COMISSÃO

DIRECTIVA DA COMISSÃO

de 22 de Julho de 1988

que, pela décima vez, adapta ao progresso técnico a Directiva 67/548/CEE do Conselho relativa à aproximação das disposições legislativas, regulamentares e administrativas respeitantes à classificação, embalagem e rotulagem das substâncias perigosas

(88/490/CEE)

A COMISSÃO DAS COMUNIDADES EUROPEIAS,

Tendo em conta o Tratado que institui a Comunidade Económica Europeia,

Tendo em conta a Directiva 67/548/CEE do Conselho, de 27 de Junho de 1967, relativa à aproximação das disposições legislativas, regulamentares e administrativas respeitantes à classificação, embalagem e rotulagem das substâncias perigosas (1), com a última redacção que lhe foi dada pela Directiva 79/831/CEE (2), e, nomeadamente, o seu artigo 19º,

Considerando que o Anexo I da Directiva 67/548/CEE contém uma lista de substâncias perigosas, juntamente com pormenores dos processos de classificação e rotulagem relativos a cada substância; que o exame da lista de substâncias perigosas indicou que esta lista precisa de ser adaptada em função dos actuais conhecimentos científicos e técnicos;

Considerando que a nota D do Anexo VI da Directiva 67/548/CEE inclui um guia de classificação e rotulagem das substâncias e preparações perigosas; que é necessário corrigir neste anexo os critérios para a escolha de uma determinada frase que indique as recomendações de segurança (frase S) em língua francesa;

Considerando que o disposto na presente directiva está em conformidade com o parecer do Comité para a Adaptação ao Progresso Técnico das Directivas que visam a Eliminação dos Entraves Técnicos ao Comércio no Sector das Substâncias e Preparações Perigosas,

ADOPTOU A PRESENTE DIRECTIVA:

Artigo 1º

A Directiva 67/548/CEE é alterada do seguinte modo:

1. Anexo I (lista de substâncias perigosas):

1.1. É aditada a seguinte nota F após a nota E ao prefácio do Anexo I:

«Nota F

Esta substância pode conter um estabilizante. Se o estabilizante mudar as propriedades perigosas da substância tal como indicadas pelo rótulo do Anexo I, deve ser estabelecido um rótulo de acordo com as normas de rotulagem para preparações perigosas.»

1.2. A designação, número Cas, classificação e rotulagem de substâncias do Anexo I da presente directiva substituem as do Anexo I da Directiva 67/548/CEE com o mesmo número CEE.

1.3. São aditadas ao Anexo I da Directiva 67/548/CEE as substâncias enumeradas no Anexo II da presente directiva.

2. Nota D do Anexo VI (guia de classificação e rotulagem das substâncias e preparações perigosas):

(1) JO nº 196 de 16. 8. 1967, p. 1.
(2) JO nº L 259 de 15. 10. 1979, p. 10.

Em língua francesa, no capítulo 4 (escolha das frases que indicam recomendações de segurança), S16 (tenir à l'écart de toute source d'ignition — ne pas fumer), sob o travessão « applicabilité », a frase « substances et préparations susceptibles de réagir ou de se décomposer spontanément sous l'effet de la chaleur » é substituída pela frase « liquides et gaz extrêmement inflammables ou facilement inflammables ».

Artigo 2º

Os Estados-membros adoptarão e publicarão, o mais tardar em 1 de Janeiro de 1990, as normas necessárias para darem cumprimento à presente directiva. Desse facto informarão imediatamente a Comissão.

Os Estados-membros aplicarão essas normas o mais tardar em 1 de Julho de 1990.

Artigo 3º

Os Estados-membros são destinatários da presente directiva.

Feito em Bruxelas, em 22 de Julho de 1988.

Pela Comissão

Stanley CLINTON DAVIS

Membro da Comissão
