COMMISSION DECISION No 3799/92/ECSC

of 23 December 1992

fixing the rate of the levies for the 1993 financial year and amending Decision No 3-52 on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Articles 49 and 50 thereof,

Whereas, in view of the variations in average values recorded during the reference period, Articles 2 and 4 of Decision No 3-52 of 23 December 1952 on the amount of and methods for applying the levies provided for in Articles 49 and 50 of the ECSC Treaty [1] as last amended by Decision No 3747/91/ECSC [2] should be amended;

Whereas the requirements of the European Coal and Steel Community are estimated in the operating budget for the 1993 financial year at ECU 548 million; whereas that budget, which was adopted by the Commission of the European Communities on 23 December 1992 in the form shown in the Annex to this Decision, indicates the amount of income to be provided from levies in the course of the financial year 1993, namely ECU 125 million;

Whereas the estimated yield of the levies at a rate of 0,01 % is ECU 5,00 million,
