**KOMISJONI OTSUS,**

**30. juuli 1992,**

**millega kehtestatakse kolmandate riikide heakskiidetud embrüokogumisrühmade ►M9 ja embrüotootmisrühmade ◄ nimekirjad veiste embrüote ekspordiks ühendusse**

(92/452/EMÜ)

EUROOPA ÜHENDUSTE KOMISJON,

võttes arvesse Euroopa Majandusühenduse asutamislepingut,

võttes arvesse nõukogu 25. septembri 1989. aasta direktiivi 89/556/EMÜ loomatervishoiu nõuete kohta, millega reguleeritakse koduveiste embrüote ühendusesisest kaubandust ja kolmandatest riikidest importimist, ([1]) viimati muudetud nõukogu direktiiviga 90/425/EMÜ, ([2]) eelkõige selle artiklit 8,

ning arvestades, et:

kolmandate riikide nimekiri, kust liikmesriigid võivad veiste embrüoid importida, on kehtestatud komisjoni otsusega 91/270/EMÜ ([3]);

nüüd on vaja koostada heakskiidetud embrüokogumisrühmade nimekiri komisjoni otsusega 91/270/EMÜ kehtestatud nimekirjas esitatud igas kolmandas riigis;

on tehtud kindlaks, et komisjoni otsusega 91/270/EMÜ kehtestatud nimekirjas olevate kolmandate riikide veterinaarteenistused kasutavad piisavalt volitusi nende territooriumil tegutsevate embrüokogumisrühmade suhtes ja kontrollivad neid nõuetekohaselt, ning arvestades, et samad veterinaarteenistused kohustuvad heaks kiitma ühendusse eksporditavate veiste embrüote kogumiseks, töötlemiseks ja ladustamiseks vaid sellised rühmad, mis vastavad täielikult direktiivi 89/556/EMÜ A lisa I ja II peatüki nõuetele;

nimekirjas olevate kolmandate riikide veterinaarteenistused kohustuvad embrüokogumisrühmadelt tunnustuse ära võtma, kui enam ei järgita üht või mitut loa saamise tingimust, ning teavitavad komisjoni sellistest muudatustest;

mõnede nimekirjas esinevate kolmandate riikide pädevad veterinaarteenistused ei ole edastanud heakskiidetud embrüokogumisrühmade nimekirju ning komisjonile võib esitada uut informatsiooni; käesolev otsus on vaja uuesti läbi vaadata ja seda tuleb muuta;

käesoleva otsusega ettenähtud meetmed on kooskõlas alalise veterinaarkomitee arvamusega,

ON VASTU VÕTNUD KÄESOLEVA OTSUSE:

*Artikkel 1*

Liikmesriigid impordivad embrüoid kolmandatest riikidest vaid siis, kui need on kogutud, töödeldud ja ladustatud käesoleva otsuse lisas esitatud nimekirjadesse kantud embrüokogumisrühmade poolt.

([1]) EÜT L 302, 19.10.1989, lk 1.
([2]) EÜT L 224, 18.8.1990, lk 29.
([3]) EÜT L 134, 29.5.1991, lk 56.
