DRAFT
DECISION No …/2025
OF THE EU-UKRAINE ASSOCIATION COMMITTEE
IN TRADE CONFIGURATION

of …

on reduction and elimination of customs duties pursuant to Article 29(4) of the Association Agreement between the European Union and the European Atomic Energy Community
and their Member States, of the one part, and Ukraine, of the other part

THE EU-UKRAINE ASSOCIATION COMMITTEE IN TRADE CONFIGURATION,

Having regard to the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part ([1]), and in particular Article 29(4) and Article 465(3) thereof,

Whereas:

(1) The Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part (the 'Agreement') was signed on 21 March and 27 June 2014 and entered into force on 1 September 2017.

(2) Article 29(4) of the Agreement establishes that, five years after the entry into force of the Agreement, at the request of either Party, the Parties shall consult to consider accelerating and broadening the elimination of customs duties on trade between them. As established under Article 465 of the Agreement a decision of the EU-Ukraine Association Committee in Trade Configuration on such acceleration or broadening of elimination of a customs duty shall supersede any duty rate or staging category determined pursuant to a Schedule of a Party set out in Annex I-A to the Agreement.

(3) At the request of Ukraine, consultations under Article 29(4) of the Agreement were initiated in 2021. The consultations were subsequently put on hold following the illegal and unprovoked full-scale invasion of Ukraine by the Russia and the European Union's adoption of unilateral trade liberalisation measures through its Autonomous Trade Measures of 4 June 2022 ([2]), which were renewed in 2023 ([3]) and 2024 ([4]). The Parties resumed consultations in 2025.

2 Regulation (EU) 2022/870 of the European Parliament and of the Council of 30 May 2022 on temporary trade-liberalisation measures supplementing trade concessions applicable to Ukrainian products under the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Ukraine, of the other part (OJ L 152, 3.6.2022, p. 103).

(4) The Parties aim to further broaden the scope of the elimination of customs duties under the Agreement. It is therefore appropriate to set out each Party's commitments to reduce or eliminate customs duties on originating goods of the other Party in the Schedules set out in a new Annex I-E, which will be incorporated into the Agreement and form an integral part thereof. The Schedules contained in Annex I-A to the Agreement will be superseded by the new Annex I-E to the Agreement, subject to the conditions set out in Annex I-E.

(5) The Parties acknowledge the dynamic nature of trade relations between the EU and Ukraine with more than a 150 per cent increase of trade since the provisional application of the Deep and Comprehensive Free Trade Area of the Agreement. Ukraine's accession negotiations with the EU, and the gradual integration of Ukraine into parts of the EU single market ahead of accession will also continue to strengthen trade relations.

HAS ADOPTED THIS DECISION:

ANNEX

The following new Annex with its appendices is inserted into the Agreement after Annex I-D.

ANNEX I-E

Article 1 – Elimination of customs duties

Each Party shall reduce or eliminate customs duties on originating goods of the other Party in accordance with Appendix A to this Annex, which supersedes the customs duty rates set out in Annex I-A to this Agreement. In the event of suspension of Appendix A to this Annex or parts thereof in accordance with Article 2(5) or Article 3 of this Annex, the customs duty rates set out in Annex I-A shall apply for the period of the suspension.

Article 2 – Production standards

1. Ukraine shall align its legislation to the Union legislation listed in Appendix C to this Annex by 31 December 2028.

2. Ukraine shall report yearly on its progress on regulatory alignment. The report shall be discussed in the Association Committee in Trade Configuration, where the Parties shall also exchange information on the availability and affordability for their respective economic operators of agricultural inputs including crop protection products and its impact on implementation of Ukraine's commitment under paragraph 1.

3. No later than 31 December 2028, Ukraine shall send a final report to the Commission outlining its compliance with paragraph 1. Documents submitted to the Commission shall always include a version in English. The final report submitted by Ukraine shall include:

   a. the internal act with a cross-comparison table ('transposition table') showing in detail the correspondence with each article of the Union legislation; and

   b. if applicable, a list of Ukrainian legislation that had to be amended or annulled in order to implement the Union legislation.

4. If, on the basis of the final report referred to in paragraph 3 or other relevant available information, the Commission cannot conclude that Ukraine has met its obligation under paragraph 1, the Union shall notify the Association Committee in Trade Configuration and the Parties shall enter into consultations without undue delay, giving Ukraine two months to provide additional elements to demonstrate compliance with paragraph 1.

5. If, notwithstanding paragraph 4, the Commission cannot conclude that Ukraine has met its obligation under paragraph 1, the Union may suspend all or part of the preferences granted pursuant to Article 1 for relevant products. The Union shall, without delay, deliver to Ukraine a notification setting out its intention to suspend preferences. The suspension may not apply earlier than 30 days after the date of the delivery of the notification to Ukraine.

6. At Ukraine's request and following the delivery of new information, the Commission shall review Ukraine's compliance with paragraph 1 with respect to the relevant Union legislation. The review shall take no longer than four weeks and may involve consultations between the Parties. If the Commission concludes that Ukraine has complied with paragraph 1, the Union shall reintroduce the suspended part of the preferences under Article 1 within two months.

7. The Union shall inform Ukraine yearly on the developments related to the legal acts listed in Appendix C to this Annex in the EU-Ukraine Sanitary and Phytosanitary Sub-Committee.

Article 3 – Safeguard measures

1. If serious economic, societal or environmental difficulties of a sectoral or regional nature liable to persist have arisen or threaten to arise in either Party, including in the case of the Union in one or several Member States, as result of imports of a product covered by the additional liberalisation under Article 1, the Party concerned may take appropriate safeguard measures with respect to the preferences granted under Article 1.

2. The Party concerned shall, without delay, notify the other Party of its intention to take safeguard measures and shall provide all relevant information. The Parties shall immediately enter into consultations with a view to finding a mutually acceptable solution.

3. The Party concerned may not take safeguard measures until one month has elapsed after the date of notification under paragraph 2, unless the consultation procedure under paragraph 2 has been concluded before the expiration of the stated time limit. When exceptional circumstances requiring immediate action exclude prior examination, the Party concerned may immediately apply the safeguard measures strictly necessary to remedy the situation.

Appendix A to Annex I-E

For the purpose of the elimination of customs duties by the Parties pursuant to the review of the Agreement under Article 29(4), Appendix C to Annex I-A to the Agreement shall apply mutatis mutandis to the revised tables below. The base rate and staging category to determine the rate of customs duty applicable at each stage of reduction for a tariff line are indicated in the corresponding tariff line in the Schedule. For the purposes of this Appendix, the first reduction shall take place on the entry into force of Annex I-E. Each successive reduction shall take effect on 1 January of the relevant year.
