DECISION OF THE REPRESENTATIVES OF THE GOVERNMENTS OF THE MEMBER STATES OF THE EUROPEAN COAL AND STEEL COMMUNITY MEETING WITHIN THE COUNCIL

of 4 November 1983

establishing ceilings and Community supervision for imports of certain goods originating in Yugoslavia (1984)

(83/558/ECSC)

THE REPRESENTATIVES OF THE GOVERNMENTS OF THE MEMBER STATES OF THE EUROPEAN COAL AND STEEL COMMUNITY MEETING WITHIN THE COUNCIL

In agreement with the Commission,

HAVE DECIDED AS FOLLOWS:

Article 1

1. Imports of certain products originating in Yugoslavia and indicated in Article 3 of the Agreement between the Member States of the European Coal and Steel Community and the European Coal and Steel Community, of the one part, and the Socialist Federal Republic of Yugoslavia, of the other part (1), shall be subject to annual ceilings and to Community supervision from 1 January to 31 December 1984.

The description of the goods referred to in the preceding subparagraph, their tariff headings and statistical numbers and the levels of the indicative ceilings are given in the Annex hereto.

2. Amounts shall be set off against the ceilings as and when the goods are entered with customs authorities for free circulation and accompanied by a movement certificate conforming to the rules contained in Protocol 3 to the Cooperation Agreement between the European Economic Community and the Socialist Federal Republic of Yugoslavia (2).

Goods shall be set off against ceiling only if the movement certificate has been submitted before the date on which customs duties are reimposed.

The reaching of a ceiling shall be determined at Community level on the basis of imports set off against it in the manner defined in the preceding subparagraphs.

The Member States shall periodically inform the Commission of imports effected in accordance with the above rules; such information shall be supplied under the conditions laid down in paragraph 4.

3. As soon as the ceilings are reached at Community level, Member States may at any time, at the request of any one of them or of the Commission, and in respect of the whole of the Community, reintroduce the levying of the customs duties applicable to third countries.

In the case of such a reimposition, Greece shall reintroduce the levying of the customs duties which it applies to third countries at the date in question.

Within the framework of the foregoing provisions, the Commission shall coordinate the procedures for

(1) OJ No L 41, 14. 2. 1983, p. 113.

(2) OJ No L 41, 14. 2. 1983, p. 2.

reintroducing the customs duties applicable to third countries, in particular by notifying the date common to the whole of the Community and directly applicable in each Member State. This notification shall be published in the *Official Journal of the European Communities.*

4. Member States shall forward to the Commission, not later than the 15th day of each month, statements of the amounts set off during the preceding month. They shall, if the Commission so requests, make up such statements for periods of 10 days and forward them within five clear days of expiry of the preceding 10-day period.

Article 2

Member States and the Commission shall cooperate closely to ensure that this Decision is complied with.

Article 3

Member States shall take all measures necessary to implement this Decision.

Done at Brussels, 4 November 1983.

The President

C. VAITSOS
