DECISION

OF THE REPRESENTATIVES OF THE GOVERNMENTS OF THE MEMBER STATES OF THE EUROPEAN COAL AND STEEL COMMUNITY, MEETING WITHIN THE COUNCIL,

of 10 December 1979

opening tariff preferences for certain steel products originating in developing countries

(79/1062/ECSC)

THE REPRESENTATIVES OF THE GOVERNMENTS OF THE MEMBER STATES OF THE EUROPEAN COAL AND STEEL COMMUNITY, MEETING WITHIN THE COUNCIL,

In agreement with the Commission,

HAVE DECIDED AS FOLLOWS:

Article 1

1. From 1 January to 31 December 1980, the duties applicable in the Community to the imports of the products listed in Annex A shall be completely suspended, subject to the provisions of Article 2.

2. This suspension shall be enjoyed solely by products originating in the countries and territories listed in Annex B. For the purposes of the application of this Decision the concept of originating products shall be determined in accordance with the procedure laid down in Article 14 of Council Regulation (EEC) No 802/68 of 27 June 1968 on the common definition of the concept of the origin of goods (1).

3. Subject to Article 2, this suspension shall be granted generally up to the limit of a ceiling equal to the amount obtained, in respect of each category of products, by adding together, in European units of account, the value for 1977 of cif imports of the products concerned to the Community from the countries and territories enjoying these arrangements, excluding those already enjoying various preferential tariff arrangements granted by the nine Member States of the Community, and 5% of the value of cif imports in 1977 from other countries and from the countries and territories already enjoying such arrangements. For the particular purpose of the abovementioned calculations, all statistical data are to be considered as being expressed in European units of account of the Common Customs Tariff.

(1) OJ No L 148, 28. 6. 1968, p. 1.

Imports already enjoying exemption from customs duties under such arrangements shall not be charged against the aforementioned ceiling.

4. Subject to Article 2, within each ceiling thus calculated, charges of products originating in any one of the countries or territories listed in Annex B should not exceed a maximum amount equivalent to 50% of this ceiling, except for the specific cases indicated in Annex A.

5. Any amendment to Annex B, in particular by the addition of new countries or territories enjoying tariff preferences, may entail a corresponding adjustment to the ceilings and maximum amounts referred to in paragraphs 3 and 4.

Article 2

1. As soon as the ceilings calculated in accordance with the provisions of Article 1 (3) which are laid down for Community imports of products originating in all of the countries and territories referred to in Article 1 (2) are reached at Community level, the Member States may at any time, at the request of any one of them or of the Commission and in respect of the whole of the Community, re-introduce the levying of the corresponding duties on imports of the products in question from all the countries and territories listed in Annex B until the end of the period referred to in Article 1 (1).

2. As soon as the maximum amounts calculated in accordance with the provisions of Article 1 (4) which are laid down for the Community imports of products originating in each of the countries and territories referred to in Article 1 (2) and (3) are reached for any one of these countries or territories and Community level, the Member States may at any time, at the request of any of them or of the Commission and in respect of the whole of the Community, re-introduce the levying of the corresponding duties on imports of the products in question from the country or territory listed in Annex B until the end of the period referred to in Article 1 (1).

3. Within the framework of the foregoing provisions, the Commission shall coordinate the procedures for

re-introducing normal customs duties, in particular, by notifying the date common to the whole of the Community and directly applicable in each Member State. This notification shall be published in the *Official Journal of the European Communities*.

4. However, paragraphs 1, 2 and 3 shall not apply to the imports in question originating in the countries listed in Annex C.

Article 3

1. Imports of the said goods shall be charged against the ceilings and maximum amounts as and when they are entered for free circulation, on the basis of the customs value of the said goods, and are accompanied by a certificate of origin in accordance with the rules referred to in Article 1 (2).

2. Goods may be charged against a ceiling or maximum amount only if the certificate of origin mentioned in paragraph 1 is presented before the date on which the levying of duties is re-introduced.

3. The extent to which ceilings and maximum amounts have been used up shall be recorded at Community level on the basis of imports charged in the manner laid down in paragraphs 1 and 2.

Article 4

Member States, in close cooperation with the Commission, shall take all necessary measures to ensure that the above provisions are applied.

Article 5

Member States shall inform the Commission periodically of imports of the products in question charged against the ceilings and maximum amounts laid down in Article 1 (3) and (4).

Article 6

The Member States shall take all measures necessary for the implementation of this Decision.

Done at Brussels, 10 December 1979.

The President

T. HUSSEY
