UITVOERINGSBESLUIT (EU) 2026/2148 VAN DE COMMISSIE

van 21 september 2026

tot wijziging van Uitvoeringsbesluit (EU) 2026/820 betreffende bepaalde noodmaatregelen in verband met mond-en-klauwzeer in Griekenland

(Kennisgeving geschied onder nummer C(2026) 6793)

(Slechts de tekst in de Griekse taal is authentiek)

(Voor de EER relevante tekst)

DE EUROPESE COMMISSIE,

Gezien het Verdrag betreffende de werking van de Europese Unie,

Gezien Verordening (EU) 2016/429 van het Europees Parlement en de Raad van 9 maart 2016 betreffende overdraagbare dierziekten en tot wijziging en intrekking van bepaalde handelingen op het gebied van diergezondheid ("diergezondheidswetgeving") ([1]), en met name artikel 259, lid 1,

Overwegende hetgeen volgt:

(1) Mond-en-klauwzeer is een infectieuze virale ziekte bij zoogdieren van de orden Artiodactyla en Proboscidea die ernstige gevolgen kan hebben voor de betrokken dierpopulatie en de rentabiliteit van de landbouw, en die de verplaatsingen van zendingen van die dieren en producten daarvan binnen de Unie en de uitvoer naar derde landen kan verstoren. Bij een uitbraak van mond-en-klauwzeer bij dieren bestaat een ernstig risico op verspreiding van die ziekte naar andere inrichtingen waar dieren van in de lijst opgenomen soorten worden gehouden, zoals vastgesteld in de bijlage bij Uitvoeringsverordening (EU) 2018/1882 van de Commissie ([2]) (de "in de lijst opgenomen soorten").

(2) Gedelegeerde Verordening (EU) 2020/687 van de Commissie ([3]) vormt een aanvulling op de regels voor de bestrijding van de in de lijst opgenomen ziekten als bedoeld in artikel 9, lid 1, punten a), b) en c), van Verordening (EU) 2016/429 en gedefinieerd als ziekten van categorieën A, B en C in Uitvoeringsverordening (EU) 2018/1882. Met name voorzien de artikelen 21 en 22 van Gedelegeerde Verordening (EU) 2020/687 in de instelling van een beperkingszone in geval van een uitbraak van een ziekte van categorie A, waaronder mond-en-klauwzeer, en in de instelling van bepaalde maatregelen die in die beperkingszone moeten worden toegepast. Bovendien bepaalt artikel 21, lid 1, van die gedelegeerde verordening dat de beperkingszone een beschermingszone, een bewakingszone en, indien nodig, extra beperkingszones rond of naast de beschermings- en bewakingszones omvat.

(3) Uitvoeringsbesluit (EU) 2026/820 van de Commissie ([4]) is vastgesteld op basis van Verordening (EU) 2016/429 en bevat bepaalde noodmaatregelen in verband met uitbraken van mond-en-klauwzeer in Griekenland. Met name is in Uitvoeringsbesluit (EU) 2026/820 bepaald dat Griekenland overeenkomstig artikel 21 van Gedelegeerde Verordening (EU) 2020/687 beperkingszones moet instellen die beschermings- en bewakingszones omvatten, alsmede een extra beperkingszone, waar de maatregelen die in beschermings- en bewakingszones en extra beperkingszone moeten worden toegepast, ten minste tot en met de in de bijlage bij dat uitvoeringsbesluit opgenomen data worden toegepast, en dat de beschermings- en bewakingszones en de extra beperkingszone ten minste de in die bijlage opgenomen gebieden moeten omvatten. Uitvoeringsbesluit (EU) 2026/820 is laatstelijk gewijzigd bij Uitvoeringsbesluit (EU) 2026/1839 van de Commissie ([5]).

([1]) PB L 84 van 31.3.2016, blz. 1, ELI: http://data.europa.eu/eli/reg/2016/429/oj.

([2]) Uitvoeringsverordening (EU) 2018/1882 van de Commissie van 3 december 2018 betreffende de toepassing, op de categorieën in de lijst opgenomen ziekten, van bepaalde regels voor de preventie en bestrijding van ziekten en tot vaststelling van een lijst van soorten en groepen soorten die een aanzienlijk risico vormen in verband met de verspreiding van die ziekten (PB L 308 van 4.12.2018, blz. 21, ELI: http://data.europa.eu/eli/reg_impl/2018/1882/oj).

([3]) Gedelegeerde Verordening (EU) 2020/687 van de Commissie van 17 december 2019 tot aanvulling van Verordening (EU) 2016/429 van het Europees Parlement en de Raad wat regels voor de preventie en bestrijding van bepaalde in de lijst opgenomen ziekten betreft (PB L 174 van 3.6.2020, blz. 64, ELI: http://data.europa.eu/eli/reg_del/2020/687/oj).

([4]) Uitvoeringsbesluit (EU) 2026/820 van de Commissie van 1 april 2026 tot vaststelling van bepaalde noodmaatregelen in verband met mond-en-klauwzeer in Griekenland en tot intrekking van Uitvoeringsbesluit (EU) 2026/732 (PB L, 2026/820, 8.4.2026, ELI: http://data.europa.eu/eli/dec_impl/2026/820/oj).

([5]) Uitvoeringsbesluit (EU) 2026/1839 van de Commissie van 23 juli 2026 tot wijziging van Uitvoeringsbesluit (EU) 2026/820 betreffende bepaalde noodmaatregelen in verband met mond-en-klauwzeer in Griekenland (PB L, 2026/1839, 28.7.2026, ELI: http://data.europa.eu/eli/dec_impl/2026/1839/oj).

(4) Sinds de vaststelling van Uitvoeringsbesluit (EU) 2026/1839 heeft de Commissie de noodmaatregelen die in de in de bijlage bij Uitvoeringsbesluit (EU) 2026/820 opgenomen beschermings- en bewakingszones en extra beperkingszone moeten worden toegepast en het tijdschema voor de toepassing ervan herzien op basis van de door Griekenland verschafte informatie, met name wat betreft de data van de voorlopige reiniging en ontsmetting van de getroffen inrichtingen, die overeenkomstig Gedelegeerde Verordening (EU) 2020/687 moeten worden uitgevoerd. Bijgevolg moet de tijdsduur van de noodmaatregelen in die beschermings- en bewakingszones worden aangepast.

(5) Bovendien hebben zich sinds de vaststelling van Uitvoeringsbesluit (EU) 2026/1839 verdere uitbraken van mond-en-klauwzeer voorgedaan in inrichtingen in de regionale eenheid Lesbos in Griekenland.

(6) Gezien de huidige epidemiologische situatie ten aanzien van mond-en-klauwzeer in Griekenland en om de verdere verspreiding van die ziekte in die lidstaat, naar andere lidstaten of naar derde landen te voorkomen, moeten de gebieden die in de bijlage bij Uitvoeringsbesluit (EU) 2026/820 als beschermings-, bewakings- of extra beperkingszone zijn opgenomen, dringend worden bijgewerkt om ze waar nodig zowel qua locatie als qua geldigheidsduur aan te passen, en moeten ook nieuwe beschermings- en bewakingszones worden ingesteld, rekening houdend met de recentste uitbraken in Griekenland. Dit is ook noodzakelijk om te voorkomen dat de handel in de Unie onnodig wordt verstoord en dat derde landen ongerechtvaardigde handelsbelemmeringen opwerpen.

(7) De bijlage bij Uitvoeringsbesluit (EU) 2026/820 moet daarom dienovereenkomstig worden gewijzigd.

(8) De in dit besluit vervatte maatregelen zijn in overeenstemming met het advies van het Permanent Comité voor planten, dieren, levensmiddelen en diervoeders,

HEEFT HET VOLGENDE BESLUIT VASTGESTELD:

Artikel 1

De bijlage bij Uitvoeringsbesluit (EU) 2026/820 wordt vervangen door de tekst in de bijlage bij dit besluit.

Artikel 2

Dit besluit is gericht tot de Helleense Republiek.

Gedaan te Brussel, 21 september 2026.

Voor de Commissie
