Non-opposition to a notified concentration

(Case COMP/M.1929 — Magneti Marelli/Seima)

(2002/C 10/04)

(Text with EEA relevance)

On 29 May 2000 the Commission decided not to oppose the above notified concentration and to declare it compatible with the common market. This decision is based on Article 6(1)(b) of Council Regulation (EEC) No 4064/89. The full text of the decision is only available in Italian and will be made public after it is cleared of any business secrets it may contain. It will be available:

— as a paper version through the sales offices of the Office for Official Publications of the European Communities (see list on the last page),

— in electronic form in the 'CIT' version of the CELEX database, under document No 300M1929. CELEX is the computerised documentation system of European Community law.
