C/2025/802

30.1.2025

Prior notification of a concentration

(Case M.11663 – NOKIA / INFINERA)

(Text with EEA relevance)

(C/2025/802)

1. On 22 January 2025, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ([1]).

This notification concerns the following undertakings:

— Nokia Corporation ('Nokia', Finland),

— Infinera Corporation ('Infinera', United States).

Nokia will acquire within the meaning of Article 3(1)(b) of the Merger Regulation sole control of the whole of Infinera.

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned are the following:

— Nokia is a multinational company that engages in the provision of network infrastructure, technology and software services,

— Infinera is a global supplier of networking solutions, comprising networking equipment, optical semiconductors, software and services.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:
