COUNCIL DECISION (CFSP) 2026/1028

of 5 May 2026

on an assistance measure under the European Peace Facility to support the Armed Forces of Senegal in the framework of the Yaoundé Architecture

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 28(1) and Article 41(2) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

(1) Council Decision (CFSP) 2021/509 ([1]) establishes the European Peace Facility (EPF) for the financing by Member States of Union actions under the common foreign and security policy to preserve peace, prevent conflicts and strengthen international security pursuant to Article 21(2), point (c), of the Treaty. In particular, pursuant to Article 1(2) of Decision (CFSP) 2021/509, the EPF is to be used for the financing of assistance measures such as actions to strengthen the capacities of third States and regional and international organisations relating to military and defence matters.

(2) The West African maritime domain continues to face a challenging environment in which piracy, armed robbery at sea, kidnapping of seafarers, illegal, unreported and unregulated (IUU) fishing, smuggling and trafficking of drugs and arms, as well as transnational organised crime pose a major and increasing threat to maritime security, affecting freedom of navigation, thus endangering major trade routes, jeopardising the sustainable development of the entire region and the economic livelihood of the population, and leading to the deterioration of the environment and biodiversity.

(3) Senegal remains particularly exposed to various threats, including maritime piracy, terrorism, drug trafficking, human trafficking, cybercrime and IUU fishing due to its vast Exclusive Economic Zone and geostrategic location. As the westernmost gateway to Africa, the maritime routes along Senegal's coast connect the Mediterranean Sea and the Suez Canal to West Africa and the Americas. Strengthening the Armed Forces of Senegal is an important aspect of enabling and supporting maritime security efforts in Senegal and within the Atlantic and Gulf of Guinea regions.

(4) On 13 March 2026, the High Representative of the Union for Foreign Affairs and Security Policy received a request from Senegal for the Union to assist the National Navy of Senegal with the procurement of key operational equipment and furniture to strengthen the cooperation on security and defence between Senegal and the Union and to contribute to enhancing the overall security and defence capacities of the Armed Forces of Senegal to protect the sovereignty of Senegal at sea and improve regional maritime security.

(5) Assistance measures are to be implemented taking into account the principles and requirements set out in Decision (CFSP) 2021/509, in particular compliance with Council Common Position 2008/944/CFSP ([2]), and in line with the rules for the implementation of revenue and expenditure financed under the EPF.

([1]) Council Decision (CFSP) 2021/509 of 22 March 2021 establishing a European Peace Facility, and repealing Decision (CFSP) 2015/528 (OJ L 102, 24.3.2021, p. 14, ELI: http://data.europa.eu/eli/dec/2021/509/oj).

([2]) Council Common Position 2008/944/CFSP of 8 December 2008 defining common rules governing control of exports of military technology and equipment (OJ L 335, 13.12.2008, p. 99, ELI: http://data.europa.eu/eli/compos/2008/944/oj).

(6) The Council reaffirms its determination to protect, promote and fulfil human rights, fundamental freedoms and democratic principles and to strengthen the rule of law and good governance, in compliance with the Charter of the United Nations, with the Universal Declaration of Human Rights and with international law, in particular international human rights law and international humanitarian law,

HAS ADOPTED THIS DECISION:
