To the notifying parties

Subject: **Case M.9956 – DTC / CEPCON / HORNSEA ONE OFTO**
Commission decision pursuant to Article 6(1)(b) of Council Regulation (EC) No 139/2004[1] [2] and Article 57 of the Agreement on the European Economic Area[3]

Dear Sir or Madam,

1. On 9 December 2020, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation by which the undertakings Diamond Transmission Corporation Limited ("DTC", United Kingdom), ultimately controlled by Mitsubishi Corporation ("Mitsubishi", Japan) and Chubu Electric Power Company Netherlands B.V. ("CEPCON", the Netherlands), ultimately controlled by Chubu Electric Power Co., Inc (Japan), acquire within the meaning of Article 3(1)(b) of the Merger Regulation joint control over the whole of the undertaking Hornsea One OFTO (United Kingdom) by way of purchase of shares.[4]

2. The business activities of the undertakings concerned are:

   – for DTC: a holding company, integrating Mitsubishi's investment activities in the transmission section. Mitsubishi is a global trading company with activities related to energy, metals, machinery, chemicals, food and general merchandise,

   – for CEPCON: holding Chubu's overseas projects. Chubu is a multi-energy services group with activities related to electric utility and related enterprises, gas

1 OJ L 24, 29.1.2004, p. 1 (the 'Merger Regulation'). With effect from 1 December 2009, the Treaty on the Functioning of the European Union ('TFEU') has introduced certain changes, such as the replacement of 'Community' by 'Union' and 'common market' by 'internal market'. The terminology of the TFEU will be used throughout this decision.

2 For the purposes of this Decision, although the United Kingdom withdrew from the European Union as of 1 February 2020, according to Article 92 of the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community (OJ L 29, 31.1.2020, p. 7), the Commission continues to be competent to apply Union law as regards the United Kingdom for administrative procedures which were initiated before the end of the transition period.

3 OJ L 1, 3.1.1994, p. 3 (the 'EEA Agreement').

supply and thermal storage brokerage, on-site energy businesses, overseas consulting and investment, real estate management services and IT services,

– for Hornsea One OFTO: owning and operating the transmission network for the Hornsea One offshore windfarm.

3. After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(b) of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004.[5]

4. For the reasons set out in the Notice on a simplified procedure, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.

For the Commission

(Signed)
Olivier GUERSENT
Director-General
