Prior notification of a concentration

(Case M.10990 – WESTCOAST / KOMSA)

Candidate case for simplified procedure

(Text with EEA relevance)

(2023/C 57/09)

1. On 9 February 2023, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ([1]).

This notification concerns the following undertakings:

— Westcoast (Holdings) Limited ('Westcoast', United Kingdom), belonging to Westcoast Group Holdings Limited ('Westcoast Group'),

— KOMSA AG ('KOMSA', Germany), controlled by DEROSSI Invest GmbH, Germany.

— Westcoast will acquire within the meaning of Article 3(1)(b) of the Merger Regulation control of the whole of KOMSA.

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned are the following:

— Westcoast is an international distributor of IT and telecommunications software and hardware products, consumer electronics and a provider of related business, logistics and marketing services,

— KOMSA is an international distributor of IT and telecommunications software and hardware products and consumer electronics. In particular, it distributes smartphones, tablets, smartwatches, a variety of accessories, phone systems, headsets, smart home systems and e-mobility products.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004 ([2]) it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:
