Publication of the countervalues in national currency of the financial thresholds expressed in euro in Annex I to Council Regulation (EC) No 116/2009

(C/2023/1513)

Pursuant to the requirement under Annex I (B) of Council Regulation (EC) No 116/2009 ([1]), the financial thresholds applicable to certain categories of cultural goods should be converted into the national currencies of those Member States which do not have the euro as their currency and published in the *Official Journal of the European Union*.

The countervalues listed hereafter were calculated on the basis of the average daily value of each of the currencies concerned, expressed in euro, during the 24 months ending on the last day of August 2023. These revised values take effect on 31 December 2023.
