8. *Agreements with other airlines*

LH and/or SAS will terminate specified agreements with other airlines, or part of them, namely the agreement between SAS and Swissair/Austrian Airlines as far as the European Quality Alliance is concerned, and the agreement between LH and Transwede.

The agreement between LH and Finnair will have to be terminated as far as the routes between Scandinavia and Germany are concerned.

9. *Slots*

In respect of the abovementioned routes, LH and SAS will make available to carriers not part of the LH or SAS groups, which wish to commence or to increase a scheduled service on these routes, a number of slots per day at each of Frankfurt, Düsseldorf, Oslo and Stockholm airports, where such slots cannot be obtained from the slot coordinator. The number of slots to be made available in each of the airports shall be such as to allow for effective competition by these third carriers in respect of the abovementioned routes.
