COMMISSION OF THE EUROPEAN COMMUNITIES

COM(88) 70 final

Brussels, 1 March 1988

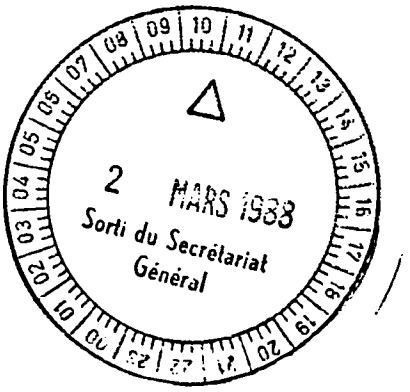

Proposal for a

COUNCIL DECISION

authorizing the automatic renewal or continuance in force of provisions governing matters covered by the common commercial policy contained in the friendship, trade and navigation treaties and similar agreements concluded between Member States and third countries

---

(submitted by the Commission)

EXPLANATORY MEMORANDUM

1. Under Article 3 of the Council Decision of 16 December 1969[1] on the progressive standardization of agreements concerning commercial relations between Member States and third countries and on negotiation of Community agreements, the Commission hereby proposes to the Council that the Member States should be authorized to extend, expressly or tacitly, provisions governing matters covered by the common commercial policy contained in the friendship, trade and navigation treaties and similar agreements annexed to the attached proposal for a Council decision in so far as their provisions are not contrary to existing common policies.
The prior consultation specified in Article 2 of this Decision was executed by written procedure. The outcome was the recognition on 17.12.1987 that the conditions under which this extension can be authorized for a further year had been fulfilled.

2. Denmark's agreement of 3.8.1923 with Finland was amended with effect from 1.1.1988 as part of the general review of agreements between Member States and EFTA countries, and has therefore been taken off the list.

   The Commission would point out that this time it proposes the extension of treaties between Member States and EFTA countries on an exceptional basis. In accordance with the understanding reached between the Commission services and national departments concerned, the denunciation or review procedures for such treaties should already have been completed. Hence forward the Commission will no longer propose that these treaties be extended.

3. The Commission would further point out that since some treaties with EFTA countries do not concerne commerce, no authorisation for their extension will be required, therefore the following treaties have been taken off the list :

   France - Finlande of 24.4.1931
   France - Norvége of 30.12.1881
   United Kingdom - Norvège of 18.3.1826 and of 16.5.1913
   United Kingdom - Suède of 11.4.1654, 17.7.1656, 21.10.1661, 5.2.1766, 18.7.1812

COUNCIL DECISION

authorizing the automatic renewal or continuance in force of provisions governing matters covered by the common commercial policy contained in the friendship, trade and navigation treaties ans similar agreements concluded between Member States and third countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in partiular Article 113 thereof,

Having regard to Council Decision 69/494/EEC of 16 December 1969 on the progressive standardization of agreements concerning commercial relations between Member States and third countries and on the negotiation of Community agreements (1), and in particular Article 3 thereof,

Having regard to the proposal from the Commission,

Whereas the automatic renewal or continuance in force of the friendship, trade and navigation treaties and similar agreements concluded by Member States was last authorized by Decision 87/237EEC (2);

Whereas the Member States concerned have again requested authorization for the automatic renewal or continuance in force of provisions governing matters covered by the common commercial policy within the meaning of Article 113 of the Treaty and contained in the friendship, trade and navigation treaties and similar agreements listed in the Annex, in order to avoid interrupting their commercial relations with the third countries concerned as are based on such agreements;

Whereas, however, most of the matters covered by these provisions of national treaties and agreements will in future be governed by Community agreements; whereas, in that case, authorization should be given only in respect of those matters not covered by Community agreements; whereas, in addition, such authorization does not absolve the Member States from the obligation of avoiding and, where appropriate, eliminating any incompatibility between such treaties and agreements and the provisions of Community law;

Whereas, the provisions of the treaties and agreements to be automatically renewed or maintained in force must not, furthermore, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas the Member States concerned have stated that the automatic renewal or continuance in force of these treaties and agreements would not be such as to constitute an obstacle to the opening of Community commercial negotiations with the relevant third countries or the transfer of the commercial fields covered by current bilateral agreements to Community agreements;

Whereas, at the conclusion of the consultation provided for in Article 2 of Decision 69/494/EEC, it was established, as the aforesaid statements by the Member States confirm, that the provisions of the relevant treaties and bilateral agreements will not, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas, nevertheless, the Member States concerned have stated that they would be willing to adapt and, if necessary, terminate those treaties and agreements should it be found, during the period under consideration, that the automatic renewal or continuance in force of the provisions thereof relating to matters convered by Article 113 of the Treaty hinder the implementation of the common commercial policy;

Whereas the treaties and agreements involved contain termination clauses requiring a period of notice of between three and 12 months;

Whereas, therefore, there is no reason for not authorizing the automatic renewal or continuance in force, until 31 December 1989 of the provisions in question,

HAS ADOPTED THIS DECISION:

Article 1

The provisions governing matters covered by the common commercial policy within the meaning of Article 113 of the Treaty and contained in the friendship, trade and navigation treaties and similar agreements listed in the Annex hereto may be automatically renewed or maintained in force until 31 December 1989 as regards those areas not covered by agreements between the Community and the third countries concerned in so far as their provisions are not contrary to existing common policies.

Article 2

This Decision is addressed to the Member States.

Done at Brussels,

For the Council

The President
