(Annex X to the Agreement)

LISTS OF COMMITMENTS ON ESTABLISHMENT

SECTION A

EU PARTY

1. The list of commitments below indicate the economic activities liberalised pursuant to Article 166 of this Agreement and, by means of reservations, the market access and national treatment limitations that apply to establishments and investors of the Republics of the CA Party in those activities. The lists are composed of the following elements:

   (a) A first column indicating the sector or sub-sector in which the commitment is assumed by the Party, and the scope of liberalisation to which the reservations apply;

   (b) A second column describing the applicable reservations.

   When the column referred to under (b) only includes Member State-specific reservations, Member States not mentioned therein undertake commitments in the sector concerned without reservations (N.B. the absence of Member State specific reservations in a given sector is without prejudice to horizontal reservations or to sectoral EU-broad reservations that may apply).

Sectors or sub-sectors not mentioned in the list below are not committed.

2. In identifying individual sectors and sub-sectors:

(a) ISIC rev 3.1 means the International Standard Industrial Classification of all Economic Activities as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 4, ISIC REV 3.1, 2002;

(b) CPC means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC prov., 1991;

(c) CPC ver. 1.0 means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, CPC ver. 1.0, 1998.

3. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 164 and 165 of this Agreement. Those measures (for example need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations, non-discriminatory requirement that certain activities may not be carried out in environmental protected zones or areas of particular historic and artistic interest), even if not listed, apply in any case to investors of the other Party.

4. In accordance with Article 159, paragraph 3 of this Agreement, the list below does not include measures concerning subsidies granted by the Parties.

1 As regards services sectors, these limitations do not go beyond the limitations reflected in the existing GATS commitments.

2 Given that public utilities often also exist at the sub-central level, detailed and exhaustive sector-specific listing is not practical. To facilitate comprehension, specific footnotes in this list of commitments will indicate in an illustrative and non-exhaustive way those sectors where public utilities play a major role.

Sector or sub-sector	Description of reservations

A partnership can only be a founding party if each partner resides in Sweden. Corresponding conditions prevail for establishment of all other types of legal entities. At least fifty per cent of the members of the board shall reside in Sweden. Foreign or Swedish citizens not residing in Sweden, who wishes to conduct commercial operations in Sweden, shall appoint and register with the local authority a resident representative responsible for such activities.
