Non-objection to a delegated act: The time period to submit requests for amendments of CAP Strategic Plans

European Parliament decision to raise no objections to the Commission delegated regulation of 21 May 2025 amending Commission Delegated Regulation (EU) 2023/370 supplementing Regulation (EU) 2021/2115 of the European Parliament and of the Council as regards the time period to submit requests for amendments of CAP Strategic Plans (C(2025)03151 – 2025/2728(DEA))

(C/2025/6276)

The European Parliament,

— having regard to the Commission delegated regulation (C(2025)03151),

— having regard to the Commission's letter of 21 May 2025 asking Parliament to declare that it will raise no objections to the delegated regulation,

— having regard to the letter from the Committee on Agriculture and Rural Development to the Chair of the Conference of Committee Chairs of 4 June 2025,

— having regard to Article 290 of the Treaty on the Functioning of the European Union,

— having regard to Regulation (EU) 2021/2115 of the European Parliament and of the Council [1], and in particular Article 122, point (a), thereof,

— having regard to Rule 114(6) of its Rules of Procedure,

— having regard to the recommendation for a decision of the Committee on Agriculture and Rural Development,

— having regard to the fact that no objections have been raised within the period laid down in the third and fourth indents of Rule 114(6) of its Rules of Procedure, which expired on 17 June 2025,

A. whereas, in the current context of ongoing instability in the agricultural sector across the Union several Member States are already encountering difficulties in deciding in the early months of 2025 on the need to review their transfer decisions taken in 2022 pursuant to Article 17(5), Article 88(7) and Article 103 of Regulation (EU) 2021/2115, and it is therefore considered necessary to provide Member States with additional time to plan those transfers;

B. whereas the time limit laid down in Article 3(4) of Commission Delegated Regulation (EU) 2023/370 [2] expired on 31 May 2025, it is therefore of utmost importance to establish a new time limit of 31 August 2025 for the submission of requests for amendment as soon as possible, in order to allow for appropriate planning and consideration by Member States;

C. whereas Delegated Regulation (EU) 2023/370 should therefore be amended accordingly;

1. Declares that it has no objections to the delegated regulation;

2. Instructs its President to forward this decision to the Council and the Commission.
