Prior notification of a concentration

(Case M.10403 — SHV/ACTA)

Candidate case for simplified procedure

(Text with EEA relevance)

(2021/C 330/05)

1. On 9 August 2021, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ([1]).

This notification concerns the following undertakings:

— SHV Holdings N.V. ('SHV', Netherlands)

— ACTA* Holding B.V. ('ACTA', Netherlands)

SHV acquires within the meaning of Article 3(1)(b) of the Merger Regulation sole control of the whole of ACTA.

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned are:

— for SHV: investment company active globally in a wide range of industries,

— for ACTA: the parent holding company of Kiwa NV, an international quality accreditation organization that specializes in testing, inspection and certification services.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under the Council Regulation (EC) No 139/2004 ([2]) it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:
