C/2026/4720

3.9.2026

Prior notification of a concentration

(Case M.12571 – VINCI ENERGIES / ALL FOR ONE GROUP)

Candidate case for simplified procedure

(Text with EEA relevance)

(C/2026/4720)

1. On 26 August 2026, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ([1]).

This notification concerns the following undertakings:

— Vinci Energies S.A. ('Vinci Energies') (France), controlled by Vinci S.A. (France),

— All for One Group SE ('All for One Group') (Germany), controlled by Unternehmens Invest AG (Austria).

Vinci Energies will acquire within the meaning of Article 3(1)(b) of the Merger Regulation control of the whole of All for One Group.

The concentration is accomplished by way of public bid announced on 16 July 2026.

2. The business activities of the undertakings concerned are the following:

— Vinci Energies is a global organization active in concessions and infrastructure, building, public works, civil engineering and energy as well as IT services (through its brand line Axians).

— All for One Group is a provider of IT services, including IT consulting, application management solutions, software-as-a-service, managed services as well as enterprise application software.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified treatment for certain concentrations under Council Regulation (EC) No 139/2004 on the control of concentrations between undertakings ([2]) it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed concentration to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:
