3. ANNEX III: EXTERNAL ASSESSMENT ON HUMANITARIAN AID

Commission evaluation services are responsible for steering, coordinating, monitoring and reporting of the evaluation function. They produce timely, high-quality evaluation results to ensure evidence for informed decision-making and accountability. The evaluations can be geographic, thematic or focused on a specific partnership.

In 2024, DG ECHO completed the following strategic evaluations:

- Evaluation of DG ECHO'S External Communication Policy and Actions (2019 – 2023)
- Evaluation of DG ECHO's partnership with UNICEF (2019-2023)
- Evaluation of the EU's humanitarian interventions in Central Africa (2019-2023)

In January 2025, evaluations were in progress for the following areas:

- Comprehensive Evaluation of the EU's humanitarian aid (2017-2022)
- Evaluation of DG ECHO's Water, Sanitation and Hygiene (WASH) policy (2019-2023)
- Evaluation of the European Union's humanitarian interventions in the Southern Africa and Indian Ocean (SAIO) region (2019-2023)
