COMMISSION DECISION No 3940/86/ECSC

of 23 December 1986

fixing the rate of the levies for the 1987 financial year and amending Decision No 3-52 on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Articles 49 and 50 thereof,

Having regard to Commission Decision No 3289/75/ECSC of 18 December 1975 on the definition and conversion of the unit of account to be used in decisions, recommendations, opinions and communications for the purposes of the Treaty establishing the European Coal and Steel Community (1), as amended by Decision No 3334/80/ECSC (2),

Whereas, in view of the variations in average values recorded during the reference period, Decision No 3-52 of 23 December 1952 on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty (3) should be amended;

Whereas the requirements of the European Coal and Steel Community are estimated in the operating budget for the 1987 financial year at 408 million ECU; whereas that budget, which was adopted by the Commission of the European Communities on 23 December 1986 in the form shown in the Annex to this Decision, indicates the amount of income to be provided from levies in the course of the financial year 1987, namely 180 million ECU;

Whereas the estimated yield of the levies at a rate of 0,01 % is 5,81 million ECU,
