►C1 **COUNCIL JOINT ACTION 2005/889/CFSP**

of 25 November 2005 ◄

on establishing a European Union Border Assistance Mission for the Rafah Crossing Point (EU BAM Rafah)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 14 and the third subparagraph of Article 25 thereof,

Whereas:

(1) The European Union, as part of the Quartet, is committed to assisting and facilitating the implementation of the Roadmap, which lays out reciprocal steps by the Israeli Government and the Palestinian Authority in the political, security, economic, humanitarian, and institution-building fields, that will result in the emergence of an independent, democratic, and viable Palestinian state living side by side in peace and security with Israel and its other neighbours.

(2) Following Israel's unilateral disengagement from Gaza, the Government of Israel is no longer present at the Rafah Crossing Point and the terminal is closed apart from exceptional cases.

(3) The European Council of 17 and 18 June 2004 reaffirmed the readiness of the EU to support the Palestinian Authority in taking responsibility for law and order, and in particular, in improving its civil police and law enforcement capacity.

(4) The Council of 7 November 2005 reiterated the EU's support for the work of the Quartet Special Envoy for Disengagement, and welcomed his recent report to members of the Quartet. The Council also noted his letter of 2 November 2005 in which he requested on behalf of the parties that the EU consider playing a Third Party monitoring role at the Rafah Crossing Point on the Gaza-Egypt border. The Council noted the EU's willingness in principle to provide assistance with the operation of crossings at Gaza's border on the basis of an agreement between the parties.

(5) The opening of the Rafah Crossing Point has economic, security and humanitarian implications.

(6) The EU has identified as a priority the building up of a Palestinian customs administration in EC-Palestinian cooperation. The Community has provided assistance to the Palestinian border management and has an established tripartite dialogue on customs issues with the Government of Israel and the Palestinian Authority. The Palestinian Authority is engaged in developing detailed plans for border security procedures with the support of the USA and Israel.

▼B

(7) On 24 October 2005 the Palestinian Prime Minister sent a letter to the European Commissioner for External Relations and European Neighbourhood Policy in which he requested the EC's assistance in such areas as capacity building of Palestinian personnel at the Rafah crossing point, the development and installation of needed systems and equipment, and providing advice and support of Palestinian officials on duty at the Rafah Crossing Point.

(8) On 15 November 2005 the Government of Israel and the Palestinian Authority concluded an Agreement on Movement and Access at border crossing points with Gaza, which, *inter alia*, indicated the role of the EU as a third party regarding the operation of the relevant crossing points.

(9) In letters of invitation, on 20 November 2005 and on 23 November 2005 respectively, the Palestinian Authority and the Government of Israel invited the EU to establish a European Union Border Assistance Mission for the Rafah Crossing Point (EU BAM Rafah).

(10) The European Union mission will be complementary and will bring added value to current international efforts, as well as develop synergies with ongoing European Community and Member States efforts. The mission will seek coherence and coordination with the capacity-building actions of the Community, notably in the domain of customs administration.

(11) The mission will be set in the wider context of the EU and of the international community's effort to support the Palestinian Authority in taking responsibility for law and order, and in particular, in improving its civil police and law enforcement capacity.

(12) Appropriate liaison with the European Union Police Mission for the Palestinian Territories, referred to as the European Union Coordinating Office for Palestinian Police Support (EUPOL COPPS) ([1]), should be ensured.

(13) The mission will implement its mandate in the context of a situation which poses a threat to law and order, the security and safety of individuals, and to the stability of the area and which could harm the objectives of the Common Foreign and Security Policy as set out in Article 11 of the Treaty.

(14) Security is a prime and continuing concern and appropriate arrangements to ensure security should be adopted.

(15) In conformity with the guidelines of the European Council meeting in Nice on 7 to 9 December 2000, this Joint Action should determine the role of the Secretary-General/High Representative, in accordance with Articles 18 and 26 of the Treaty.

(16) Article 14(1) of the Treaty calls for the indication of a financial reference amount for the whole period of implementation of the Joint Action. The indication of amounts to be financed by the Community budget illustrates the will of the political authority and is subject to the availability of commitment appropriations during the respective budget year,
