RÅDET

RÅDETS DIREKTIV

af 3. august 1987

om den ottende tilpasning til den tekniske udvikling af direktiv 67/548/EØF om tilnærmelse af lovgivning om klassificering, emballering og etikettering af farlige stoffer

(87/432/EØF)

RÅDET FOR DE EUROPÆISKE FÆLLESSKABER HAR —

under henvisning til Traktaten om Oprettelse af Det Europæiske Økonomiske Fællesskab,

under henvisning til Rådets direktiv 67/548/EØF af 27. juni 1987 om tilnærmelse af lovgivning om klassificering, emballering og etikettering af farlige stoffer (1), senest ændret ved Kommissionens direktiv 86/431/EØF (2), særlig artikel 19 og 21,

under henvisning til forslag fra Kommissionen, og

ud fra følgende betragtninger:

Det er vigtigt, at der vedtages foranstaltninger med henblik på gradvis oprettelse af det indre marked i løbet af perioden indtil den 31. december 1992; det indre marked indebærer et område uden indre grænser med fri bevægelighed for varer, personer, tjenesteydelser og kapital;

bilag I til direktiv 67/548/EØF indeholder en liste over farlige stoffer samt retningslinjer for de enkelte stoffers klassificering og etikettering; en gennemgang af listen har vist, at den bør tilpasses i lyset af den aktuelle videnskabelige og tekniske viden; det er navnlig nødvendigt at ændre klassificeringen og etiketteringen af visse stoffer, at tydeliggøre visse navne, at korrigere visse Cas-numre (Chemical Abstract Service) og at optage flere stoffer på listen;

Udvalget vedrørende Tilpasning til den Tekniske Udvikling af Direktiverne om Fjernelse af Tekniske Hindringer for Handelen med Farlige Stoffer og Præparater, nedsat ved artikel 20 i direktiv 67/548/EØF, har afgivet en negativ udtalelse om det udkast til foranstaltninger, som blev forelagt af Kommissionen —

UDSTEDT FØLGENDE DIREKTIV:

Artikel 1

I bilag I (liste over farlige stoffer) til direktiv 67/548/EØF foretages følgende ændringer:

1. Beskrivelse, Cas-nummer, klassificering og etikettering af de nedenfor angivne stoffer erstattes af det, der er anført i bilag I til nærværende direktiv:
