CONSIGLIO

DIRETTIVA DEL CONSIGLIO

del 3 agosto 1987

recante ottavo adeguamento al progresso tecnico della direttiva 67/548/CEE concernente il ravvicinamento delle disposizioni legislative, regolamentari ed amministrative relative alla classificazione, all'imballaggio e all'etichettatura delle sostanze pericolose

(87/432/CEE)

Il CONSIGLIO DELLE COMUNITÀ EUROPEE,

visto il trattato che istituisce la Comunità economica europea,

vista la direttiva 67/548/CEE del Consiglio, del 27 giugno 1967, concernente il ravvicinamento delle disposizioni legislative, regolamentari ed amministrative relative alla classificazione, all'imballaggio e all'etichettatura delle sostanze pericolose [1], modificata da ultimo dalla direttiva 86/431/CEE della Commissione [2], in particolare gli articoli 19 e 21,

vista la proposta della Commissione,

considerando che occorre adottare le misure per instaurare gradualmente il mercato interno nel corso di un periodo che termina il 31 dicembre 1992; che il mercato interno comporta uno spazio senza frontiere interne nel quale è garantita la libera circolazione delle merci, delle persone, del servizi e dei capitali;

considerando che l'allegato I della direttiva 67/548/CEE contiene un elenco di sostanze pericolose, completato da informazioni circa le procedure di classificazione e di etichettatura per ogni sostanza; che l'esame dell'elenco ha dimostrato che l'elenco stesso deve essere adeguato alla luce delle attuali conoscenze tecniche e scientifiche; che, in particolare, è necessario modificare la classificazione e l'etichettatura di talune sostanze, chiarire talune denominazioni, correggere certi numeri del Cas e inserire altre sostanze nell'elenco;

considerando che il comitato per l'adeguamento al progresso tecnico delle direttive volte all'eliminazione degli ostacoli tecnici agli scambi nel settore delle sostanze e dei preparati pericolosi, istituito con l'articolo 20 della direttiva 67/548/CEE, ha emesso un parere sfavorevole sul progetto di misure che la Commissione gli ha presentato,

HA ADOTTATO LA PRESENTE DIRETTIVA:

Articolo 1

L'allegato I (Elenco delle sostanze pericolose) della direttiva 67/548/CEE è modificato come segue:

1. la designazione, l'indicazione del Cas, la classificazione e l'etichettatura delle sostanze sottoelencate sono sostituite da quelle che figurano nell'allegato I della presente direttiva:
