Commission decision pursuant to Article 6(1)(b) of Council Regulation (EC) No 139/2004 ([1]) and Article 57 of the Agreement on the European Economic Area ([2])

Dear Sir or Madam,

(1) On 22 September 2026, the European Commission received notification of a proposed concentration pursuant to Article 4 of the Merger Regulation, by which the undertaking OCS Group International Limited ('OCS', United Kingdom), ultimately controlled by Clayton, Dubilier & Rice, LLC (United States), will acquire within the meaning of Article 3(1)(b) of the Merger Regulation sole control over the whole of the undertaking Mitie Group plc ('Mitie', United Kingdom) by way of public bid announced on 21 July 2026. ([3])

(2) The business activities of the undertakings concerned are the following:

– OCS is a facilities management company active in the United Kingdom, Ireland, and in the Asia Pacific and Middle East regions,

– Mitie is a facilities management company active in the UK and Europe.

(3) After examination of the notification, the European Commission has concluded that the notified operation falls within the scope of the Merger Regulation and of paragraph 5(d) of the Commission Notice on a simplified treatment for certain concentrations under Council Regulation (EC) No 139/2004. ([4])

([1]) OJ L 24, 29.1.2004, p. 1 (the 'Merger Regulation'). With effect from 1 December 2009, the Treaty on the Functioning of the European Union ('TFEU') has introduced certain changes, such as the replacement of 'Community' by 'Union' and 'common market' by 'internal market'. The terminology of the TFEU will be used throughout this decision.
([2]) OJ L 1, 3.1.1994, p. 3 (the 'EEA Agreement').
([3]) OJ C, C/2026/5122, 1.10.2026.
([4]) OJ C 160, 5.5.2023, p. 1 (the 'Notice on a simplified treatment').

(4) For the reasons set out in the Notice on a simplified treatment, the European Commission has decided not to oppose the notified operation and to declare it compatible with the internal market and with the EEA Agreement. This decision is adopted in application of Article 6(1)(b) of the Merger Regulation and Article 57 of the EEA Agreement.
