trealamh, tógálacha agus comhpháirteanna armúrtha nó cosanta

ML14 'Trealamh speisialaithe le haghaidh oiliúint mhíleata' nó trealamh speisialaithe chun cásanna míleata a ionsamhlú, ionsamhlóirí a saindearadh le haghaidh oiliúint in úsáid aon airm tine nó aon armáin a shonraítear in ML1 nó ML2, agus comhpháirteanna agus gabhálais a saindearadh lena n-aghaidh

ML15 Trealamh íomháithe nó trealamh frithbheartach a saindearadh le haghaidh úsáid mhíleata, agus comhpháirteanna agus gabhálais a saindearadh lena n-aghaidh

ML16 Déantáin ghaibhnithe, déantáin mhúnlaithe agus táirgí neamhchríochnaithe eile, a saindearadh le haghaidh ítimí a shonraítear in ML1 go ML4, ML6, ML9, ML10, ML12 nó ML19

ML17 Trealamh, ábhair agus 'leabharlanna' ilchineáil agus comhpháirteanna a saindearadh lena n-aghaidh

ML18 Trealamh 'táirgthe', saoráidí agus comhpháirteanna tástálacha comhshaoil

ML19 Córais armán fuinnimh dhírithe (DEW), trealamh gaolmhar nó trealamh frithbheartach agus samhlacha tástála agus comhpháirteanna a saindearadh lena n-aghaidh

ML20 Trealamh crióigineach agus 'forsheoltach', mar a leanas, agus comhpháirteanna agus gabhálais a saindearadh lena n-aghaidh

ML21 'Bogearraí'

ML22 'Teicneolaíocht'

([24]) Is féidir teacht ar an tuairisc iomlán ar na catagóirí mar a ghlac an Chomhairle iad in 2022 (IO C 100, 1.3.2022, lch. 3) ar: https://eur-lex.europa.eu/legal-content/GA/TXT/?uri=CELEX%3A52022XG0301%2801%29&qid=1646235149869

ANNEX

The attached tables contain the following information:

A.I EXPORTS AND LICENCE REFUSALS PER DESTINATION, PER REGION AND WORLDWIDE

A.II EXPORTS TO UNITED NATIONS-MANDATED OR OTHER INTERNATIONAL MISSIONS

A.III INFORMATION ON BROKERING LICENCES GRANTED AND DENIED

B.I TOTAL NUMBER OF CONSULTATIONS INITIATED AND RECEIVED BY EACH MEMBER STATE

B.II TOTAL NUMBER OF CONSULTATIONS PER DESTINATION COUNTRY

C. INFORMATION ON NATIONAL IMPLEMENTATION OF COMMON POSITION 2003/468/CFSP ON THE CONTROL OF ARMS BROKERING AND COMMON POSITION 2008/944/CFSP DEFINING COMMON RULES FOR THE CONTROL OF EXPORTS OF MILITARY TECHNOLOGY AND EQUIPMENT

D. INFORMATION ON EU OUTREACH ACTIVITIES

E. INTERNET ADDRESSES FOR NATIONAL REPORTS ON ARMS EXPORTS

F. EUROPEAN PEACE FACILITY — ASSISTANCE MEASURES

TABLE A.I

Figures of Table A.I are broken down per Member State, and per EU Common Military List category where (a) = number of licences issued; (b) = value of licences issued in euros; (c) = value of arms exports in euros (if available) ([25]); (d) = number of denials (discrepancies may appear between breakdowns and totals due to denials concerning more than one ML category or denials for items other than those appearing in the ML ([26])); and (e) = the number of the criterion of Common Position 2008/944 invoked to support the refusal (the approximate number of times each criterion is invoked is indicated between brackets).

Statistics are compiled differently by each Member State: no uniform standard is used. Consequently, owing to current procedures regarding arms export reporting or data protection legislation, not all countries have been able to submit the same information ([27]).

([25]) To make the table more readable, nil values and/or the mention 'not available' are omitted, and empty rows and columns are deleted.

([26]) In some instances, in accordance with the Common Position, denials issued for items which do not appear on the Common Military List (for example for license applications for transactions of dual-use items where intended military end-use has been identified) are included in the total.

([27]) **Austria**: with regard to items covered by the EU Common Military List, the Austrian law distinguishes between 'war material' (as stipulated in the Austrian War Material Act and Regulation) and 'equipment on the Common Military List not listed as war material' covered by the Austrian Foreign Trade Act. As to the value of actual exports by Military List Category (row c), figures may be inaccurate in particular as such data regarding equipment of the Common Military List not listed as war material is available to the competent authorities only after expiration or full utilisation of the individual export licence. Since some licences granted cover goods of more than one ML category per destination, these licences are counted multiple times, one for every ML category (row a). The total number of licenses quoted in this report therefore exceeds the actual number of licenses granted.
Belgium: the data that Belgium provides for this report is the aggregation of the data of its three regions (the Flemish, Walloon and Brussels-Capital Region) and of its federal government (which is competent for exports by the Belgian armed forces and the Belgian police). Because of differences in data collection and data processing between the competent authorities, Belgium is currently not able to provide data on actual exports (row c).
Czechia: rows a) and b) do not include General transfer licences and Global transfer licences pursuant to the Defence Transfer Directive (2009/43/EC), which could cover goods of more than only one ML Category and allow exports to more than only one Member State. In addition to that, some other licences issued cover goods of more than only one ML Category and their value is the total value of all covered goods. Due to this fact, these types of licences are not included in row b). The sums in rows c) are based on information provided by exporters and also contain actual exports made in 2022 based on licences issued in previous years.
Denmark: with regards to the value listed in rows b) and c) it should be noted, that values listed in row b) 'Value of export licences granted' relates to licences issued according to national legislation, i.e. to third countries. Values listed in row c) 'Value of actual exports' relates to licences issued as global licences (article 6 of the ICT directive), transfers undertaken in accordance with the general licences (article 5 of the ICT directive) and licences issued as individual licences (article 7 of the ICT directive), i.e. actual value of exports within EU and EEA. Some licenses issued according to national legislation, i.e. to third countries, are listed with 'Value of actual exports' in row c). Some licences issued cover goods of more than one ML Category. When reporting in row a), each time a licence concerns a ML category, it is counted as one single licence, so the sums in row a) and column 'Total per destination' do not always reflect the actual numbers of licences granted, but a slightly higher number. The Danish currency (DKK) or other currencies are where relevant converted to EUR using the common exchange rate.
Estonia: licences covering more than one ML category and/or destination are reported under 'multiple destinations' (country). Goods which Estonia is judging to be military goods (national listing), but which are not on the EU Common Military List are reported in category ML 22 'Technology' (as CML category which is the most closely linked). The total number of licences quoted in this report therefore differs from the actual number of licences issued. Data does not include temporary transfers (exhibitions) and items on the EU CML provided to Ukraine and reported under the EPF assistance measures (AM).
Finland: licences covering more than one ML category and/or destination are counted one for every ML category per destination country. Therefore, the total number of licences presented in this report exceeds the actual number of licences issued. Data on licences issued also includes export licences to UN-Mandated or Other International Missions.
France: France requires its defence companies to obtain a licence from the early stages of market prospection. The licence should indicate the potential of the transaction. Any operation, starting from the negotiation stage, requires obtaining a licence: transmission of documentation, demonstrations, participation in calls for tenders, etc. This requirement for transparency and control results in a licenced value (row b) that can greatly differ from the value of the final contracts signed and goods actually exported (row c).
Germany: some licences issued cover goods of more than one ML Category (e.g. one licence for the export of rifles and their ammunition). In reporting in table A.I., each time a licence concerns an ML category, it is counted as one single licence, so the sums in rows a) and column 'Total per destination' do not always reflect the actual numbers of licences granted, but a slightly higher figure (i.e. the number of times a ML category has been affected by a licence for that destination). Germany is not in a position to report the value of actual exports of military goods other than war weapons as no reliable data on this matter is available. In particular, it is not possible to rely on data regarding write-offs from licences that customs authorities gather, because the national or EU lists of military goods and the nomenclature of the Harmonized System used by custom authorities are not congruent. Further, in accordance with rules of the Union Customs Code, there is no reporting requirement for transfers of goods to other EU Member States. This data would therefore lead to an incomplete and unreliable reporting on actual exports of military goods.
Hungary: data provided includes figures of general, global and individual export licences. Transfers of military equipment to Hungarian forces deployed in various missions (table A.II) are not considered regular foreign trade transactions.
Ireland: values in row b) relate to individual export licences issued. Values in row c) relate to actual exports reported by exporters with global licences issued under the ICT directive. As the value of global licences is not always visible ('unlimited value') figures will occur only in row c) and not b). Global licences contain multiple destinations and multiple ML categories, with exports to each destination and category counted as a single licence. Values listed in row a) therefore do not reflect the actual number of licences issued but a slightly higher figure.

The EU User's Guide stipulates that the value of actual exports only needs to be provided where it is available. With regard to actual exports authorised by EU Member States (row c), it is important to note that Belgium, Cyprus, Germany, Greece and Latvia do not provide these data. No aggregation is therefore reported at the EU level.

With regard to the use of global and general licences notably applied to intra-EU transfers pursuant to Directive 2009/43/EC, it is important to note that the actual value of arms transfers and exports under global and general licences is generally reported by EU Member States. This is however dependant on the Member States' ability to report on actual values (row c) as described above and to possible additional national specificities as explained in footnote 20.

Data are reported in Euros and accordingly converted from national currencies for Member States not having the Euro as national currency. Please bear in mind the possible exchange rate fluctuations between the data collection at national level, the date of reporting to the EU level and the date of consultation of the data.

It is important to bear in mind that exports to destinations subject to EU arms embargoes comply with the terms, conditions and possible exceptions set out in the decisions imposing such embargoes. The full list and details of embargoes are available at https://www.sanctionsmap.eu.

Exports to UN mandated or other international missions are further reported on in Table A.II.

Latvia: data provided includes figures of individual, global and general export licences. Data might include also export licences for goods after repair and maintenance. Latvia is not providing data on actual exports because it is not possible for customs authorities to gather precise report on actual exports in a reasonable manner, especially on global transfer licenses.
Lithuania: data provided includes figures of individual, global and general export licences, data also include actual exports. Licences covering more than one ML category and/or destination are counted one for every ML category per destination country. Therefore, the total number of licences presented in this report exceeds the actual number of licences issued.
The Netherlands: as values of global licenses cannot always be attributed to individual countries, the value of those global licenses has been added to the total value of 'multiple destinations'. The figures on actual exports are based on information provided by the exporters in 2022, and may reflect exports based on a license issued in a previous year. Although much care has been given to the collection of the data on actual exports, the actual exports figures for 2022 may be higher than the values quoted in this report. Some licences cover goods of more than one ML category. Each time a licence concerns an ML category, it is counted as one single licence. Therefor the sum in row 'Number of Export Licenses' does not always reflect the actual number of licences granted, but a slightly higher figure.
Poland: License values provided in row b) refer to individual licenses, global licenses issued in a given year for a period of up to 3 years, and national general licenses. The actual values of transfers, provided in the row c), are related to the individual, global and national general licences. Data from rows a), b) and c) do not include temporary transfers.
Portugal: data provided includes figures of export transactions (definitive and temporary) covered by general, global and individual export licences. Some licences cover goods of more than one ML category and destination, so each time a licence concerns an ML category or destination, it is counted as one single licence, so the sum in row 'Number of Export Licenses' does not always reflect the actual number of licences granted, but a slightly higher figure. As the value of General and Global licences is not always visible ('unlimited value') figures will occur only in row c) and not b). Data provided does not include figures of export transactions of civilian firearms (for personal protection, hunting, sporting).
Romania: data provided includes figures of general, global and individual export licences. Global and general licences cannot always be attributed to an individual military list category ML or an individual country. Therefore, the figures on number of licences issued (row a) could be slightly higher. Also, on grounds of national security interests, information on certain sensitive exports was not included in the 2022 report.
Slovakia: data provided includes some licences, which cover more than one ML category. Therefore values in row a) are thoroughly recorded, but values in row b) and row c) can have slightly different values. Exhibitions and presentations: Austria, Belgium, Czechia, Finland, France, Germany, Hungary, Indonesia, Israel, Malaysia, Norway, Poland, Romania, Saudi Arabia, Sweden, United Arab Emirates, United Kingdom, United States of America. Remark related to Ukraine: due to national security interests export to Ukraine will be reported later.
Slovenia: data provided includes figures of general, (ML6) and 3 global (for ML 1, ML 3, ML16 and ML18) and individual export licences. The value of some licences was 0, because weapons and military equipment/defence-related products were exported for the purpose of testing and evaluation, or warranty claim. One Global transfer licence was granted to Slovenian companies in year 2023 for a period of three years, to trade with ML16 to EU countries.
Spain: data provided includes figures of general, global and individual export licences as well as global project export licences. Values in rows a) b) include values on temporary and definitive licences. Values in row c) include only values on definitive licences.
Sweden: the SEK to EUR conversion reflects the average exchange rate for 2022 of 10,63 Swedish krona per Euro. Licences covering more than one ML category and/or destination have been counted multiple times, one for every ML category per country of destination. The total number of licences quoted in this report therefore exceeds the actual number of licences issued. In Table A.III (Brokering Licences Granted), for the license regarding Ukraine, the country of origin has been omitted in order to respect the security interests of that country.

TABLES SETTING OUT EXPORTS AND REFUSALS PER DESTINATION, PER REGION AND WORLDWIDE

EXPORTS AND REFUSALS WORLDWIDE 555

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER DESTINATION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER REGION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER REGION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER REGION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER REGION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER REGION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER REGION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS PER REGION IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets).

EU ARMS EXPORTS WORLDWIDE IN 2022

Key: (a) = number of licences issued, (b) = value of licences issued in Euros, (c) = value of arms exports in Euros (if available), (d) = total EU number of licence refusals (small discrepancies may appear between breakdowns and totals due to refusals concerning more than one ML item or refusals for items other than those appearing in the ML). (e) = criteria numbers on which refusals are based (the approximate number of times each criterion is invoked is indicated in brackets

TABLE D

INFORMATION ON EU OUTREACH ACTIVITIES

1. **Council Decision (CFSP) 2020/1464, amended by Council Decision (CFSP) 2022/848 on Union outreach activities in support of the implementation of the EU Outreach Project on the Promotion of Effective Arms Export Controls**

'*COARM Outreach Project V*' – implemented by: BAFA

I. **INDIVIDUAL ASSISTANCE WORKSHOPS**

Algeria

Online, 15-16 March 2022

Given the success of the first individual assistance activity with Algeria, they requested a follow-up individual activity.

The two-day event focused on different subject matters in the area of arms trade controls, divided into four thematic sessions covering:

— Structured exchange with- and outreach to industry dealing with military and arms exports

— Internal compliance programmes

— Risk management systems for licensing and customs authorities dealing with military and arms exports

— The role of technological innovations.

In total, ten experts supported the activity: eight experts from EU Member States (including five experts from BAFA). In addition, the event was supported by two experts from Georgia and Serbia.

Nine participants from relevant authorities of Algeria participated in the event.

Serbia

In-person (Belgrade), 14 July 2022

The outreach event for the Serbian arms production industry, was organised as back-to-back with a study visit to Serbia for Armenia, and Bosnia and Herzegovina.

The participants of the study visit had the opportunity to gain first impressions and experiences regarding how an outreach to industry event can be organised as well as of the expectations from both industry and the authorities in the field of arms export controls.

Approx. 80 representatives of the Serbian arms production industry attended the event.

One main objective of this outreach event pursued by the Serbian side (i.e. Ministry of Trade, Tourism and Telecommunication) was to inform the industry about the intention to introduce ICP (Internal Compliance Programme). In this respect, the Serbian side was supported by an EU Expert from Germany who held a presentation on the topic related to structured exchange and outreach to industry in Germany. Further topics related to licensing procedures, the necessity of the re-export clause on the end-user certificate, reporting and registration. It has to be pointed out that the presence of the representatives of the Bosnia and Herzegovinian Ministry of Trade and Economic Relation brought an added-value to the outreach event, by offering the representatives of the Serbian defence industry to ask directly question to the Bosnia and Herzegovinian licensing authority as the industries of the two countries (i.e Serbia and Bosnia and Herzegovina) are inter-linked.

II. **REGIONAL WORKSHOPS**

For Central Asia

Online, 26-27 January 2022

This workshop built closely on the previous outreach events as well as on the recent geopolitical developments in the region. Therefore, the workshop kicked off with updates on the newest developments in the field of export control and continued with topics on prevention of diversion, illicit trafficking as well as trade of firearms, which are current and important issues for the Central Asian region. Furthermore, the second day put a special spotlight on regional and interagency cooperation. Seven experts (Czech Republic, Estonia, Hungary, Poland, Kyrgyzstan, Great Britain, Serbia), including WCO and Frontex supported this regional outreach activity.

Sixteen participants from the Republic of Kazakhstan, Kyrgyzstan as well as from Tajikistan representing several national authorities; the Ministry of Defense, the Ministry of Economy, the Ministry of Foreign Affairs, the Ministry of Industry and Infrastructure Development as well as Customs took part in the workshop. Due to internal restrictions, Turkmenistan and Uzbekistan could not take part in the event.

The agenda included followings topics:

— latest developments in the area of arms trade controls from the EU perspective, including EU Common Position's assessment criteria;

— security instruments to counter diversion as well as illicit trade, including the presentation of the content of the "Handbook on Detection of Firearms for Border Guards and Customs Officers", which was developed by Frontex;

— fostering efficient regional cooperation in Central Asia;

— cross-national interagency cooperation;

— assistance cooperation in the face of the pandemic — national experience and challenges.

III. **CROSS REGIONAL WORKSHOPS**

For Southeast Europe, Eastern Europe/Caucasus

In-person (Albania, Tirana), 17-18 May 2022 — BAFA and Expertise France

BAFA organised, in cooperation with the EU P2P Export Control Programme for Dual-Use Goods (CoE 64) implemented by the consortium led by Expertise France, a cross-regional workshop on e-licensing for partner countries from South Eastern Europe, Eastern Europe and the Caucasus in the framework of the EU Outreach Project on the Promotion of Effective Arms Export Controls (EU COARM OP V), based on the Council Decision (CFSP) 2020/1464. The event was the first under the COARM V project to be held in person.

E-licensing is a relatively new topic for many partner countries, and is of growing interest. Partner countries from different EU-funded projects participated in this workshop which focussed exclusively on e-licencing.

The workshop aimed at providing a comprehensive overview of existing e-licensing systems and the various factors that should be taken into account, when contemplating the introduction of such systems. It aimed at assisting participating partner countries to better assess if an e-licensing system is needed, and if so, which features and tools such a system should have for meeting the respective national needs. Against this background, the workshop provided an in-depth overview of different approaches to e-licensing.

The Cross-Regional Workshop was supported by eleven EU experts from Belgium, Estonia, France, Germany, Italy and Romania, two members of the European Commission and three colleagues of the US Export Control and Related Border Security (EXBS) Program.

Thirty-one participants representing the competent authorities from Albania, Armenia, Bosnia and Herzegovina, Georgia, Kosovo ([31]), Montenegro, North Macedonia, the Republic of Moldova, Serbia as well as one participant from Costa Rica took part in the workshop.

The agenda included:

— e-Licensing systems — Existing systems and software programmes

— e-Licensing systems — What is available on the market?

— Impact of e-licensing on the industry

— e-Licensing systems Maintenance, operationalization, cost implications and IT support

For Southeast Europe, Eastern Europe/Caucasus, Central Asia, North Africa

In-person (Georgia, Tbilisi), 11-12 October 2022

A cross-regional and cross-project workshop for beneficiary partner countries from Eastern Europe and Caucasus, South-Eastern Europe, North Africa and Mediterranean, and Central Asian regions was conducted in Tbilisi, Georgia. It was organised in cooperation with the EU P2P Export Control Programme for Dual-Use Goods (CoE 64) implemented by the consortium led by Expertise France.

([31]) This designation is without prejudice to positions on status, and is in line with UNSCR 1244/1999 and the ICJ opinion on the Kosovo declaration of independence.

Content wise the activity focused on tackling the importance of addressing new challenges and how those can best be faced in the area of export control. The workshop dealt with controlling intangible technology transfers (ITT) as well as outreach to academia and research sector, again subjects important to both pillars of export control (the conventional arms control pillar as well as for dual-use trade control) Therefore, this cross-regional workshop aimed at providing partner countries with the opportunity to take note of the current discussions, trends, and challenges in the field of strategic trade controls with particular focus on intangible transfers of technology and the risks academia and research institutions have to be made aware of. In addition, the cross-regional and cross-project workshop offered a platform for the participants to share national experiences, efforts and challenges in this field. At the same time, the objective of the workshop was to underline the importance of ITT controls in general and how adequate controls could be implemented best.

Eight experts from Germany, Spain, France, Romania, as well as from industry and academic/research sector supported the workshop.

Thirty participants from Albania, Algeria, Armenia, Bosnia and Herzegovina, Georgia, Kazakhstan, Republic of North Macedonia, Republic of Moldova, Morocco and Serbia representing several national authorities took part in the workshop. Due to visa restrictions, Kosovo ([32]) could not take part in the workshop and was offered the possibility to participate online.

The agenda included following items:

— Introduction into Legal Background of Transfer of Technology and state of the play regarding strategic trade control over transfer of technology in the partner countries

— The control of transfer of technology from private sector's perspective

— Internal Compliance programmes and due diligence

— The importance of Outreach to Academia — experiences and lessons learned from the perspective of control authorities

IV. **BI-NATIONAL WORKSHOPS**

Bi-national assistance KAZAKHSTAN and KYRGYZSTAN

In-person (Kazakhstan, Nur-Sultan), 26-27 July 2022

This activity focused on approaches of organising technical assessments in export control and ways to optimize the incorporation and use of technical expertise best into export control administration processes.

In this two-day activity, discussion about intended establishment of commodity identification centres took place, as both partner countries requested within the COARM V project support in this respect.

Three experts from Poland, Lithuania and Romania supported the bi-national activity.Eighteen participants from Kazakhstan and 6 participants from Kyrgyzstan representing several national authorities attended, among which the Kazakh Ministry for Industry and Infrastructure, Ministry of Energy, Ministry of Defence, Ministry of Finance, Ministry of Foreign Affairs and National Security Committee and from Kyrgyz Ministry of Economy and Commerce, State Customs Service, Kyrgyz National University and Ministry for Natural Resources, Ecology and Technical Oversight.

The workshop also aimed at offering participants from Kazakh and Kyrgyz customs and licensing authorities the opportunity to start identifying multiple options at the decision-making stage, to exchange ideas with experts and to invite stakeholders who could assist in the establishment of the national centres.

V. **STUDY VISITS**

Study Visit to Italy for ALBANIA, ALGERIA, JORDAN and LEBANON

In-person (Italy, Livorno and Rome), 21-23 June 2022

The three-day event organised by BAFA in cooperation with the Italian licensing authority UAMA, aimed to provide participants with an in-depth practical example and was organised in order to share best practices from an export control system in an EU country.

The participants received an overview of best practices for effective export control from different Italian agencies. Special attention was paid to inter-agency cooperation between licensing authority and customs. Furthermore, the topics concerning industry compliance as well as customs and law enforcement procedures at ports were addressed. The last part of this outreach event included an on-site visit of a production plant of Leonardo S.p.A in Livorno, where customs officers presented how to conduct an on-site customs clearance control for the export of military equipment manufactured in the plant.

([32]) This designation is without prejudice to positions on status, and is in line with UNSCR 1244/1999 and the ICJ opinion on the Kosovo declaration of independence.

Nine experts supported the study visit (eight Italian experts from licensing and customs authorities, as well as one customs expert from Croatia). Representatives from an Italian exporting company, Leonardo S.p.A. supported the event as well. Thirteen participants from Albania, Algeria, Jordan and Lebanon representing several national authorities participated, among which the State Export Control Authority, General Directorate of National Security, Ministry of Defense, General Directorate of Customs, Ministry of Economy and Trade.

The agenda included:

— the role of the licensing authority in the field of export controls, including legal basis;

— the role of industry, using one of Italy's most important arms manufacturing companies, Leonardo S.p.A, as a practical example.

— the role of customs in arms export controls, including customs risk management procedures as well as two-on-site visits to the customs chemical laboratory and to the installations at the Port of Livorno;

— practical examples of applied customs control procedures in the port's cargo terminal.

Study Visit to Serbia for ARMENIA and BOSNIA and HERZEGOVINA

In-person (Serbia, Belgrade), 12-14 July 2022

The study visit was organised as back-to-back with an Outreach event for the Serbian arms production industry.

This two-day study visit was part of a peer-to-peer exercise that Serbia and Georgia are conducting in tandem. The follow-up study visit to Georgia is planned for July 2023. The study visit to Serbia focused on the pre-licensing phase and therefore covered topics such as internal compliance programmes, transparency, and dialogue with industry and academia, including tools for shaping this dialogue.

The peer-to-peer approach made it possible to also gain knowledge of the Georgian approach in this matter, as Georgia shared its expertise within the study visit to Serbia, too. The same will happen in July 2023 vice versa, offering the participants the unique opportunity to gain insights in a more comprehensive way. While the study visit to Serbia centred on the pre-licensing phase, the study visit to Georgia will focus on the licensing phase as such. BAFA, highlighted in the official invitation that same participants should attend both study visits in order to maximise the benefit from the peer-to-peer approach.

The event was attended by fourteen people on the first day, and seventeen people on the second day. Because of the special peer-to-peer approach of this event the activity was supported by two trainers from Serbia and Georgia that were recently trained by BAFA.

The agenda included:

— the pre-licensing phase, namely the issue of registration

— awareness raising, especially the dialogue between industry and authority and as well the tools at the authority's and industry's disposal to shape this dialogue

— ICP (Internal Compliance Programme)

— the company's obligations, such as transparency and reporting.

— outreach to industry during the pandemic

— the constant challenging-issue of identification of goods, especially for authorities with no in house technical expertise.

2. **Council Decision (CFSP) 2021/2309 on Union outreach activities in support of the implementation of the Arms Trade Treaty (ATT)**

I. **NATIONAL ACTIVITIES**

Benin

Awareness-raising workshop on the ATT and Benin's obligations: use of the national checklist and planning for the drafting of the national ATT law

Hybrid Event (Cotonou), 9 December 2022 — Expertise France

This activity was a continuation of the assistance provided to Benin during the second phase of the EU P2P ATT project. After developing their National Control List (NCL), Beninese authorities wished to sensitize relevant institutions to its use. This activity also provided an opportunity to prepare the next step in the implementation of the ATT: the drafting of the national law internalizing the provisions of the ATT. Finally, the activity raised awareness of the Treaty's obligations among new officials in the relevant national institutions.

Cameroon

Workshop to launch the drafting of the Cameroon National Control List

In-person (Yaoundé), 8-9 November 2022 — Expertise France

This activity was a continuation of the legal assistance provided during the second phase of the EU P2P ATT project. The Cameroonian authorities wished to develop their National Control List (NCL), an obligation of the ATT and an essential element for the effectiveness of their national control regime.

Capacity Building Workshop on Conventional Arms Export and Import Reporting

In-person (Yaoundé), 10-11 November 2022 — Expertise France

This activity was a continuation of the legal assistance provided during the second phase of the EU P2P ATT project. Cameroonian authorities requested support to strengthen their annual reporting capacity under the ATT, Article 13(3) which requires States Parties to submit an annual report to the Secretariat on exports and imports of conventional arms.

Chile

Bilateral Cooperation

In-person (Santiago), 27 October 2022 — BAFA

Chile is a new long-term partner country within the EU ATT Outreach Project and this workshop was the first bilateral cooperation between BAFA and Chile under the EU ATT OP-III framework. Under the second phase of the project, Chile expressed a very keen interest in receiving EU support for ATT implementation and participated in three ad-hoc activities. It was therefore considered very important to harness this momentum and provide the country with long-term, dedicated assistance.

This first workshop aimed to kick of the new cooperation, to raise awareness of important stipulations of the treaty, to discuss procedures for regulating the export of listed items and to identify topics of discussion for future cooperation and for more workshops in the framework of the project. The activity was also an opportunity to address Chile's draft export control legislation, which will likely be one of the main areas of focus for support in the future.

The workshop was supported by four experts (Spain, Sweden, Mexico, Philippines). Furthermore, two Small Arms Survey representatives shared their expertise with the participants, in order to gain synergies, where appropriate, with both projects being implemented in the region.

Costa Rica

Cross-regional and cross-project workshop on e-licensing

In person, Albania (Tirana), 17-18 May 2022 — BAFA and Expertise France

E-licensing is a relatively new topic for many partner countries, and is of growing interest. Partner countries from different EU-funded projects participated in this workshop which focussed exclusively on e-licencing. We addressed:

— different e-licensing systems used in EU Member States

— a case study of an EU country that currently does not use e-licensing

— e-Licensing systems available on the market: the EU's dual-use e-licensing system and Stratlink

— impact of e-licensing on industry

— technical and follow up implications

Participants: Costa Rica *(partner country under EU ATT Outreach Program)*, and partner countries from South Eastern Europe, Eastern Europe and the Caucasus *(EU COARM Outreach Program, and EU P2P Export Control Programme for Dual-Use Goods (CoE 64))*. Costa Rica had in the past expressed its own significant interest in e-licensing.

Côte d'Ivoire

Sensitisation of senators to the draft law on arms and ammunition control and its compliance with the provisions of the ATT

In-person (Yamoussoukro), 20-22 June 2022 — Expertise France

Activity organised at the request of the national authorities to complete the legal assistance provided by Expertise France on the drafting and sensitization of the draft law on arms and ammunition, which will become the backbone of the national arms control legislation.

The activity was jointly organised and delivered by experts from Expertise France and Côte d'Ivoire's SALW National Commission (ComNat), as well as from the SALW Division of ECOWAS. An effective exchange of knowledge and synergy with the ATT, the ECOWAS Convention and national arms control practice was ensured.

All suggestions made by Expertise France during the previous workshop on the draft law with members of parliament in September 2021 have been integrated by the authorities bringing the text into compliance with the ATT.

Sensitisation of judges and judicial police officers to the draft law on arms and ammunition control and its compliance with the provisions of the ATT

In-person (Yamoussoukro), 23 June 2022 — Expertise France

Activity organised at the request of the national authorities to sensitize crucial actors in the fight against illicit arms trafficking and to the ATT. Participants were walked through the current arms control legal framework as well as the content of the draft law. The activity was jointly organised and delivered by experts from Expertise France and Cote d'Ivoire's National SALW Commission (ComNat), as well as from the SALW Division of ECOWAS, ensuring the exchange of knowledge and synergy with the ATT, the ECOWAS Convention and national arms control practice.

Kazakhstan

National Assistance Workshop

In-person (Nur-Sultan), 28-29 July 2022 — BAFA

This was the first activity with Kazakhstan as a long-term partner country under the EU ATT OP-III. Kazakhstan already participated in an ad-hoc workshop in the second phase of the project and has been identified as a promising prospect for future cooperation, in particular given its interest in the ATT in a region where there is little support for the Treaty at the moment.

This first national activity served to learn more about the current status of the ATT in Kazakhstan, while reinforcing the importance and message of the ATT.

Issues such as technical assessments, identification and classification, interagency cooperation and record keeping were all addressed. A needs assessment, which included recommendations and ideas for next steps, was also conducted.

Niger

Legal workshop: national revision of the Niger Firearms Act

In-Person (Niamey), 4-6 October 2022 — Expertise France

Expertise France conducted a final read-through of the draft law and submitted a last round of suggestions to finalise the text and ensure maximum compliance with the ATT.

Senegal

Launch of a project to strengthen reporting on conventional arms exports and imports

In-person (Dakar), 1-2 December 2022 — Expertise France

This activity was a continuation of the assistance provided during the second phase of the EU P2P ATT project. Senegalese authorities requested support to strengthen their annual reporting capacities under the ATT.

Thailand

National Assistance Workshop

In-person (Bangkok), 1-2 June 2022 — BAFA

Twenty-two participants from various relevant Thai authorities attended the first national assistance workshop for Thailand. The Thai side gave an overview of the current state and structure of their export control system.

Together with the experts, they identified gaps and areas for improvement. The activity also served to (re)-establish a channel of communication with the Thai authorities.

Other agenda items focused on the ATT (significant, history and status quo), the treaty's obligations, and the establishment of an export controls system in line with ATT requirements. The experts also gave recommendations on different fields of ATT implementation in Thailand, as well as suggestions for future cooperation.

Zambia

National Assistance Workshop

In-person (Lusaka), 16-18 August 2022 — BAFA

This workshop aimed at continuing the cooperation established under the second project phase which concluded in the drafting of the National Conventional Arms Control Bill (2021).

The first part aimed at raising awareness of ATT implementation needs and the cooperation with the EU and BAFA of high-level officials, many of which were new in their positions and appointed by the president after the general elections in 2021. The workshop therefore also intended to support a successful passing of the draft bill being reviewed in the President's cabinet by some of the officials participating in the workshop. The second and third day of the workshop were dedicated to reviewing the work already done by Zambia and to supporting the start of drafting of secondary legislation stipulating procedures, responsibilities as well as the scope of controls in line with the ATT.

II. **REGIONAL ACTIVITIES**

ASEAN

Kick-off meeting for phase III of the programme in South East Asia

Online, 20 April 2022 — BAFA, Expertise France

A total of eighteen participants from Malaysia, the Philippines, Singapore and Thailand attended, among which the relevant national ATT stakeholders from all four countries including the licensing authorities from Malaysia and the Philippines.

The conference was the first major activity under the new phase of the project. It was designed as a multilateral kick-off event and aimed to bring all signatory states of the ASEAN community (Cambodia, Malaysia, Philippines, Singapore and Thailand) to the table to discuss possibilities, expectations and common goals for future cooperation with the region within the third project phase.

To achieve important goals for the region (universalisation and effective implementation of the treaty), the conference aimed to provide an opportunity for countries of the ASEAN region and the implementing entities to exchange ideas on future bilateral and multinational workshops, to recap findings of the second project phase and to discuss the current status of implementation of the Treaty in the region, including possible challenges.

We invited five participants each from all five signatory states in Southeast Asia. Cambodia did not respond to the invitation. Singapore attended without holding a presentation.

Latin America

Regional Workshop I

Online, 27 April 2022 — BAFA

This workshop focused on awareness raising for high-level officials for Latin America and Caribbean. More specifically, it addressed decision makers in the region, who can drive the implementation process of the ATT and therefore aimed at providing a comprehensive overview of the importance of the implementation of the ATT as well as its key elements (in particular Article 5, 1 and Article 5, 2 of the Treaty). In accordance with this, a focus was placed on the need to have a legislation in place, which is in line with the Treaty's provisions and objectives.

The duration of the event was limited to two hours in order to ensure the participation of all representatives despite possible tight schedules.

The Regional Workshop was supported by four experts from Greece, Spain, Mexico and Philippines. Eighteen participants from relevant authorities of Barbados, Chile, Colombia, Costa Rica, Jamaica and Peru participated in the event. An expert from the Philippines presented his country's approach to transposing ATT provisions into national legislation, thus encouraging south-south cooperation and exchanges of experience.

Regional Workshop II

In-person (Chile, Santiago), 25-26 October 2022 — BAFA

This two-day workshop was a follow-up to the online session of 27 April 2022 and the first in-person activity for the Latin America and Caribbean Region under the EU ATT OP-III framework. The aim was to continue the fruitful regional discussions on important steps to take on national level when it comes to ATT implementation. It also aimed at further assisting partner states to identify individual needs regarding ATT implementation and to provide a platform to discuss with partners of the region common procedural challenges including how to resolve those best.

The Regional Workshop was supported by an expert from Spain, Sweden, Mexico and the Philippines. Two Small Arms Survey representatives and one representative from CARICOM IMPACS also participated. Thirty participants from relevant authorities of Barbados, Chile, Colombia, Costa Rica, Jamaica and Peru joined the event.

The agenda items included:

— the importance of the Arms Trade Treaty for the region of Latin America and the Caribbean

— items to control: Articles 2, 3, 4 and 5

— regional cooperation in the field of arms export controls in Latin America and the Caribbean

— central obligations under the ATT: Articles 5, 6, 7 including the EU Licensing Criteria

— transposing ATT provisions into national legislation — the case of Spain, Mexico and the Philippines.

III. **OTHER ACTIVITIES**

Side event at the eighth Conference of the States Parties to the ATT (CSP 8)

In-person (Geneva) 24 August 2022 — Expertise France / BAFA

The CSP side event was intended to raise awareness about the EU's implementation support activities, raise awareness of countries which may subsequently seek assistance, present the outline of the third phase of the programme, and inform about recently implemented activities.

The session was followed by a question-and-answer session of approximately 30 minutes.

Liberia and Gambia expressed their interest in participating in the project. Georgia and Costa Rica expressed their gratitude for the good cooperation. The next steps of cooperation were discussed with Kazakhstan.

Podcast series

Winter 2022 — Expertise France

A first podcast dedicated to the challenges and issues related to the ATT CSP 8 (August 2022), in French and in English was produced and loaded on the platform of the programme.

3. **Council Decision (CFSP) 2021/649 on Union support for activities of the ATT Secretariat in support of the implementation of the Arms Trade Treaty**

Implemented by: ATT Secretariat

Council Decision 2021/649 was adopted to support the effective implementation and universalisation of the Arms Trade Treaty (ATT). Thus, in partnership with the ATT Secretariat, the Union provided the necessary resources for activities to support States Parties to the ATT in strengthening their arms transfer control systems for the effective implementation of the ATT and to strengthen the institutional set-up of the ATT Secretariat as the principal body to assist States Parties to the ATT in implementing the ATT. The text below relates to work undertaken from April 2021 to December 2022.

Project 1: support for capacity building of ATT National Points of Contact

For: Antigua and Barbuda, Argentina, Barbados, Benin, Botswana, Cambodia, Cameroon, Costa Rica, Côte d'Ivoire, El Salvador, Eswatini, The Gambia, Georgia, Ghana, Kenya, Lesotho, Liberia, Madagascar, Malawi, Malaysia, Maldives, Mauritania, Mauritius, Montenegro, Namibia, Paraguay, Peru, The Philippines, Serbia, Sierra Leone, South Africa, St. Kitts and Nevis, State of Palestine, Trinidad and Tobago, Zambia

The overall objective is to build the capacity of States Parties National Points of Contact (NPC), including increasing their knowledge of ATT obligations and raising their awareness with respect to ATT process developments.

To this end, the *Guidance Document for National Points of Contact (NPCs)* was developed in early 2022, with input from various stakeholders including long-serving and recently-appointed NPCs. The *Guidance Document* provides guidance on the role and possible tasks of NPCs. It was launched at the Eighth Conference of States Parties (CSP8) side event in August 2022. Eighty copies of the Guidance document were printed and distributed during the event and it has been translated into 5 UN languages (Arabic, Chinese, French, Russian, and Spanish). The *Guidance Document* and other resources useful to NPCs are available on the National Points of Contact page of the ATT website.

Complimenting the *Guidance Document*, Project 1 has facilitated the participation of sixty NPCs in explanatory briefings. Held in Geneva in February and April 2022, alongside ATT meetings, these briefings have assisted NPCs in preparing for participation in the formal meetings.

These activities have led to increased knowledge of ATT obligations (including reporting) among ATT NPCs, increased awareness of the ATT processes, and wide dissemination of informational materials about the ATT to NPCs and beyond.

Project 2: Expert Roster (Train the Trainers)

For: Asia States, the Caribbean States, West African States, Southern and Central American States, and Southern African States.

With respect to Asian States, the ATT Secretariat conducted a regional training workshop in The Philippines from 12 — 16 December 2022

The overall objective is to build the capacity of local and regional ATT experts to provide advice and training on ATT implementation at the national and regional levels in order to reduce the reliance on international consultants and organisations, improve the quality of training and implementation assistance, and to contribute to better tailoring capacity-building efforts.

Since the project started, the focus has been on designing the train the trainer programme and developing the ATT training materials (i.e. *Manual* and *Guide*) to be used during the train the trainer's workshops. A training methodology expert in adult learning provided advice on the design of the train the trainer programme. The training programme includes ATT content on various modules such as prohibitions, exports, import and diversion as well as soft skills training.

To develop the *ATT Implementation Manual*, the project engaged subject matter experts to draft the different modules, which were then reviewed and edited by the ATT Secretariat. This was followed by a peer review process where the draft modules were reviewed by other experts who provided written comments. After the peer review process, the subject matter experts updated the draft modules accordingly.

The ATT Secretariat reviewed all updated modules before they were sent, as components of the draft manual, for copy editing, proof-reading and graphic designing. The subject matter experts who contributed to the *ATT Implementation Manual* also provided content for the *Guide for Trainers*. The *Guide* contains case studies, additional reading resources and possible exercises that can be used to train the various modules.

The *Manual* and the *Guide*, which were translated from English into five UN languages (Arabic, Chinese, French, Russian, and Spanish), were used during the first train the trainer's regional workshop in Manila, the Philippines, from 12 to 16 December 2022. The Manila workshop brought together ten experts from the Asia region for a rigorous week of skills development and Treaty content assessment culminating in an examination overseen by the Head of the ATT Secretariat.

In 2023, workshops will be run in English, French and Spanish in the Caribbean, West Africa, Southern and Central America, and Southern Africa.

These train the trainers workshops will develop an increased number of national and regional consultants that are ATT 'experts', as endorsed by the ATT Secretariat, who can deliver quality training and implementation assistance at national local and regional level. Linked to this, a public list of consultants that are endorsed by the ATT Secretariat as capable of delivering quality ATT training and implementation assistance (expert roster) will be developed and available online on the ATT website. This list will be useful for various stakeholders, such as prospective VTF recipients who are searching for consultants or project implementing partners.

Project 3: Support for a matching and needs resources database

For global use.

The project finalised the terms of reference for the development of the envisaged database with a view to procurement and user testing in the first half of 2023.

TABLE F

European Peace Facility Assistance Measures

Overview of EPF Assistance Measures (AMs) Adopted in 2022 ([33])

1. **Assistance measure taking the form of a general programme for support to the African Union**

On 21 April 2022, the Council adopted Decision (CFSP) 2022/667 on an AM taking the form of a general programme for support to the African Union for the period 2022 — 2024 (AM/GP-AU 2022-2024), with a financial reference amount of EUR 600 million. On the basis of recommendations from the HR, the PSC approved three actions under this AM in 2022.

1.1. **Support to the AU Mission in Somalia/AU Transition Mission in Somalia (AMISOM/ATMIS)**

On 6 July 2022, the PSC approved an action in support of the military component of AMISOM/ATMIS for the period 1 January-31 December 2022 amounting to EUR 120 million under the AM/GP-AU 2022-2024.

The action aimed at enabling the military component of AMISOM/ATMIS to fulfil its mandate, with a focus on the gradual transfer of security responsibilities to the Somali Security Forces (SSF), in line with United Nations Security Council Resolutions (UNSCR) 2568 (2021), 2628 (2022), 2670 (2022) and the Somali Transition Plan.

Type of support: troop allowances, mission subsistence allowances for high-ranking officers, and death and disability compensation.

1.2. **Support to the Multi-National Joint Task Force (MNJTF) against Boko Haram**

On 29 March 2022, the PSC approved an action in support of the MNJTF against Boko Haram (BH) for the period 1 July-31 December 2022 amounting to EUR 10 million under the GP-AU 2022-2024.

The objective of this action was to enhance the operational effectiveness of the MNJTF with the aim to create a safe and secure environment in the areas affected by the activities of BH and other terrorist groups.

Type of support: financial support to cover personnel and operational/logistical costs, including ground and air transportation, communication equipment and medical services.

1.3. **Support to the SADC Mission in Mozambique (SAMIM)**

On 8 September 2022, the PSC approved an action in support of the Southern African Development Community (SADC) Mission in Mozambique (SAMIM) amounting to EUR 15 million under the AM/GP-AU 2022-2024.

This strand of EPF support is complementary to the ongoing EPF assistance **to the Mozambican Armed Forces** and EPF support to the deployment of the Rwanda Defence Force in Mozambique (see below).

By providing this support, the EU joined Mozambican and international efforts to restore peace, safety and security in the North of Mozambique, protect the civilian population, and allow for the return of internally displaced persons, accountable law enforcement, state structures and services to the area.

Type of support: camp fortifications and storage containers, medical equipment, vehicles and boats, as well as technological devices.

2. **Assistance measures benefiting individual African countries**

2.1. **Mozambique**

Following the establishment of EUTM Mozambique, the Council's approval of an urgent measure of EUR 4 million and the AM of EUR 40 million to support five military units trained by the EUTM in 2021, on 21 April 2022, the Council adopted Decision (CFSP) 2022/668 to increase the reference amount of the AM by EUR 45 million to address the needs of all eleven units to be trained. Total support to Mozambique under this AM and the urgent measure now equals EUR 89 million.

This support will allow the aforementioned units to develop the necessary and sustainable capacities to restore safety and security in Mozambique's northern Cabo Delgado province. It consists of the provision of integrated packages of equipment and supplies in conjunction with EU training mission. The aim is to ensure that the training is as efficient and effective as possible, enabling EUTM-trained troops to be fully operational and self-sufficient upon deployment.

The AM benefiting military units trained by EUTM Mozambique is complemented by support to SAMIM (see above) and support to the deployment of the Rwanda Defence Force in Mozambique (see below).

Type of support: personal and collective equipment, vehicles, technical devices and a field hospital.

([33]) For details on the 2021 ams, see the 24th annual report on arms exports for 2021.

2.2. **Rwanda**

On 1 December 2022, the Council adopted Council Decision (CFSP) 2022/2354 on an AM to support the deployment of the Rwanda Defence Force in Mozambique with a financial reference amount of EUR 20 million.

The objective of the AM is to support the continued deployment of units of the Rwanda Defence Force in Mozambique's northern province of Cabo Delgado. This deployment started in July 2021 at the request of Mozambican authorities, in response to the ongoing fight against terrorism. This AM complements EPF support to SAMIM and EPF support to military units trained by EUTM Mozambique (see above).

Type of support: personal and collective equipment, financial support to cover costs related to the **strategic airlift.**

2.3. **Niger**

On 18 July 2022, the Council adopted Decision (CFSP) 2022/1236 on an AM to support the Nigerien Armed Forces, with a financial reference amount of EUR 25 million. ([34])

The objective of the AM is to strengthen the capabilities and resilience of the Nigerien Armed Forces to defend the territorial integrity and sovereignty of Niger and to better protect the civilian population including against the mounting terrorist threat.

The aim of the measure was to finance the establishment of an **Armed Forces Technician Training Centre** to increase the capacities of the Nigerien Armed Forces in the area of logistics support; and the construction of a **forward operating base** to reduce the vulnerability of the Armed Forces in the Tillabéri region.

Type of support: infrastructure works, training equipment.

2.4. **Mauritania**

On 1 December 2022, the Council adopted Decision (CFSP) 2022/2355 on an AM to support the armed forces of the Islamic Republic of Mauritania, with a financial reference amount of EUR 12 million.

The AM has two key objectives: improving the military capacities of two pre-identified battalions of the Mauritanian Armed Forces to **better respond to the security threats** Mauritania and the region are facing, and improving the in situ medical capacities of these forces on the border with Mali, Western Sahara and with Algeria.

Type of support: riverine crafts, personal protective equipment, and medical equipment.

3. **Assistance measures benefiting partners in the Eastern Neighbourhood**

3.1. **Ukraine**

a) In response to Russia's unprovoked and unjustified military aggression of Ukraine and following the Ukrainian request of 25 February 2022 for urgent assistance, on 28 February 2022, the Council adopted Decision (CFSP) 2022/338 on an AM for the supply to the Ukrainian Armed Forces (UAF) of military equipment, and platforms, designed to deliver lethal force, and Decision (CFSP) 2022/339 on an AM to support the UAF. The initial value of the two AMs was EUR 500 million in total.

   On 23 March, 13 April, 23 May, 21 July, and 17 October 2022, the Council adopted Decisions amending Decisions 2022/338 and 2022/339, on each occasion raising the financial reference amount by a total of EUR 500 million. This brought the total support to Ukraine under the EPF decided in 2022 to EUR 3.1 billion ([35]). Reimbursement payments are distributed over the years 2022 until 2027.

   Both measures have an objective to contribute to strengthening capabilities and resilience of the UAF to defend the territorial integrity and sovereignty of Ukraine and protect the civilian population.

   In the reporting period, 22 Member States (MS) — Ministries of Defence as implementing actors in most of the cases — were delivering military equipment to Ukraine under the two AMs via designated hubs or directly based on the Ukrainian priority needs, in addition to MS' military equipment deliveries outside the EPF. 24 MS contributed financially to the AM to support the UAF with military equipment, or platforms, designed to deliver lethal force. The Clearing House Cell (CHC) in the EU Military Staff supported the implementation of both AMs by matching MS' offers with priorities communicated by the UAF.

   Type of support: it included weapons and ammunitions, and platforms designed to deliver lethal force as well as other military and non-military equipment, including individual first aid kits and other crucial medical equipment, personal equipment, winter equipment, generators and fuel.

([34]) The measure was suspended following the coup in Niger in July 2023.
([35]) Adjusted figure including additional contributions from Member States constructively abstaining from Decision 2022/338 and amendments (Austria, Ireland, Malta).

b) On 14 November 2022, the Council adopted Decision (CFSP) 2022/2245 to support the UAF trained by the European Union Military Assistance Mission in support of Ukraine (EUMAM Ukraine) with military equipment, and platforms, designed to deliver lethal force, with a financial reference amount of EUR 16 million.

Type of support: ammunition, military equipment, and platforms, designed to deliver lethal force to meet the operational requirements of EUMAM Ukraine; transportation of trainees, custody, maintenance and repair of the military equipment provided for the training purposes.

3.2. **Moldova**

On 30 June 2022, the Council adopted Decision (EU) 2022/1093 on an AM to support the Armed Forces of the Republic of Moldova, with a financial reference amount of EUR 40 million.

The 2022 AM will strengthen the capacities of the Moldovan Armed Forces' **logistics, mobility, command and control, cyber-defence, unmanned aerial reconnaissance and tactical communications units** by providing relevant non-lethal equipment, supplies and services, including equipment-related training.

Type of support: air surveillance, logistics, mobility and transportation, command and control, and cyber defence equipment.

3.3. **Georgia**

On 1 December 2022, the Council adopted Decision (CFSP) 2022/2352 on an AM to support the Georgian Defence Forces, with a financial reference amount of EUR 20 million.

The 2022 AM will strengthen the capacities of the Georgian Defence Forces' **military medical, logistics, engineering and cyber-defence services by** providing relevant non-lethal equipment, supplies and services including equipment-related training.

Type of support: medical, and engineering equipment, ground mobility assets and cyber defence equipment.

4. **Assistance measures benefiting partners in the Western Balkans**

4.1. **Bosnia and Herzegovina (AFBiH)**

On 1 December 2022, the Council adopted Decision (EU) 2022/2353 on an xAM to support capacity building for the Tactical Support Brigade of the AFBiH, with a financial reference amount of EUR 10 million.

The objective of the 2022 AM is to strengthen the capacities of the AFBiH by enhancing and upgrading the equipment of its tactical support brigade, improve the security and deployment conditions of the AFBiH as well as upgrade a limited number of operational capabilities, specifically in Chemical, Biological, Radiological and Nuclear (CBRN) as well as defensive and early warning capabilities.

Type of support: field equipment, key tools for military engineering and CBRN (Chemical, Biological, Radiological and Nuclear) materiel.

4.2. **Balkan Medical Task Force (BMTF)**

On 9 June 2022, the Council adopted Decision (CFSP) 2022/906 on an AM to support capacity building of the BMTF, with a financial reference amount of EUR 6 million.

The objective of the AM is to strengthen military medical capabilities of the region and civilian relief efforts, and ultimately contribute to regional cooperation and cohesion. The AM will support the capacity building of the BMTF by procuring the necessary equipment and materiel for the medical units of the Armed Forces of Albania, Bosnia and Herzegovina, Montenegro, North Macedonia, and Serbia, participating in the BMTF.

Type of support: mobility assets, components for field hospitals at 'role 2' standards, laboratory equipment and supplies, and IT and communication equipment.

5. **Assistance measure benefiting a partner in the Southern Neighbourhood**

5.1. **Lebanon**

On 1 December 2022, the Council adopted Decision (CFSP) 2022/2356 on an AM to support the Lebanese Armed Forces (LAF), with a financial reference amount of EUR 6 million.

The objective of the AM is to enhance the capabilities and the resilience of the LAF to ensure the national security and stability of Lebanon, through the enhancement of their military medical capacities, and the provision of equipment for the LAF's operational personnel.

Type of support: healthcare equipment to support military medical services, and individual equipment.

6. **EPF Tables — Provision of Military Equipment in 2022 under EPF AMs**

6.1. **Deliveries per Beneficiary Country**

(a) = number of assistance measures or actions under general programs; (b) = value of goods delivered in euros.

Bosnia and Herzegovina

		ML5
Germany	a	1
	b	381,652

Mozambique

		ML13
France	a	1
	b	191,000

6.2. **Deliveries of Items on the EU Common Military List to International and Regional Organisations**

Beneficiary organisation: nil

Destination Country	Exporting State	Description of goods
—	—	nil

6.3. **Items on the EU Common Military List identified in the implementation phase of EPF assistance measures adopted until 31 December 2022**

Reference	Beneficiary	Items on the EU Common Military List
Action under Council Decision (CFSP) 2021/1210	the Somali National Army	personal protective equipment, warning equipment, imaging and countermeasure equipment, C-IED devices
Action under Council Decision (CFSP) 2021/1210	the G5 Sahel Joint Force	radio, C-IED, night vision googles
Council Decision (CFSP) 2021/2032	Mozambican military units trained by EUTM Mozambique	helmets, personal protective equipment
Council Decision (EU) 2021/1923	the Armed Forces of Bosnia and Herzegovina	land mine detectors, personal protective equipment
Council Decision (EU) 2021/2135	the Ukrainian Armed Forces	land mine detectors, individual protective equipment

Reference	Beneficiary	Items on the EU Common Military List
Council Decision (EU) 2021/2136	the Armed Forces of the Republic of Moldova	land mine detectors, demining protective equipment, portable jammers
Action under Council Decision (CFSP) 2022/667	the SADC Mission in Mozambique (SAMIM)	vehicles, ground radars, mine detectors, counter-IED systems
Council Decision (CFSP) 2022/338 and subsequent amendments	the Ukrainian Armed Forces	military equipment, and platforms designed to deliver lethal force
Council Decision (CFSP) 2022/339 and subsequent amendments	the Ukrainian Armed Forces	equipment, and supplies not designed to deliver lethal force
Council Decision (CFSP) 2022/1093	the Armed Forces of the Republic of Moldova	vehicles, command and control, cyber defence, unmanned aerial reconnaissance and tactical communications
Council Decision (CFSP) 2022/2352	the Armed Forces of Georgia	engineering equipment
Council Decision (CFSP) 2022/2353	the Armed Forces of Bosnia and Herzegovina	CBRN equipment
Council Decision (CFSP) 2022/2355	the Armed Forces of the Islamic Republic of Mauritania	personal protective equipment, riverine embarkations, radios, UAVs, vehicles
