COMMISSION DECISION No 3385/80/ECSC

of 23 December 1980

on retrospective Community surveillance in respect of the importation of certain iron and steel products covered by the Treaty establishing the European Coal and Steel Community and originating in certain non-member countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Coal and Steel Community, and in particular Article 74 thereof,

Whereas by Decision No 588/80/ECSC [1], as amended by Decision No 2796/80/ECSC [2], the Commission instituted a retrospective Community monitoring system in respect of imports to and exports from the Community of certain iron and steel products covered by the Treaty establishing the European Coal and Steel Community;

Whereas the reasons which originally led the Commission to introduce these measures, namely the need to ensure the fullest information on imports and exports, continue to apply;

Whereas it is therefore necessary to prolong the monitoring system,

HAS ADOPTED THIS DECISION:
