Candidate case for simplified procedure

(Text with EEA relevance)

(2017/C 182/03)

1. On 31 May 2017, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ([1]) by which the Goldman Sachs Group, Inc. ('Goldman Sachs', United States) acquires within the meaning of Article 3(1)(b) of the Merger Regulation control of the whole of Caldic BV ('Caldic', Netherlands) by way of a purchase of shares.

2. The business activities of the undertakings concerned are:

— for Goldman Sachs: global investment banking, securities and investment management,

— for Caldic: international full-line distribution of commodity and specialty chemicals to customers in the industrial, health and food industries.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved. Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under the Council Regulation (EC) No 139/2004 ([2]) it should be noted that this case is a candidate for treatment under the procedure set out in this Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.
