DECISION OF THE EEA JOINT COMMITTEE No 80/2024

of 15 March 2024

amending Protocol 31 to the EEA Agreement, on cooperation in specific fields outside the four freedoms [2024/1631]

THE EEA JOINT COMMITTEE,

Having regard to the Agreement on the European Economic Area ("the EEA Agreement"), and in particular Articles 86 and 98 thereof,

Whereas:

(1) It is appropriate to extend the cooperation of the Contracting Parties to the EEA Agreement to include Regulation (EU) 2023/1525 of the European Parliament and of the Council of 20 July 2023 on supporting ammunition production (ASAP) ([1]).

(2) It is appropriate that the participation of EFTA States in the activities resulting from Regulation (EU) 2023/1525 commence from 25 July 2023, irrespective of when this Decision is adopted, or whether the fulfilment of constitutional requirements for this Decision, if any, is notified after 10 July 2023.

(3) Since the participation could not be established by 10 July of the financial year 2023, Protocol 31 to the EEA Agreement should be amended to set out the agreement of the Contracting Parties on the modalities for the retroactive financial contributions for the financial year 2023, to allow for full participation in activities resulting from Regulation (EU) 2023/1525.

(4) Entities established in the EFTA States should be entitled to participate in activities which start before the entry into force of this Decision. The costs incurred for activities, the implementation of which starts after 25 July 2023, may be considered eligible under the same conditions as those applicable to costs incurred by entities established in the EU Member States, provided that this Decision enters into force before the end of the action concerned. The retroactivity clause in Article 7(2) of Regulation (EU) 2023/1525 also applies.

(5) The conditions for the participation of EFTA States and their institutions, undertakings, organisations and nationals in programmes of the European Union are set out in the EEA Agreement and in particular in Article 81 thereof.

(6) Protocol 31 to the EEA Agreement should therefore be amended, in order to allow for this extended cooperation to take place from 25 July 2023,

HAS ADOPTED THIS DECISION:

Declaration by the EFTA States

to Decision No 80/2024 of 15 March 2024 amending Protocol 31 to the EEA Agreement to extend the cooperation of the Contracting Parties to include participation of the EFTA States in the Instrument established by Regulation (EU) 2023/1525

This Decision extends the cooperation of the Contracting Parties to include the participation of the EFTA States in the Instrument established by Regulation (EU) 2023/1525 ('the Instrument'). The EFTA States consider that defence matters fall outside the scope of the EEA Agreement, and therefore that the adoption of this Decision does not extend the scope of the EEA Agreement to include defence matters beyond the participation in the Instrument. The EFTA States also stress that Iceland and Liechtenstein shall not participate in, and shall not financially contribute to, the Instrument.
