31.12.93 *EUROPEISKA GEMENSKAPERNAS OFFICIELLA TIDNING* Nr L 337/93

RÅDETS BESLUT

av den 23 november 1993

om slutande av avtal mellan Europeiska gemenskapen och Ungern om ömsesidigt skydd och kontroll av vinbenämningar

(93/724/EG)

EUROPEISKA UNIONENS RÅD HAR BESLUTAT FÖLJANDE

med beaktande av Fördraget om upprättandet av Europeiska gemenskapen, särskilt artikel 113 i detta,

med beaktande av kommissionens förslag, och

med beaktande av följande:

Det avtal som förhandlats fram mellan Europeiska gemenskapen och Ungern om ömsesidigt skydd och kontroll av vinbenämningar kommer att bidra till att göra åtgärder för att bekämpa illojal konkurrens inom handeln mer effektiva, säkerställa ett ökat skydd av konsumenterna och främja handeln med vin mellan de avtalsslutande parterna. Det är därför önskvärt att det nämnda avtalet godkänns.

För att förenkla genomförandet av vissa bestämmelser i avtalet bör kommissionen bemyndigas att göra nödvändiga tekniska ändringar i enlighet med förfarandet i artikel 83 i rådets förordning (EEG) nr 822/87 av den 16 mars 1987 om den gemensamma organisationen av marknaden för vin(1).

Eftersom bestämmelserna i avtalet är direkt kopplade till åtgärder som omfattas av den gemensamma handels- och jordbrukspolitiken måste avtalet ingås på gemenskapsnivå.

HÄRIGENOM FÖRESKRIVS FÖLJANDE.

Artikel 1

Det avtal mellan Europeiska gemenskapen och Ungern om ömsesidigt skydd och kontroll av vinbenämningar och det därtill bifogade protokollet, skriftväxlingen och förklaringarna godkänns härmed på gemenskapens vägnar.

Texten till de i första stycket nämnda handlingarna är bifogad detta beslut.

Artikel 2

Rådets ordförande bemyndigas att utse den person som skall ha befogenhet att underteckna avtalet och att deponera gemenskapens godkännandeinstrument.

Rådets ordförande skall göra den anmälan som avses i artikel 19.1 i avtalet.

Artikel 3

För tillämpningen av artikel 13 i avtalet bemyndigas kommissionen att fastställa nödvändiga ändringar till avtalet i enlighet med förfarandet i artikel 83 i förordning (EEG) nr 822/87.

Artikel 4

Detta beslut skall offentliggöras i *Europeiska gemenskapernas officiella tidning*.

Utfärdat i Bryssel den 23 november 1993.

AGREEMENT

between the European Community and the Republic of Hungary on the reciprocal protection and control of wine names

the EUROPEAN COMMUNITY, hereinafter called 'the Community',

of the one part, and

the REPUBLIC OF HUNGARY, hereinafter called 'Hungary',

of the other part

hereinafter called 'the Contracting Parties',

Having regard to the Europe Agreement establishing an association between the European Communities and their Member States and the Republic of Hungary, signed in Brussels on 16 December 1991,

Having regard to the Interim Agreement on trade and trade-related matters between the European Economic Community and the European Coal and Steel Community, of the one part, and the Republic of Hungary, of the other part, signed in Brussels on 16 December 1991,

Having regard to the interest of both Contracting Parties in the reciprocal protection and control of wine names,

HAVE DECIDED TO CONCLUDE THIS AGREEMENT:

Article 1

The Contracting Parties agree, on the basis of reciprocity, to protect and control names of wines originating in the Community and in Hungary on the conditions provided for in this Agreement.

Article 2

1. This Agreement applies to wines falling under heading 22.04 of the Harmonized System.

2. For the purposes of this Agreement, unless the contrary intention appears:

— 'wine originating in' shall mean, when followed by the name of one of the Contracting Parties, a wine made within the territory of that Contracting Party from grapes which have been wholly harvested and produced in the territory of that Contracting Party;

— 'geographical indication' shall mean an indication, including an 'Appellation of origin', which is recognized in the laws and regulations of a Contracting Party for the purpose of the description and presentation of a wine originating in the territory of a Contracting Party, or in a region or locality in that territory, where a given quality, reputation or other characteristic of the wine is essentially attributable to its geographical origin;

— 'traditional expression' shall mean a traditionally used name, referring in particular to the method of production or to the colour, type or quality of a wine, which is recognized in the laws and regulations of a Contracting Party for the purpose of the description and presentation of a wine originating in the territory of a Contracting Party;

— 'description' shall mean the names used on the labelling, on the documents accompanying the transport of the wine, on the commercial documents particularly the invoices and delivery notes, and in advertising;

— 'labelling' shall mean all descriptions and other references, signs, designs, or trade marks which distinguish the wine and which appear on the same container, including its sealing device or the tag attached to the container and the sheathing covering the neck of bottles;

— 'presentation' shall mean the names used on the containers, including the closure, on the labelling and on the packaging;

— 'packaging' shall mean the protective wrappings, such as papers, straw envelopes of all kinds, cartons and cases, used in the transport of one or more containers and/or for presenting them with a view to sale to the final consumer.

TITLE I

Reciprocal protection of wine names

Article 3

The Contracting Parties shall take all measures necessary, in accordance with this Agreement, for the reciprocal protection of the names referred to in Article 4 which are used for the description and presentation of wines originating in the territory of the Contracting Parties, in particular against unfair competition.

Article 4

1. The following names are protected:

(a) as regards wines originating in the Community:

— references to the Member State in which the wine originates;

— the following terms referred to in Article 1 of Council Regulation (EEC) No 823/87 laying down special provisions relating to quality wines produced in specified regions (1):

(i) the term 'quality wine produced in a specified region', including the abbreviation 'quality wine psr' and the equivalent terms and abbreviations in other Community languages;

(ii) the terms 'quality sparkling wine produced in a specified region' including the abbreviation 'quality sparkling wine psr', the equivalent terms and abbreviations in other Community languages, as well as 'Sekt bestimmter Anbaugebiete' or 'Sekt b.A';

(iii) the terms 'quality semi-sparkling wine produced in a specified region' including the abbreviation 'quality semi-sparkling wine psr' and equivalent terms and abbreviations in other Community languages;

(iv) the terms 'quality liqueur wine produced in a specified region' including the abbreviation 'quality liqueur wine psr' and the equivalent terms and abbreviations in other Community languages;

— the following terms referred to in Council Regulation (EEC) No 4252/88 on the preparation and marketing of liqueur wines produced in the Community (2):

'οίνος γλυκύς φυσικός', 'vino generoso', 'vino generoso de licor', 'vinho generoso', 'vino dulce natural', 'vino dolce naturale', 'vinho doce natural', 'vin doux naturel';

— the geographical indications and traditional expressions referred to in the Annex;

(b) as regards wines originating in Hungary:

— the name 'Hungary', 'Hungaria', 'Hunnia', 'Magyarország', 'Magyar' or other name used to indicate this country;

— the geographical indications and traditional expressions referred to in the Annex, as they appear in the Hungarian wine legislation, that is in Statutory Rule 36 of 1970, and in the Ministerial Decree for its implemention 40/1977/XI.29/MEM, amended by the Ministerial Decrees 7/1990/XII.25/FM and 23(1992/XII.17/FM.

2. In Hungary, the protected Community names:

— are reserved exclusively to the wines originating in the Community to which they apply, and

— may not be used otherwise than under the conditions provided for by the laws and regulations of the Community or, in their absence, of the Member States.

3. In the Community, the protected Hungarian names:

— are reserved exclusively to the wines originating in Hungary to which they apply, and

— may not be used otherwise than under the conditions provided for by the laws and regulations of Hungary.

4. The protection provided for in paragraph 1 also applies to names even where the true origin of the wine is indicated or the geographical indication or traditional expression is used in translation or accompanied by delocalizing expressions such as 'kind', 'type', 'style', 'imitation', 'method', 'trade mark' or the like.

5. In the case of homonymous or identical geographical indications:

(a) where two indications, protected by virtue of this Agreement, are homonymous or identical, protection shall be accorded to each indication, provided that:

— the geographical name in question has been used traditionally and consistently to describe and present a wine produced in the geographical area to which it refers,

— the wine is not falsely represented to consumers as originating in the territory of the other Contracting Party;

or

(1) OJ No L 84, 27. 3. 1987, p. 59.
(2) OJ No L 373, 31. 12 1988, p. 59.

(b) where a protected indication of a Contracting Party is homonymous or identical with a geographical name outside the territories of the Contracting Parties, the latter name may be used to describe and present a wine, provided that:

— the wine in question has been produced in the geographical area to which it refers,

— the geographical name has been used traditionally and consistently for the purpose of describing and presenting wines,

— this use is regulated by the country of origin,

— the wine is only marketed within the territory of the Contracting Party for which this geographical indication is not protected,

— the wine is not falsely represented to consumers as originating in the territory of the Contracting Party for which this geographical indication is protected.

In such cases, the Contracting Parties shall determine the practical conditions under which the homonymous or identical indications in question will be differentiated from each other, taking into account the need to ensure equitable treatment of the producers concerned and that consumers are not misled.

6. Where the name or the business name of the bottler or any other person involved in the commercial distribution is liable to create a false impression as to the origin of the wine, this name or business name may be used only if it is printed in less conspicuous letters than those used for the other particulars used to describe and present the wine and if it is preceded by details of the professional activity of the person in question. All this information must be on one line in identical lettering.

7. Nothing in this Agreement shall oblige a Contracting Party to protect a geographical indication or traditional expression of the other Contracting Party which is not or ceases to be protected in its country of origin or which has fallen into disuse in that country.

Article 5

The Contracting Parties shall take all measures necessary to ensure that in cases where wines originating in the Contracting Parties are exported and marketed outside of their territories, the protected names of one Contracting Party referred to in this Agreement are not used to describe and present a wine originating in the other Contracting Party.

Article 6

1. If the description or presentation of a wine, particularly on the label or in the official or commercial documents or in advertising, is in breach of this Agreement, the Contracting Parties shall apply the necessary administrative measures or legal proceedings in accordance with their respective laws and regulations.

2. The measures and proceedings laid down in paragraph 1 shall be taken in particular in the following cases:

(a) where the translation of descriptions provided for by Community or Hungarian legislation into the language or languages of the other Contracting Party results in the appearance of a word which is liable to be misleading as to the origin, nature or quality of the wine thus described or presented;

(b) where descriptions, trade marks, names, inscriptions or illustrations which directly or indirectly give false or misleading information as to the provenance, origin, nature, vine variety or material qualities of the wine appear on containers or packaging, in advertising, or in official or commercial documents relating to wines whose names are protected under this Agreement;

(c) where, for packaging, containers are used which are such as to create a false impression as to the origin.

3. Registered or unregistered trade marks used for wines whose names are protected under this Agreement may not contain words, parts of words, signs or illustrations which:

(a) are likely to create a false impression of a person, in particular the bottler, involved in the commercial distribution of the product described and presented;

(b) might be mistaken for the name of a geographical unit, the use of which for the description and presentation of a wine is protected under this Agreement; or

(c) contain misleading information or information likely to be misleading concerning in particular the geographical origin, the vine variety, vintage year or superior quality.

Article 7

1. To the extent that the relevant Community legislation so allows, the benefit of the protection given by this Agreement shall be extended to natural and legal persons, bodies corporate and to federations, associations and organizations of producers, traders or consumers whose headquarters are in Hungary.

2. To the extent that the relevant Hungarian legislation so allows, the benefit of the protection given by this Agreement shall be extended to natural and legal persons, bodies corporate and to federations, associations and organizations of producers, traders or consumers whose headquarters are in the Community.

Article 8

This Agreement shall not preclude any more extensive protection afforded, now or in the future, to descriptions protected by this Agreement, by the Contracting Parties under their internal legislation or other international agreements.

TITLE II

Mutual assistance between control authorities

Article 9

1. The Contracting Parties shall each designate the bodies to be responsible for the enforcement of the rules governing this Agreement.

2. The Contracting Parties shall inform one another of the names and addresses of those bodies not later than two months after this Agreement comes into force. There shall be close and direct cooperation betwen those bodies.

Article 10

1. If one of the bodies designated in accordance with Article 9 has reason to suspect that:

— a wine or batch of wines as defined in Article 2, being or having been traded between Hungary and the Community, does not comply with rules governing the wine sector in the Community or in Hungary or with this Agreement, and

— this non-compliance is of particular interest to the other Contracting Party and could result in administrative measures or legal proceedings being taken,

that body shall immediately inform the relevant bodies of the other Contracting Party and the Commission of the Community.

2. The information to be provided in accordance with paragraph 1 shall be accompanied by official, commercial or other appropriate documents; there should also be an indication of what administrative measures or legal proceedings may, if necessary, be taken. The information shall include, in particular, the following details of the wine concerned:

— the producer and the person who has power of disposal over the wine,

— the composition and organoleptic characteristics of the wine,

— the description and presentation of the wine, and

— details of the non-compliance with the rules concerning production and marketing.

TITLE III

General provisions

Article 11

Title I shall not apply to wines:

(a) that are in transit through the territory of one of the Contracting Parties; or

(b) that originate in the territory of one of the Contracting Parties and which are consigned in small quantities between those Parties under the conditons and according to the procedures provided for in the Protocol to this Agreement.

Article 12

This Agreement shall apply, on the one hand, to the territories in which the Treaty establishing the European Community is applied and under the conditions laid down in that Treaty and, on the other hand, to the territory of the Republic of Hungary.

Article 13

(b) notify each other of judical decisions concerning the application of this Agreement and inform each other of measures adopted on the basis of such decisions;

(c) examine the measures taken by the other Contracting Party pursuant to this Agreement, particularly as regards amendments to laws and regulations;

(d) mutually determine, if necessary, the practical conditions referred to in Article 4 (5);

(e) meet, if necessary, to discuss technical matters arising from application of this Agreement.

Article 14

1. Wines which, at the time of entry into force of this Agreement, have been legally described and presented in a manner prohibited by this Agreement, may be marketed:

— by wholesalers, for a period of three years,

— by retailers, until stocks are exhausted.

2. Wines described and presented in accordance with this Agreement when they are marketed and whose description or presentation ceases to conform to the Agreement following an amendment thereto may be marketed until stocks are exhausted unless otherwise agreed by the Contracting Parties.

Article 15

The Contracting Parties shall take all general and specific measures likely to ensure that the obligations laid down by this Agreement are fulfilled. They shall ensure that the objectives set out in the Agreement ar attained.

Article 16

1. The Contracting Parties shall enter into consultations if one of them considers that the other has failed to fulfil an obligation under this Agreement.

2. The Contracting Party which requests the consultations shall provide the other Party with all the information necessary for a detailed examination of the case in question.

3. In cases where any delay would result in an injury which it would be difficult to repair, appropriate interim protective measures may be taken, without prior consultation, provided that consultations are held immediately after the taking of these measures.

4. If, following the consultations provided for in paragraphs 1 and 3, the Contracting Parties have not reached agreement, the Party which requested the consultations or which took the measures referred to in paragraph 3 may take appropriate protective measures so as to permit the proper application of this Agreement.

Article 17

The Annex and Protocol appended to this Agreement shall form an integral part thereof.

Article 18

This Agreement is drawn up in duplicate in the Danish, Dutch, English, French, German, Greek, Italian, Portuguese, Spanish and Hungarian languages, all these texts being equally authentic.

Article 19

1. This Agreement shall enter into force on the first day of the second month after the date on which the Contracting Parties have notified each other in writing that their respective requirements for the entry into force of this Agreement have been complied with.

2. Either Contracting Party may terminate this Agreement by giving one year's written notice to the other Contracting Party.

THE CONTRACTING PARTIES HEREBY AGREE AS FOLLOWS:

I. Pursuant to Article 6 (2) (b) of the Agreement and without prejudice to their more restrictive internal legislation, the Contracting Parties agree to allow the use of the name of a vine variety, or, where applicable, of a synonym, to describe and present a wine only under the following conditions:

where the names of more than one vine variety are used for the same wine, this wine shall be wholly obtained, after deduction of the quantity of the products used for possible sweetening, from the named varieties;

(b) the name shall not be used in such a manner as to be confused with a geographical indication protected under this Agreement;

(c) where the name of the variety or its synonym is composed of several words, such composite name or synonym shall be printed on the label, without the interposition of any other information, in uniform letters of the same size on one or two lines.

II. Pursuant to Article 11 (b) of the Agreement, the Agreement shall not apply to:

1. Wine in labelled containers of not more than 5 litres fitted with a non-reusable closing device where the total quantity transported, whether or not made up of separate consignments, does not exceed 100 litres;

Exchange of letters concerning Article 4 of the Agreement between the European Community and the Republic of Hungary one the reciprocal protection and control of wine names

Letter No 1

Brussels,

Sir,

I have the honour to refer to the Agreement between the European Community and the Republic of Hungary on the reciprocal protection and control of wine names signed today, and in particular Article 4 (3) thereof.

In this connection, I wish to confirm the following:

1. For a transitional period of thirteen years from the entry into force of that Agreement, the application of the letter will not preclude the lawful use of the name 'Tokay' to designate and present certain French quality wines psr under the following conditions.

   Without prejudice to particular Community provisions and, where applicable, any more restrictive national provisions, the wine must be:

   — obtained from the 'Pinot gris' vine variety;

   — produced from grapes totally harvested in the French departments Bas-Rhin and Haut-Rhin;

   — designated and presented solely by means of the words 'Tokay Pinot Gris', which must appear together without any intervening words, in characters of the same type and size on a single line and separate from the name of the geographical unit in which the wine originates. In addition, the size of the characters used for those words may not exceed that of the characters giving the name of that geographical unit;

   — marketed outside the territory of Hungary.

2. It is however agreed that the term 'Tokay' may be used for one year from the entry into force of the Agreement to designate the quality wines psr in question under conditions other than those laid down in point 1.

3. It is understood that the quality wines psr in question designated and presented in accordance with the applicable provisions before the expiry of the transitional period referred to in point 1 may be put on the market until stocks are exhausted.

4. Without prejudice to the provisions referred to in point 3, the possibility of using the name 'Tokay' in accordance with the conditions set out in point 1 will expire at the end of the transitional period referred to therein.

I should be obliged if you would confirm that the Government of Hungary is in agreement with the contents of this letter.

Please accept, Sir, the assurance of my highest consideration.
