**Five applications relate to more than one activity sector and have therefore been counted multiples times.*

Between 2007 and 2022, the Commission received 177 EGF applications from a broad range of sectors (49). The highest number of applications was received for the manufacture of motor vehicles, trailers and semi-trailers sector (23), followed by the manufacture of computer, electronic and optical products sector (17) and the manufacture of machinery and equipment sector (15).

Chart 5: Number of targeted beneficiaries per sector* (NACE Rev. 2) between 2007 and 2022

** The number of targeted beneficiaries per sector in five multi-sector cases[3] was estimated based on the number of dismissed workers. Four sectors (77, 91, 92 and 93) are not included in the chart because the number of workers dismissed from these sectors was unknown at the application stage[4].*
